A. Notwithstanding any other provision of law, the provisions of this act shall be the exclusive state law for licensees subject to the jurisdiction of the Insurance Commissioner for data security, the investigation of a cybersecurity event, and notification to the Commissioner.

B. This act shall not be construed to create or imply a private cause of action for violations of its provisions.

SECTION 3. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 672 of Title 36, unless there is created a duplication in numbering, reads as follows:

As used in this act:

8 licensee;

9 4. "Cybersecurity event" means an event resulting in  
10 unauthorized access to or disruption or misuse of an information  
11 system or nonpublic information stored on the information system.  
12 The term cybersecurity event shall not include the unauthorized  
13 acquisition of encrypted nonpublic information if the encryption,  
14 process, or key is not also acquired, released, or used without  
15 authorization. Cybersecurity event shall not include an event in  
16 which the licensee has determined that the nonpublic information  
17 accessed by an unauthorized person has not been used or released and  
18 has been returned or destroyed;

19 5. "Department" means the Insurance Department;

20 6. "Encrypted" means the transformation of data into a form

22 use of a protective process or key;

23 7. "Information security program" means the administrative,  
24 technical, and physical safeguards that a licensee uses to access,

1 collect, distribute, process, protect, store, use, transmit, dispose  
2 of, or otherwise handle nonpublic information;

3 8. "Information system" means a discrete set of electronic  
4 information resources organized for the collection, processing,  
5 maintenance, use, sharing, dissemination or disposition of nonpublic  
6 information, as well as any specialized system such as industrial or  
7 process controls systems, telephone switching and private branch  
8 exchange systems, and environmental control systems;

9 9. "Licensee" means any person licensed, authorized to operate,  
10 or registered, or required to be licensed, authorized to operate, or  
11 registered, pursuant to Title 36 of the Oklahoma Statutes; provided,  
12 however, that it shall not include a purchasing group or a risk  
13 retention group chartered and licensed in a state other than this  
14 state or a person that is acting as an assuming insurer that is  
15 domiciled in another state or jurisdiction;

16 10. "Multi-factor authentication" means authentication through

  - 17 (5) biometric records, or
- 18 c. any information or data, except age or gender, in any  
19 form or medium created by or derived from a health

11 third-party service provider of a licensee that is an assuming  
12 insurer, the assuming insurer shall notify its affected ceding  
13 insurers and the Commissioner of its state of domicile within three
