16 and Algebra II at the secondary level shall complete an end-of-
17 instruction test, when implemented, to measure for attainment in the

20 the tests prior to graduation, unless otherwise exempt by law. The
21 State Board of Education shall administer the criterion-referenced
22 tests. The Board shall develop and field test the end-of-
23 instruction tests in English III, Geometry, and Algebra II during
24 the 2006-07 school year, implement the tests during the 2007-08

1 school year, and administer them each year thereafter. The Board
2 shall administer the multiple choice portion of the end-of-
3 instruction tests online with raw score test results reported
4 immediately and complete results reported in less than two (2) weeks
5 beginning in the 2008-09 school year.

6 The end-of-instruction tests shall serve the purpose of the
7 criterion-referenced tests as provided in paragraph 1 of this
8 subsection. The English II and English III end-of-instruction tests
9 shall include a writing component. Students who do not score at
10 least at the proficient level shall be afforded the opportunity to
11 retake each test up to three (3) times each calendar year until at

13 indication of the levels of competency attained by the student in a
14 permanent record for potential future employers and institutions of
15 higher education, for students who enter the ninth grade in or prior
16 to the 2007-08 school year, school districts shall report the

1 in this paragraph shall be administered the appropriate end-of-
2 instruction test.

3 ~~7. a. Each school district shall administer to each student~~
4 ~~in the school district in grades three through eight~~
5 ~~an assessment designed to assess the student in the~~
6 ~~fine arts area in which the student has received~~
7 ~~instruction.~~

8 ~~b. Each school district shall prepare an annual report~~
9 ~~for approval by the State Board of Education outlining~~
10 ~~the fine arts assessment strategies used by the~~
11 ~~district, when the assessments were administered, how~~
12 ~~many students were assessed during the previous year,~~
13 ~~and the results of the assessments.~~

14 B. 1. All criterion-referenced tests required by this section
15 shall measure academic competencies in correlation with the subject
16 matter standards adopted by the Board pursuant to Sections 11-103.6
17 and 11-103.6a of this title. The State Board of Education shall
18 evaluate the subject matter standards to ensure the competencies
19 reflect high standards, are specific, well-defined, measurable,
20 challenging, and will prepare elementary students for next-grade-
21 level course work and secondary students for postsecondary studies
22 at institutions of higher education or technology center schools
23 without the need for remediation. All subject matter standards

24

1 shall reflect the goals as set forth in Section 11-103.6 of this
2 title and of improving the state average ACT score.

3 2. The State Department of Education shall annually evaluate
4 the results of the criterion-referenced tests. The State Board of
5 Education shall ensure that test results are reported to districts
6 in a manner that yields detailed, diagnostic information for the
7 purpose of guiding instruction and student remediation. As
8 improvements are made to the criterion-referenced tests required by
9 this section, the Board shall seek to increase the depth of
10 knowledge assessed for each subject. The State Board of Education
11 shall seek to ensure that data yielded from the tests required in
12 this section are utilized at the school district level to prescribe
13 reinforcement and/or remediation by requiring school districts to
14 develop and implement a specific program of improvement based on the
15 test results.

16 3. The State Board of Education in coordination with the Office
17 of Educational Quality and Accountability shall review, realign, and
18 recalibrate, as necessary, the tests in reading/English language
19 arts and mathematics in third through eighth grade and the end-of-
20 instruction tests. The Commission for Educational Quality and
21 Accountability shall determine the cut scores for the performance
22 levels on the end-of-instruction tests developed pursuant to
23 paragraph 6 of subsection A of this section. The Commission shall
24 conduct an ongoing review to compare the end-of-instruction test

1 content and performance descriptors with those of other states.
2 Upon receipt of the review, the Commission may adjust the cut scores
3 as necessary.

