SUBJECT: Dentistry

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 59 O.S. 2011, Section 328.3, as last amended by Section 1, Chapter 151, O.S.L. 2018 (59 O.S. Supp. 2018, Section 328.3), is amended to read as follows:

Section 328.3 As used in the State Dental Act, the following words, phrases, or terms, unless the context otherwise indicates, shall have the following meanings:

1. "Accredited dental college" means an institution whose dental educational program is accredited by the Commission on Dental Accreditation of the American Dental Association;

2. "Accredited dental hygiene program" means a dental hygiene educational program which is accredited by the Commission on Dental Accreditation of the American Dental Association;

3. "Accredited dental assisting program" means a dental assisting program which is accredited by the Commission on Dental Accreditation of the American Dental Association;

4. "Board" means the Board of Dentistry;

5. "Certified dental assistant" means a dental assistant who has earned and maintains current certified dental assistant certification from the Dental Assisting National Board (DANB);

6. "Coronal polishing" means a procedure limited to the removal of plaque and stain from exposed tooth surfaces, utilizing a slow speed hand piece with a ~~rubber~~ prophy/polishing cup or brush and polishing agent and is not prophylaxis. To be considered prophylaxis, examination for calculus and scaling must be done by a hygienist or dentist;

7. "Deep sedation" means a drug-induced depression of consciousness during which patients cannot be easily aroused but respond purposefully following repeated or painful stimulation. The ability to independently maintain ventilator function may be impaired. Patients may require assistance in maintaining a patent airway, and spontaneous ventilation may be inadequate. Cardiovascular function is usually maintained;

8. "Dentistry" means the practice of dentistry in all of its branches;

9. "Dentist" means a graduate of an accredited dental college who has been issued a license by the Board to practice dentistry as defined in Section 328.19 of this title;

10. "Dental ambulatory surgical center (DASC)" means a facility that operates exclusively for the purpose of furnishing outpatient surgical services to patients. A DASC shall have the same privileges and requirements as a dental office and additionally must be an accredited facility by the appropriate entity;

11. "Dental office" means an establishment owned and operated by a dentist for the practice of dentistry, which may be composed of reception rooms, business offices, private offices, laboratories, and dental operating rooms where dental operations are performed;

12. "Dental hygienist" means an individual who has fulfilled the educational requirements and is a graduate of an accredited dental hygiene program and who has passed an examination and has been issued a license by the Board and who is authorized to practice dental hygiene as hereinafter defined;

13. "Dental assistant or oral maxillofacial surgery assistant" means an individual working for a dentist, under the dentist's direct supervision or direct visual supervision, and performing duties in the dental office or a treatment facility, including the limited treatment of patients in accordance with the provisions of the State Dental Act. A dental assistant or oral maxillofacial surgery assistant may assist a dentist with the patient; provided, this shall be done only under the direct supervision or direct visual supervision and control of the dentist and only in accordance with the educational requirements and rules promulgated by the Board;

14. "Dental laboratory" means a location, whether in a dental office or not, where a dentist or a dental laboratory technician performs dental laboratory technology;

15. "Dental laboratory technician" means an individual whose name is duly filed in the official records of the Board, which authorizes the technician, upon the laboratory prescription of a dentist, to perform dental laboratory technology, which services must be rendered only to the prescribing dentist and not to the public;

16. "Dental laboratory technology" means using materials and mechanical devices for the construction, reproduction or repair of dental restorations, appliances or other devices to be worn in a human mouth;

17. "Dental specialty" means a specialized practice of a branch of dentistry, recognized by the Board, where the dental college and specialty program are accredited by the Commission on Dental

Accreditation (CODA), or a dental specialty recognized by the Board, requiring a minimum number of hours of approved education and training and/or recognition by a nationally recognized association or accreditation board;

18. "Direct supervision" means the supervisory dentist is in the dental office or treatment facility and, during the appointment, personally examines the patient, diagnoses any conditions to be treated, and authorizes the procedures to be performed by a dental hygienist, dental assistant, or oral maxillofacial surgery assistant. The supervising dentist is continuously on-site and physically present in the dental office or treatment facility while the procedures are being performed and, before dismissal of the patient, evaluates the results of the dental treatment;

