        SECTION 1.
                       AMENDATORY 63 O.S. 2011, Section 2-103, as
 2
    last amended by Section 1, Chapter 305, O.S.L. 2015 (63 O.S. Supp.
    2016, Section 2-103), is amended to read as follows:
 3
        Section 2-103. A. The Director shall be appointed by the
 4
 5
    Oklahoma State Bureau of Narcotics and Dangerous Drugs Control
    Commission. The Director of Narcotics and Dangerous Drugs Control
 6
 7
    on January 1, 1984, shall be initially appointed as Director.
                                                                   The
    succeeding Director shall, at the time of the appointment, have a
 8
 9
    Bachelor's Degree from an accredited college or university and at
10
    least five (5) years of experience in drug law enforcement.
11
    Director may appoint necessary assistants, agents, and other
12
    personnel to perform the work of the office and may prescribe their
    titles and duties and fix their compensation pursuant to Merit
13
    System rules. The Director may appoint employees to the positions
14
    of Chief of Law Enforcement Information and Technology, Public
15
    Information/Education Officer, Training Officer, Program
16
    Administrators, Grants Administrator, Criminal Analysts, Legal
17
    Secretary, and Typist Clerk/Spanish Transcriptionists. The
18
    positions shall be unclassified and exempt from the rules and
19
    procedures of the Office of Management and Enterprise Services,
20
    except leave regulations. The office of the Director shall be
21
    located at a suitable place in Oklahoma City, Oklahoma.
22
            1. Agents appointed by the Director shall have the powers
23

of peace officers generally; provided, the Director may appoint

- special agents and reserve special agents, who shall be unclassified employees of the state, to meet specific investigatory needs.

  Special agents and reserve special agents shall not be required to meet the age and educational requirements as specified in this
- 2. Agents appointed on and after November 1, 1998, shall be at least twenty-one (21) years of age and shall have a Bachelor's

  Degree from an accredited college or university.

section.

- 3. Each entering agent, with the exception of special agents, shall be required to serve one (1) year in a probationary status as a prerequisite to being placed on permanent status.
- C. Agents appointed pursuant to the provisions of this section shall have the responsibility of investigating alleged violations and shall have the authority to arrest those suspected of having violated the provisions of the Uniform Controlled Dangerous Substances Act, as well as the crimes of money laundering and human trafficking, as otherwise set forth by laws of this state.
- D. The Director may appoint reserve special agents who shall not be considered employees of the state and shall serve at the will of the Director. Reserve special agents shall complete a minimum of one hundred sixty (160) two hundred forty (240) hours of training pursuant to Section 3311 of Title 70 of the Oklahoma Statutes and may not serve more than one hundred forty (140) hours per calendar month. Upon completion of training, reserve special agents

appointed by the Director shall have general peace officer powers and the authority to arrest those suspected of having violated the provisions of the Uniform Controlled Dangerous Substances Act. The agency may expend funds related to training and special reserve agents may receive travel expenses pursuant to the State Travel Reimbursement Act.

- E. A commissioned employee of the Oklahoma State Bureau of Narcotics and Dangerous Drugs Control shall be entitled to receive, upon retirement by reason of length of service, the continued custody and possession of the sidearm and badge carried by such employee immediately prior to retirement.
- F. A commissioned employee of the Bureau may be entitled to receive, upon retirement by reason of disability, the continued custody and possession of the sidearm and badge carried by such employee immediately prior to retirement upon written approval of the Director.
- G. Custody and possession of the sidearm and badge of a commissioned employee killed in the line of duty may be awarded by the Director to the spouse or next of kin of the deceased employee.
- H. Custody and possession of the sidearm and badge of a commissioned employee who dies while employed at the Oklahoma State Bureau of Narcotics and Dangerous Drugs Control may be awarded by the Director to the spouse or next of kin of the deceased employee.

