6 upon the outstanding principal amount of bonds issued by a district
7 pursuant to Section 39-115 of this title; and

8 4. Fix penalties to be charged for delinquent payment of an
9 installment on an assessment.

10 B. After the publication of the ordinance ratifying an
11 assessment levied as provided in Section 39-111 of this title, the
12 assessment with any interest or penalty accruing on such assessment
13 shall constitute a lien upon the business or tract or parcel of land
14 so assessed. Such lien shall be coequal with the lien for ad
15 valorem taxes and the lien of other improvement districts, and be
16 superior to all other liens, claims and titles. Unmatured
17 installments are not deemed to be within the terms of any general
18 covenant or warranty. All purchasers, mortgagees or encumbrancers
19 of a tract or parcel of land so assessed shall acquire the tract or
20 parcel of land subject to the lien so created.

21 C. Within sixty (60) days after the publication of the
22 ordinance ratifying an assessment roll, the city clerk shall
23 prepare, sign, attest with the municipal seal and record in the
24

1 office of the county clerk a claim of lien for any unpaid amount due
2 and assessed against a tract or parcel of land.

3 D. Any tract or parcel so assessed shall not be relieved from
4 the assessment or lien by the sale of the tract or parcel of land
5 for taxes or any other assessment, subject to the provisions of
6 Section 39-119 of this title. The statute of limitations shall not
7 begin to run against an assessment until after the last installment
8 of the assessment becomes due.

9 E. The fact that an improvement is omitted in front of any
10 tract or parcel of land does not invalidate a lien or assessment
11 made against any other tract or parcel of land.

12 F. A delinquent installment of an assessment shall be
13 foreclosed and the tract or parcel of land concerned be sold in the
14 manner provided by law for foreclosure of mortgages on land. If, at
15 the sale, there is no better bidder for the tract or parcel of land
16 the municipality shall bid in the tract or parcel of land for the
17 amount due on the assessment plus any interest, penalties or costs
18 which have accrued against the assessment. Any real estate sold
19 under any order, judgment or decree of court to satisfy the lien may
20 be redeemed by the owner or his or her assignee at any time within
21 one (1) year of the date of sale by paying to the purchaser thereof
22 or assignee the amount paid with interest from the date of purchase
23 at the rate of twelve percent (12%) per annum.