19. "Direct visual supervision" means the supervisory dentist has direct ongoing visual oversight which shall be maintained at all times during any procedure authorized to be performed by a dental assistant or an oral maxillofacial surgery assistant;

20. "Fellowship" means a program designed for post-residency graduates to gain knowledge and experience in a specialized field;

21. "General anesthesia" means a drug-induced loss of consciousness during which patients are not arousable, even by painful stimulation. The ability to independently maintain ventilator function is often impaired. Patients often require assistance in maintaining a patent airway, and positive pressure ventilation may be required because of depressed spontaneous ventilation or drug-induced depression of neuromuscular function. Cardiovascular function may be impaired;

22. "General supervision" means the supervisory dentist has diagnosed any conditions to be treated within the past thirteen (13) months, has personally authorized the procedures to be performed by a dental hygienist, and will evaluate the results of the dental treatment within a reasonable time as determined by the nature of the procedures performed, the needs of the patient, and the professional judgment of the supervisory dentist. General supervision may only be used to supervise a hygienist and may not be used to supervise an oral maxillofacial surgery assistant or dental assistant;

23. "Indirect supervision" means the supervisory dentist is in the dental office or treatment facility and has personally diagnosed any conditions to be treated, authorizes the procedures to be performed by a dental hygienist, remains in the dental office or treatment facility while the procedures are being performed, and will evaluate the results of the dental treatment within a reasonable time as determined by the nature of the procedures performed, the needs of the patient, and the professional judgment of the supervisory dentist. Indirect supervision may not be used for an oral maxillofacial surgery assistant or a dental assistant;

24. "Investigations" means an investigation proceeding, authorized under Sections 328.15A and 328.43a of this title, to investigate alleged violations of the State Dental Act or the rules of the Board;

25. "Laboratory prescription" means a written description, dated and signed by a dentist, of dental laboratory technology to be performed by a dental laboratory technician;

26. "Minimal sedation" means a minimally depressed level of consciousness, produced by a pharmacological method, that retains the patient's ability to independently and continuously maintain an airway and respond normally to tactile stimulation and verbal command. Although cognitive function and coordination may be modestly impaired, ventilator and cardiovascular functions are unaffected;

27. "Mobile dental anesthesia provider" means a licensed and anesthesia-permitted dentist, physician or certified registered nurse anesthetist (CRNA) that has a mobile dental unit and provides anesthesia in dental offices and facilities in the state;

28. "Mobile dental clinic" means a permitted motor vehicle or trailer utilized as a dental clinic, and/or that contains dental equipment and is used to provide dental services to patients on-site and shall not include a mobile dental anesthesia provider. A mobile dental clinic shall also mean and include a volunteer mobile dental facility that is directly affiliated with a church or religious organization as defined by Section 501(c)(3) or 501(d) of the United States Internal Revenue Code, the church or religious organization

with which it is affiliated is clearly indicated on the exterior of the mobile dental facility, and such facility does not receive any form of payment either directly or indirectly for work provided to patients other than donations through the affiliated church or religious organization; provided, that the volunteer mobile dental facility shall be exempt from any registration fee required under the State Dental Act;

29. "Moderate sedation" means a drug-induced depression of consciousness during which patients respond purposefully to verbal commands, either alone or accompanied by light tactile stimulation. No interventions are required to maintain a patent airway, and spontaneous ventilation is adequate. Cardiovascular function is usually maintained;

30. "Prophylaxis" means the removal of any and all calcareous deposits, stains, accretions or concretions from the supragingival and subgingival surfaces of human teeth, utilizing instrumentation by scaler or periodontal curette on the crown and root surfaces of human teeth including rotary or power-driven instruments. This procedure may only be performed by a dentist or dental hygienist;

31. "Patient" or "patient of record" means an individual who has given a medical history and has been examined and accepted by a dentist for dental care;

32. "Residencies" are programs designed for advanced clinical and didactic training in general dentistry or other specialties or other specialists at the post-doctoral level recognized by the ~~American Dental Association~~ Commission on Dental Accreditation (CODA) or the Board;

33. "Supervision" means direct supervision, direct visual supervision, indirect supervision or general supervision; and

34. "Treatment facility" means:

- a. a federal, tribal, state or local public health facility,
- b. a federal qualified health care facility (FQHC),

- c. a private health facility,
- d. a group home or residential care facility serving the elderly, handicapped or juveniles,
- e. a hospital or dental ambulatory surgery center (DASC),
- f. a nursing home,
- g. a penal institution operated by or under contract with the federal or state government,
- h. a public or private school,
- i. a patient of record's private residence,
- j. a mobile dental clinic,
- k. a dental college, dental program, dental hygiene program or dental assisting program accredited by the Commission on Dental Accreditation, or
- l. such other places as are authorized by the Board.