Req. No. 1867

```
I. Any Director appointed on or after July 1, 2003, shall be eligible to participate in either the Oklahoma Public Employees

Retirement System or in the Oklahoma Law Enforcement Retirement

2. At the request of any person, the Director may exempt any other product containing Gamma-Butyrolactone, Gamma Hydroxyvalerate, Gamma Valerolactone, or 1,4 Butanediol from being included as a Schedule I controlled substance if such product is labeled, marketed, manufactured and distributed for legitimate industrial use in a manner that reduces or eliminates the likelihood of abuse.

- 3. In making a determination regarding an industrial product, the Director, after notice and hearing, shall consider the following:
  - a. the history and current pattern of abuse,
  - b. the name and labeling of the product,
  - c. the intended manner of distribution, advertising and promotion of the product, and
  - d. other factors as may be relevant to and consistent with the public health and safety.
- 4. The hearing shall be held in accordance with the procedures of the Administrative Procedures Act.
- F. Any material, compound, mixture, or preparation, whether produced directly or indirectly from a substance of vegetable origin or independently by means of chemical synthesis, or by a combination of extraction and chemical synthesis, that contains any quantity of the following substances, or that contains any of their salts, isomers, and salts of isomers when the existence of these salts,

  - Section 2-206. The controlled substances listed in this section are included in Schedule II.
  - A. Any of the following substances except those narcotic drugs listed in other schedules whether produced directly or indirectly by extraction from substances of vegetable origin, or independently by means of chemical synthesis, or by combination of extraction and chemical synthesis:
  - 1. Opium and opiate, and any salt, compound, derivative, or preparation of opium or opiate;
  - 2. Any salt, compound, isomer, derivative, or preparation thereof which is chemically equivalent or identical with any of the

- substances referred to in paragraph 1 of this subsection, but not including the isoquinoline alkaloids of opium;
  - 3. Opium poppy and poppy straw; or
  - 4. Coca leaves except coca leaves and extracts of coca leaves from which cocaine, ecgonine, and derivatives of ecgonine or their salts have been removed; cocaine, its salts, optical and geometric isomers, and salts of isomers; ecgonine, its derivatives, their salts, isomers and salts of isomers; or any compound, mixture or preparation which contains any quantity of any of the substances referred to in this paragraph. <u>Ioflupane is excluded from this</u> paragraph.
- B. Any of the following opiates, including their isomers,
  esters, ethers, salts, and salts of isomers, esters and ethers, when
  the existence of these isomers, esters, ethers, and salts is
  possible within the specific chemical designation:
  - Alphaprodine;

- n. Vatronal Nose Drops.
  - 2. At the request of any person, the Director may exempt any other drug product containing ephedrine from being included as a Schedule IV controlled substance if such product:
    - a. is labeled and marketed in a manner consistent with the pertinent OTC tentative final or final monograph issued by the FDA, and
    - b. is manufactured and distributed for legitimate medicinal use and in a manner that reduces or eliminates the likelihood of abuse.
  - 3. In making a determination regarding a drug product, the Director, after notice and hearing, shall consider the following:
    - a. the history and current pattern of abuse,
    - b. the name and labeling of the product,
    - c. the intended manner of distribution, advertising and promotion of the product, and
    - d. other factors as may be relevant to and consistent with the public health and safety.
  - 4. The hearing shall be held in accordance with the Administrative Procedures Act.
- 5. A list of current drug products meeting exemption
  requirements under this subsection may be obtained from the Bureau
  upon written request.

C. The Board of Pharmacy may except by rule any compound, mixture, or preparation containing any depressant substance listed in subsection A of this section from the application of all or any part of the Uniform Controlled Dangerous Substances Act, Section 2-101 et seq. of this title, if the compound, mixture, or preparation contains one or more active medicinal ingredients not having a depressant effect on the central nervous system, and if the admixtures are included therein in combinations, quantity, proportion, or concentration that vitiate the potential for abuse of the substances which have a depressant effect on the central nervous system.

12 SECTION 5. AMENDATORY 63 O.S. 2011, Section 2-502, is amended to read as follows:

Section 2-502. A. Prescriptions, orders, and records, required by this act, and stock of substances specified in this act shall be open for inspection only to specifically designated or assigned state, county, and municipal officers, whose duty it is to enforce the laws of this state relating to controlled dangerous substances.

The Director of the Oklahoma State Bureau of Narcotics and Dangerous Drugs Control may designate noncommissioned personnel as compliance inspectors for the purpose of conducting inspections as contemplated herein. No officer person having knowledge by virtue of his or her office of any such prescription, order or record shall divulge such knowledge, except where such use is appropriate to the proper

misuse and abuse of controlled dangerous substances or in connection with a prosecution or proceeding in court or before a licensing or registration board or officer, to which prosecution or proceeding the person to whom such prescriptions, orders, or records relate is a party.

- B. Any peace officer or agency charged with administration of this act is authorized to make administrative inspections of controlled premises in accordance with the following provisions:
  - 1. For purposes of this act only, "controlled premises" means:
    - places where persons registered or exempted from registration requirements under this act are required to keep records;, and
    - b. places including factories, warehouses, establishments, and conveyances where persons registered or exempted from registration requirements under this act are permitted to hold, manufacture, compound, process, sell, deliver, or otherwise dispose of any controlled dangerous substance.
- 2. This section shall not be construed to prevent the inspection of books and records pursuant to the provisions of this act; nor shall this section be construed to prevent entries and administrative inspections at reasonable times without a warrant:

1 with the consent of the owner, operator, or agent in 2 charge of the controlled premises; in situations presenting imminent danger to health or 3 b. safety<del>,</del>, 4 5 in situations involving inspection of conveyances where there is reasonable cause to believe that the 6 7 mobility of the conveyance makes it impracticable to obtain a warrant+, 8 9 d. in any other exceptional or emergency circumstance where time or opportunity to apply for a warrant is 10 11 lacking+, and in all other situations where a warrant is not 12 e. constitutionally required. 13 Except when the owner, operator, or agent in charge of the 14 controlled premises so consents in writing, no inspection authorized 15 by this section shall extend to: 16 financial data+, 17 a. sales data other than shipment data+, or 18 pricing data. 19 C. SECTION 6. It being immediately necessary for the preservation 20 of the public peace, health or safety, an emergency is hereby 21 22 23
