Section 6-101.25. A. Whenever a superintendent decides to recommend that a teacher employed within the school district be dismissed or not reemployed, the superintendent shall state the recommendation in writing, setting forth the basis for the recommendation, and shall submit such recommendation to the board of education.

If the teacher subject to such recommendation is a career teacher, the recommendation shall specify the statutory grounds for which the recommendation is based.

The superintendent shall also specify the underlying facts supporting the recommendation.

Failure to forward a copy of the recommendation to the State Board of Education shall not be the basis for any claim or action against a public school, its board of education, employees, agents or other representatives. If the school district forwards a copy of the recommendation to the State Board of Education, the school district shall contemporaneously forward a copy to the teacher subject to such recommendation. The teacher may provide supplementary information to the State Board of Education.