SECTION 2. AMENDATORY 59 O.S. 2011, Section 328.17, as amended by Section 5, Chapter 229, O.S.L. 2015 (59 O.S. Supp. 2018, Section 328.17), is amended to read as follows:

Section 328.17 A. 1. The Board of Dentistry shall have the following standing committees that shall meet once per year and other times as needed to study issues affecting the practice of dentistry and the safety of the public and to make recommendations to the Board:

- a. Dental Practice Committee,

c. to hold meetings at least annually, but not more than ~~four (4)~~ six (6) times a year, and

- d. to work directly with the Allied Dental Education Committee in reviews and recommendations for equivalent dental hygiene programs; and

4. Members of the Committee shall be appointed by the Board and shall serve a term of three (3) years. Appointments shall be made so that approximately one-third (1/3 or 33%) of the Committee is reappointed at any given time. Members may be appointed for consecutive terms if recommended by the Board President and approved by the Board.

C. There shall be an Allied Dental Education Committee.

1. The Board President shall appoint all members of the Allied Dental Education Committee upon approval by the Board;

2. The Allied Dental Education Committee shall:

- a. review the standards and equivalency of in-state and out-of-state dental and auxiliary program requirements and make recommendations to the Board,
- b. evaluate individual credentials and programs for the purpose of issuing dental assistant expanded duty permits and dental hygiene advanced procedure permits from persons holding out-of-state licenses and permits based on CODA or DANB programs and criteria as defined by the State Dental Act and other statutes and shall make recommendations to the Board,
- c. recommend standards and guidelines and review criteria for all expanded duty programs or courses for dental assistants from CODA approved programs and non-CODA approved providers and advanced procedures of dental hygienists from CODA approved programs to the Board, and
- d. recommend and develop guidelines for classroom, electronic media and other forms of education and testing;

3. The Committee shall meet as deemed necessary by the Board President;

4. The Committee may have up to ten (10) members of whom three shall have a background in dental education. The Committee shall be composed of:

- a. the Board President or his or her designee who must be a current or past Board Member,
- b. the hygiene member of the Board or their designee who must be a current or past Board Member,
- c. the Dean of the University of Oklahoma College of Dentistry or his or her designee,
- d. up to seven at-large members, one of which must be an educator and one of which must have a current Certified Dental Assistant Permit.

D. The Board President shall have the authority to appoint other ad hoc committees as needed.

E. All Committee members of standing committees, the Hygiene Committee and the Allied Dental Education Committee shall serve staggered three-year terms and serve at the pleasure of the Board.

SECTION 3. AMENDATORY 59 O.S. 2011, Section 328.21, as last amended by Section 7, Chapter 229, O.S.L. 2015 (59 O.S. Supp. 2018, Section 328.21), is amended to read as follows:

B. 1. At the time of application, if the dentist has ever been licensed in any other state, he or she shall provide a letter of

good standing from such state before the Board may issue a specialty license.

2. In conducting an investigation of an applicant who has applied for a dental specialty license pursuant to this subsection, the Board shall require of the applicant disclosure of the same background information as is required of an applicant for a license to practice dentistry in this state.

C. Any person holding an Oklahoma specialty license that does not have an Oklahoma general dentistry license shall be limited to practicing that specialty for which they hold a license.

D. The Board may use the American Dental Association guidelines or the guidelines of another nationally recognized dental association or board for the purpose of defining a specialty practice area not otherwise defined herein.

SECTION 5. AMENDATORY 59 O.S. 2011, Section 328.23, as last amended by Section 5, Chapter 151, O.S.L. 2018 (59 O.S. Supp. 2018, Section 328.23), is amended to read as follows:

Section 328.23 A. The President of the Board, upon verification that a person meets the requirements provided for in this section and any other requirements provided for in the State Dental Act, may issue an emergency temporary license to practice dentistry for thirty (30) days. A temporary license may be extended but shall not exceed ninety (90) days or the next available regularly scheduled Board meeting.

