- (10) any payments not described in divisions (1) through (9) of this subparagraph shall not be considered paid base salary if paid after severance from employment, even if they are paid

22. "Actuarial equivalent" means equality in value of the aggregate amounts expected to be received based on interest rate and mortality assumptions set by the State Board, in a manner that precludes employer discretion, and based upon recommendations from independent professional advisors, and which shall be published annually in the actuarial report.

SECTION 3. AMENDATORY 11 O.S. 2021, Section 50-115, is amended to read as follows:

Section 50-115. A. The State Board is authorized to pay a disability benefit to a member of the System or a pension to the beneficiaries of such member eligible as hereinafter provided, not exceeding the accrued retirement benefit of the member, except as otherwise provided in this article. Such disability benefit shall be payable immediately upon determination of eligibility. Any preexisting condition identified at the time of any initial or subsequent membership shall be used to offset the percentage of impairment to the whole person in determining any disability benefit. Once the initial disability benefit has been awarded by the Board on the basis of the percentage of impairment to the whole person, the member shall have no further recourse to increase the awarded percentage of impairment.

B. In order for any member to be eligible for any disability benefit, or the member's beneficiaries to be eligible for a pension, the member must have complied with any agreement as to contributions by the member and other members to any funds of the System where ~~said~~ the agreement has been made as provided by this article; and the State Board must find:

1. That the member incurred a permanent total disability or a permanent partial disability or died while in, and in consequence of, the performance of duty as an officer; or

2. That such member has served ten (10) years and incurred a permanent total disability or a permanent partial disability or has died from any cause.

C. In the event of the death of any member who has been awarded a disability benefit or is eligible therefor as provided in this article, the member's beneficiary shall be paid the benefit.

D. 1. ~~As of the date of determination by the State Board that a member is physically or mentally disabled and that the disability is permanent and partial or permanent and total as was incurred while in, and in consequence of, the performance or duty as an officer has a permanent in-line disability, the member shall be awarded a normal disability benefit on the basis of the percentage of impairment to the whole person, as defined by the most current standards of the impairment as outlined in the "American Medical Association's Guides to the Evaluation of Permanent Impairment", as~~

~~provided in the following table or as prescribed by paragraph 2 of this subsection with respect to injuries sustained as a result of a violent act:~~

1% to 49% impairment to whole person =	50% of the normal disability benefit
50% to 74% impairment to whole person =	75% of the normal disability benefit
75% to 100% impairment to whole person =	100% of the normal disability benefit, as defined in Section 50-101 of this title.

2. If an injury to a member results from a violent act as defined by this paragraph while in the performance of his or her duties as a police officer, the State Board shall make a determination that the member has sustained a one-hundred-percent disability and shall make the benefit award in accordance with that standard. As used in this paragraph, "violent act" means a violent attack upon the member by means of a dangerous weapon, including, but not limited to, a firearm, knife, automobile, explosive device or other dangerous weapon.

E. If the participating municipality denies a disabled member the option of continuing employment instead of retiring on a disability pension, then the burden of proof rests with the participating municipality to show cause to the State Board that there is no position as a sworn officer within the police department of that municipality which the member can fill.

F. Upon determination by the State Board that a member is physically or mentally disabled and that the disability is permanent and total and that the member has completed ten (10) years of credited service and is disabled by any cause, the member shall receive a disability benefit on the basis of the member's accrued retirement benefit. A permanent and total impairment equates to one hundred percent (100%) of accrued retirement benefit.

G. Upon determination by the State Board that a member is physically or mentally disabled and that the disability is permanent and partial and that the member has completed ten (10) years of credited service as a member and is disabled from any cause, the

member shall be awarded a disability benefit on the basis of the member's years of credited service as a member and the percentage of impairment to the whole person, as defined by the ~~most current~~ standards of the impairment as outlined in the "American Medical Association's Guides to the Evaluation of Permanent Impairment", on the basis of the following table:

~~1% to 24% impaired = 25% of accrued retirement benefit~~
 25% to 49% impaired = 50% of accrued retirement benefit
 50% to 74% impaired = 75% of accrued retirement benefit
 75% to 99% impaired = ~~90%~~ 100% of accrued retirement benefit.

H. Before making a finding as to the disability of a member, the State Board shall require that, if the member is able, the member shall make a certificate as to the disability which shall be subscribed and sworn to by the member. It shall also require a certificate as to such disability to be made by some physician licensed to practice in this state as selected by the State Board. The State Board may require other evidence of disability before making the disability benefit. The salary of any such member shall continue while the member is so necessarily confined to such hospital bed or home and necessarily requires medical care or professional nursing on account of such sickness or disability for a period of not more than six (6) months, after which ~~said~~ the period the other provisions of this article may apply. The State Board, in making disability benefits, shall act upon the written request of the member or without such request, if it deem it for the good of the police department. Any disability benefits shall cease when the member receiving same shall be restored to active service at a salary not less than three-fourths (3/4) of the member's average monthly salary.

I. Any member of a police department of any municipality who, in the line of duty, has been exposed to hazardous substances, including but not limited to chemicals used in the manufacture of a controlled dangerous substance or chemicals resulting from the manufacture of a controlled dangerous substance, or to blood-borne pathogens and who is later disabled from a condition that was the result of such exposure and that was not revealed by the physical

examination passed by the member upon entry into the System shall be presumed to have incurred such disability while performing the officer's duties unless the contrary is shown by competent evidence. The presumption created by this subsection shall have no application whatever to any workers' compensation claim or claims, and it shall not be applied or be relied upon in any way in workers' compensation proceedings. All compensation or benefits due to any member pursuant to the presumption created by this subsection shall be paid solely by the system.

J. If the requirements of Section 50-114.4 of this title are satisfied, a member who, by reason of disability, is separated from service as a public safety officer with the member's participating municipality, may elect to have payment made directly to the provider for qualified health insurance premiums by deduction from his or her monthly disability benefit, after December 31, 2006, in accordance with Section 402(1) of the Internal Revenue Code of 1986, as amended.

SECTION 4. Section 1 of this act shall become effective October 1, 2022.

SECTION 5. Sections 2 and 3 of this act shall become effective November 1, 2022.
