8 2. All Social Security numbers included in a record may be
9 confidential regardless of the person's status as a public employee
10 or private individual and may be redacted or deleted prior to
11 release of the record by the public body;

12 3. Any reasonably segregable portion of a record containing
13 exempt material shall be provided after deletion of the exempt
14 portions; provided however, the Department of Public Safety shall
15 not be required to assemble for the requesting person specific
16 information, in any format, from driving records relating to any
17 person whose name and date of birth or whose driver license number
18 is not furnished by the requesting person.

19 The Oklahoma State Bureau of Investigation shall not be required
20 to assemble for the requesting person any criminal history records
21 relating to persons whose names, dates of birth, and other
22 identifying information required by the Oklahoma State Bureau of
23 Investigation pursuant to administrative rule are not furnished by

2 for the record is otherwise set by law.

3 Any public body establishing fees under this act shall post a
4 written schedule of the fees at its principal office and with the
5 county clerk.

6 In no case shall a search fee be charged when the release of
7 records is in the public interest, including, but not limited to,
8 release to the news media, scholars, authors and taxpayers seeking
9 to determine whether those entrusted with the affairs of the
10 government are honestly, faithfully, and competently performing
11 their duties as public servants.

12 The fees shall not be used for the purpose of discouraging
13 requests for information or as obstacles to disclosure of requested
14 information;

15 5. The land description tract index of all recorded instruments
16 concerning real property required to be kept by the county clerk of
17 any county shall be available for inspection or copying in
18 accordance with the provisions of the Oklahoma Open Records Act;
19 provided, however, the index shall not be copied or mechanically
20 reproduced for the purpose of sale of the information;

21 6. A public body must provide prompt, reasonable access to its
22 records but may establish reasonable procedures which protect the
23 integrity and organization of its records and to prevent excessive
24 disruptions of its essential functions. A delay in providing access

1 to records shall be limited solely to the time required for
2 preparing the requested documents and the avoidance of excessive
3 disruptions of the public body's essential functions. In no event
4 may production of a current request for records be unreasonably
5 delayed until after completion of a prior records request that will
6 take substantially longer than the current request. Any public body
7 which makes the requested records available on the Internet shall
8 meet the obligation of providing prompt, reasonable access to its
9 records as required by this paragraph; and

10 7. A public body shall designate certain persons who are
11 authorized to release records of the public body for inspection,