B. The President of the Board, upon verification that a person meets the requirements provided for in the State Dental Act, may issue an emergency temporary license to practice dental hygiene, which shall expire as of the date of the next dental hygiene clinical examination in Oklahoma, as required by the Board.

C. An active duty military spouse residing with the active duty member having met the requirements for licensure shall be eligible for a temporary license.

D. Any applicant requesting an emergency temporary license shall submit a letter explaining the exigent circumstances along

with all application materials. The determination of whether or not to grant the emergency temporary license based upon the exigent circumstances shall be at the sole discretion of the President or acting President of the Board.

~~D.~~ E. A holder of a temporary license to practice dentistry or dental hygiene shall have the same rights and privileges and be governed by the State Dental Act and the rules of the Board in the same manner as a holder of a permanent license to practice dentistry and dental hygiene.

~~E.~~ F. The President of the Board may authorize patient treatment and care to individuals taking the Western Regional Examining Board Exam, or other regional exams as approved by the Board, to complete criteria related to Board examinations and may authorize specialty examinations to be given throughout the year as needed.

SECTION 6. AMENDATORY 59 O.S. 2011, Section 328.24, as last amended by Section 6, Chapter 151, O.S.L. 2018 (59 O.S. Supp. 2018, Section 328.24), is amended to read as follows:

Section 328.24 A. No person shall practice as a dental assistant or oral maxillofacial surgery assistant for more than one (1) day in a calendar year without having applied for a permit as a dental assistant or oral maxillofacial surgery assistant from the Board of Dentistry within thirty (30) days of beginning employment. During this time period, the dental assistant shall work under the direct visual supervision of a dentist at all times.

B. The application shall be made to the Board in writing and shall be accompanied by the fee established by the Board, together with satisfactory proof that the applicant:

1. Is of good moral character; and
2. Passes a background check with criteria established by the Board.

C. Beginning ~~January 1, 2019~~ January 1, 2020, every dental assistant receiving a permit shall complete a class on infection control as approved by the Board within one (1) year from the date

of receipt of the permit. Any person holding a valid dental assistant permit prior to ~~January 1, 2019~~ January 1, 2020, shall complete an infection-control class as approved by the Board before ~~December 31, 2019~~ December 31, 2020. Failure to complete the class shall be grounds for discipline pursuant to Section 328.29a of this title.

D. There shall be five types of expanded duty permits available for dental assistants upon completion of a program approved by the Commission on Dental Accreditation (CODA) or a course that has been approved by the Board:

1. Radiation safety;
2. Coronal polishing and topical fluoride;
3. Sealants;
4. Assisting in the administration of nitrous oxide; or

5. Assisting a dentist who holds a parenteral or pediatric anesthesia permit; provided, only the dentist may administer anesthesia and assess the patient's level of sedation.

E. The training requirements for all five expanded duty permits shall be set forth by the Board. A program that is not CODA-certified must meet the standards set forth and be approved by the Board.

F. An applicant for a dental assistant permit who has graduated from a dental assisting program accredited by CODA and has passed the jurisprudence test shall receive all five expanded duty permits provided for in subsection D of this section if the course materials approved by the Board are covered in the program.

G. A dental assistant who holds an out-of-state dental assistant permit with expanded duties may apply for credentialing and reciprocity for a dental assistant permit including any expanded duty by demonstrating the following:

1. The dental assistant has had a valid dental assistant permit in another state for a minimum of two (2) years and is in good standing;

2. The dental assistant has had a valid expanded duty in another state for a minimum of one (1) year; and

3. The dental assistant provides a certificate or proof of completion of an educational class for the expanded duty and that the dental assistant has been providing this treatment to dental patients while working as a dental assistant in a dental office for one (1) year.

H. Any person having served in the military as a dental assistant shall receive credentialing and reciprocity for expanded functions by demonstrating the following:

1. Proof of military service in excess of two (2) years with any certifications or training in the expanded function areas; and

2. Verification from the commanding officer of the medical program or the appropriate supervisor stating that the dental assistant provided the expanded functions on patients in the military dental facility for a minimum of one (1) year within the past five (5) years.