4 4. The State Board of Education, for the purposes of conducting
5 reliability and validity studies, monitoring contractor adherence to
6 professionally accepted testing standards, and providing
7 recommendations for testing program improvement, shall retain the
8 services of an established, independent agency or organization that
9 is nationally recognized for its technical expertise in educational
10 testing but is not engaged in the development of aptitude or
11 achievement tests for elementary or secondary level grades. These
12 national assessment experts shall annually conduct studies of the
13 reliability and validity of the end-of-instruction tests
14 administered pursuant to this section. Validity studies shall
15 include studies of decision validity and concurrent validity.

16 C. 1. The State Board of Education shall set the testing
17 window dates for each criterion-referenced test required in
18 paragraphs 1 through 5 of subsection A of this section for grades
19 three through eight so that, ~~with the exception of the writing~~
20 ~~assessments,~~ the tests are administered to students no earlier than
21 April 10 each year and so that the test results are reported back to
22 school districts in a timely manner. Each criterion-referenced test
23 required in paragraph 6 of subsection A of this section may be
24 administered to students at a time set by the State Board of

1 Education as near as possible to the end of the course; provided, if
2 a school district is unable to administer the tests online to all
3 students taking the test for the first time and all students
4 retaking the test during the testing window time set by the Board,
5 the school district may elect to administer any of the tests to
6 students retaking the test at any time not more than two (2) weeks
7 prior to the start of the testing window time set by the Board. All
8 results and reports of the criterion-referenced test series required
9 in paragraphs 1 through 5 of subsection A of this section for grades
10 three through eight shall be returned to each school district prior
11 to the beginning of the next school year. The vendor shall provide
12 a final electronic data file of all school site, school district,
13 and state results to the State Department of Education and the
14 Office of Educational Quality and Accountability prior to September
15 1 of each year. The Department shall forward the final data files
16 for each school district and each school site in that district to
17 the school district. The Board shall ensure the contract with the
18 testing vendor includes a provision that the vendor report test
19 results directly to the Office of Educational Quality and
20 Accountability at the same time it is reported to the Board.

21 2. State, district, and site level results of all tests
22 required in this section shall be disaggregated by gender, race,
23 ethnicity, disability status, migrant status, English proficiency,
24 and status as economically disadvantaged, except that such

1 disaggregation shall not be required in a case in which the number
2 of students in a category is insufficient to yield statistically
3 reliable information or the results would reveal personally
4 identifiable information about an individual student. Each school
5 site shall notify the student's parents of the school's performance
6 levels in the Oklahoma School Testing Program as reported in the
7 Oklahoma Educational Indicators Program at the end of each school
8 year.

9 D. The State Board of Education shall be responsible for the
10 development, field-testing, and validation of the criterion-
11 referenced test series required in subsection A of this section. In
12 the interest of economy the Board may participate in a multistate or
13 multigovernmental cooperative pursuant to the requirements of The
14 Oklahoma Central Purchasing Act, but shall not bind the state,
15 contractually or otherwise, to the authority of any other state,
16 organization or entity which may supersede the authority of the
17 Board, for the purpose of adapting criterion-referenced tests, to
18 the extent that such tests are appropriate for use in the testing
19 program to be administered to Oklahoma students.

20 E. The State Board of Education shall develop, administer, and
21 incorporate as a part of the Oklahoma School Testing Program, other
22 testing programs or procedures, including appropriate accommodations
23 for the testing of students with disabilities as required by the
24

1 Individuals with Disabilities Education Act (IDEA), 20 USC, Section
2 1400 et seq.

3 F. For purposes of developing and administering alternate
4 assessments for students with the most significant cognitive
5 disabilities, the State Board of Education shall not be subject to
6 subsections D and E of Section 11-103.6a of this title.

7 ~~SECTION 2. This act shall become effective July 1, 2015.~~

8 ~~SECTION 3. It being immediately necessary for the preservation~~
9 ~~of the public peace, health and safety, an emergency is hereby~~
10 ~~declared to exist, by reason whereof this act shall take effect and~~
11 ~~be in full force from and after its passage and approval.~~