SECTION 7. AMENDATORY 59 O.S. 2011, Section 328.32, as last amended by Section 4, Chapter 113, O.S.L. 2016 (59 O.S. Supp. 2018, Section 328.32), is amended to read as follows:

Section 328.32 A. The following acts or occurrences by a dentist shall constitute grounds for which the penalties specified in Section 328.44a of this title may be imposed by order of the Board of Dentistry or be the basis for denying a new applicant any license or permit issued by the Board:

1. Pleading guilty or nolo contendere to, or being convicted of, a felony, a misdemeanor involving moral turpitude, any crime in which an individual would be required to be a registered sex offender under Oklahoma law, any violent crime, Medicaid fraud, insurance fraud, identity theft, embezzlement or a violation of federal or state controlled dangerous substances laws;

B. The provisions of the State Dental Act shall not be construed to prohibit any dentist from displaying or otherwise advertising that the dentist is also currently licensed, registered, certified, or otherwise credentialed pursuant to the laws of this state or a nationally recognized credentialing board, if authorized by the laws of the state or credentialing board to display or otherwise advertise as a licensed, registered, certified, or credentialed dentist.

SECTION 8. AMENDATORY 59 O.S. 2011, Section 328.34, as last amended by Section 8, Chapter 151, O.S.L. 2018 (59 O.S. Supp. 2018, Section 328.34), is amended to read as follows:

Section 328.34 A. A dental hygienist may practice dental hygiene under the supervision of a dentist in a dental office or treatment facility. A dentist may employ not more than the equivalent of three full-time dental hygienists for each dentist actively practicing in the same dental office. Employing the equivalent of three dental hygienists shall mean the employment or any combination of full- or part-time dental hygienists not to exceed one hundred twenty (120) hours per week per dentist.

B. 1. A dentist may delegate to a dental hygienist the following procedures:

- a. the duties and expanded duties authorized for dental assistants by the State Dental Act or the rules of the Board of Dentistry,
- b. health history assessment pertaining to dental hygiene,

- c. dental hygiene examination and the charting of intra-oral and extra-oral conditions, which include periodontal charting, dental charting and classifying occlusion,
- d. dental hygiene assessment and treatment planning for procedures authorized by the supervisory dentist,
- e. prophylaxis, which means the removal of any and all calcareous deposits, stains, accretions, or concretions from the supragingival and subgingival surfaces of human teeth, utilizing instrumentation by scaler or periodontal curette on the crown and root surfaces of human teeth, including rotary or power-driven instruments. This paragraph shall not be construed to prohibit the use of a ~~rubber cap~~ prophy/polishing cup or brush on the crowns of human teeth by a dental assistant who holds a current expanded duty permit for Coronal Polishing/Topical Fluoride issued by the Board,
- f. periodontal scaling and root planing,
- g. dental hygiene nutritional and dietary evaluation,
- h. placement of subgingival prescription drugs for prevention and treatment of periodontal disease,
- i. soft tissue curettage,
- j. placement of temporary fillings,
- k. removal of overhanging margins,
- l. dental implant maintenance,
- m. removal of periodontal packs,
- n. polishing of amalgam restorations, and
- o. other procedures authorized by the Board.

2. The procedures specified in subparagraphs b through o of paragraph 1 of this subsection may be performed only by a dentist or a dental hygienist.

3. Except as provided in subsections C and D of this section, the procedures specified in paragraph 1 of this subsection may be performed by a dental hygienist only on a patient of record and only under the supervision of a dentist. The level of supervision, whether direct, indirect or general, shall be at the discretion of the supervisory dentist. Authorization for general supervision shall be limited to a maximum of thirteen (13) months following an examination by the supervisory dentist of a patient of record. For the purposes of this paragraph, "patient of record" means an individual who has given a medical history and has been examined and accepted by a dentist for dental care.

C. 1. A dentist may authorize procedures to be performed by a dental hygienist, without complying with the provisions of paragraph 3 of subsection B of this section, if:

- a. the dental hygienist has at least two (2) years experience in the practice of dental hygiene,
- b. the authorization to perform the procedures is in writing and signed by the dentist, and
- c. the procedures are performed during an initial visit to a person in a treatment facility.

2. The person upon whom the procedures are performed must be referred to a dentist after completion of the procedures performed pursuant to paragraph 1 of this subsection.

3. A dental hygienist shall not perform a second set of procedures on a person pursuant to this subsection until the person has been examined and accepted for dental care by a dentist.

4. The treatment facility in which any procedure is performed by a dental hygienist pursuant to this subsection shall note each such procedure in the medical records of the person upon whom the procedure was performed and list the dentist that authorized the hygienist to perform the procedures signed by the hygienist.

D. A treatment facility may employ dental hygienists whose services shall be limited to the examination of teeth and the teaching of dental hygiene or as otherwise authorized by the Board.

E. The Board is authorized to:

1. Prescribe, by rule, advanced procedures that may be performed by a dental hygienist who has satisfactorily completed a course of study regarding the performance of such procedures. The advanced procedures shall include the administration of local anesthesia and the administration of nitrous oxide analgesia;

2. Establish guidelines for courses of study necessary for a dental hygienist to perform advanced procedures;

3. Issue authorization to perform advanced procedures to those dental hygienists who meet the eligibility requirements; and

4. Establish the level of supervision, whether direct, indirect or general, under which the advanced procedures may be performed.

F. A dental hygienist shall not own or operate an independent practice of dental hygiene.

G. Nothing in the State Dental Act shall be construed to prohibit a dentist from performing any of the procedures that may be performed by a dental hygienist.

H. Nothing in the State Dental Act shall be construed to allow a dental assistant to work under the supervision of a dental hygienist while acting under direct, indirect or general supervision.

SECTION 9. AMENDATORY 59 O.S. 2011, Section 328.41, as last amended by Section 11, Chapter 151, O.S.L. 2018 (59 O.S. Supp. 2018, Section 328.41), is amended to read as follows:

Section 328.41 A. 1. On or before the last day of December of each year, every dentist, dental hygienist, dental assistant, oral maxillofacial surgery assistant and other licensee or permit holders previously licensed or permitted by the Board to practice in this

state, with the exception of those listed in paragraph 2 of this subsection, shall submit a completed renewal application with information as may be required by the Board, together with an annual renewal fee established by the rules of the Board. Upon receipt of the annual renewal fee, the Board shall issue a renewal certificate authorizing the dentist, dental hygienist, dental assistant, or oral maxillofacial surgery assistant to continue the practice of dentistry or dental hygiene, respectively, in this state for a period of one (1) year. Every license or permit issued by the Board shall begin on January 1 and expire on December 31 of each year.

2. Beginning July 1, 2017, resident and fellowship permits shall be valid from July 1 through June 30 of each year and dental student intern permits shall be valid from August 1 through July 31 of each year.

B. Continuing education requirements shall be due at the end of each three-year period ending in 2019 as follows:

1. ~~Dentists shall complete sixty (60) hours;~~

2. ~~Hygienists shall complete thirty (30) hours;~~

3. ~~Oral maxillofacial surgery assistants shall complete twelve (12) hours~~ Beginning July 1, 2019, through June 30, 2021, continuing education requirements shall be due at the end of each two-year period as follows:

a. dentists shall complete forty (40) hours, including a one-time two-hour opioid and scheduled drug prescribing class,

b. hygienists shall complete twenty (20) hours,

c. oral maxillofacial surgery assistants shall complete eight (8) hours,

d. dental assistants shall have two (2) hours of infection control, and

e. any newly licensed dentist shall complete a two-hour opioid and scheduled drug prescribing class within one (1) year of obtaining licensure; and

~~4.~~ 2. Any newly licensed dentist shall complete a two-hour opioid and scheduled drug prescribing class within one (1) year of obtaining licensure; and

3. Beginning in 2020, continuing education requirements shall be due at the end of each two-year period as follows:

- a. dentists shall complete forty (40) hours, including a one-time, two-hour opioid and scheduled drug prescribing class,
- b. hygienists shall complete twenty (20) hours,
- c. OMS assistants shall complete eight (8) hours, and
- d. dental assistants shall have two (2) hours of infection control.

C. Upon failure of a dentist, dental hygienist, dental assistant, or oral maxillofacial surgery assistant to pay the annual renewal fee within two (2) months after January 1, the Board shall notify the dentist, dental hygienist, dental assistant, or oral maxillofacial surgery assistant in writing by certified mail to the last-known mailing address of the dentist, dental hygienist, dental assistant, or oral maxillofacial surgery assistant as reflected in the records of the Board.

D. Any dentist, dental hygienist, dental assistant, or oral maxillofacial surgery assistant whose license or permit is automatically canceled by reason of failure, neglect or refusal to secure the renewal certificate may be reinstated by the Board at any time within one (1) year from the date of the expiration of the license, upon payment of the annual renewal fee and a penalty fee established by the rules of the Board. If the dentist, dental hygienist, dental assistant, or oral maxillofacial surgery assistant does not apply for renewal of the license or permit and pay the required fees within one (1) year after the license has expired, then the dentist, dental hygienist, dental assistant, or oral

maxillofacial surgery assistant shall be required to file an application for and take the examination or other requirements provided for in the State Dental Act or the rules promulgated by the Board before again commencing practice.

E. The Board, by rule, shall provide for the remittance of fees otherwise required by the State Dental Act while a dentist or dental hygienist is on active duty with any of the Armed Forces of the United States.

F. In case of a lost or destroyed license or renewal certificate and upon satisfactory proof of the loss or destruction thereof, the Board may issue a duplicate, charging therefor a fee established by the rules of the Board.

G. A dentist, dental hygienist, oral maxillofacial surgery assistant or dental assistant that is in good standing and not under investigation that notifies the Board in writing of a voluntary nonrenewal of license or requests retirement status shall have a right to renew or reinstate his or her license within five (5) years from the date of notice. The Board may require any training or continuing education requirements to be met prior to reinstatement.

H. A dentist, dental hygienist, oral maxillofacial dental assistant or dental assistant that has not had an active license or permit in excess of five (5) years shall be required to apply as a new applicant.

I. Any application for a license or permit that has remained inactive for more than one (1) year shall be closed.

SECTION 10. AMENDATORY 59 O.S. 2011, Section 328.44a, as last amended by Section 25, Chapter 229, O.S.L. 2015 (59 O.S. Supp. 2018, Section 328.44a), is amended to read as follows:

Section 328.44a A. The Board of Dentistry is authorized, after notice and opportunity for a hearing pursuant to Article II of the Administrative Procedures Act, to issue an order imposing one or more of the following penalties whenever the Board finds, by clear and convincing evidence, that a dentist, dental hygienist, dental assistant, oral maxillofacial surgery assistant, dental laboratory technician, holder of a permit to operate a dental laboratory, or an

entity operating pursuant to the provisions of the Professional Entity Act or the State Dental Act has committed any of the acts or occurrences set forth in Sections 328.29, ~~329.29a~~ 328.29a, 328.32, 328.33, 328.39 and 328.39a of this title:

1. Refusal to issue a license or permit, or a renewal thereof, provided for in the State Dental Act;

2. Suspension of a license or permit issued by the Board for a period of time deemed appropriate by the Board;

3. Revocation of a license or permit issued by the Board;

4. Imposition of an administrative penalty not to exceed One Thousand Five Hundred Dollars (\$1,500.00) per violation;

5. Issuance of a censure;

6. Placement on probation for a period of time and under such terms and conditions as deemed appropriate by the Board;

7. Probation monitoring fees, which shall be the responsibility of the licensee on all probations; or

8. Restriction of the services that can be provided by a dentist or dental hygienist, under such terms and conditions as deemed appropriate by the Board.

B. A dentist, dental hygienist, dental assistant, oral maxillofacial surgery assistant, dental laboratory technician, or holder of a permit to operate a dental laboratory, against whom a penalty is imposed by an order of the Board pursuant to the provisions of this section, shall have the right to seek a judicial review of such order pursuant to Article II of the Administrative Procedures Act.

C. The Board may issue a summary suspension on a licensee or permit holder who is found guilty of a felony charge and is sentenced to incarceration in a state or federal facility.

SECTION 11. AMENDATORY 59 O.S. 2011, Section 328.51a, as last amended by Section 15, Chapter 151, O.S.L. 2018 (59 O.S. Supp. 2018, Section 328.51a), is amended to read as follows:
