13 the beneficiary's geographic area or lessens the burdens of
14 government of the beneficiary and which does not solely provide a
15 benefit by generating administrative fees.

16 C. A municipality may convey title to real property which is
17 used for an airport to the trustees of an industrial development
18 authority trust whose beneficiary is the municipality. The
19 industrial development authority trust must already have the

24 section, the trust shall not incur an indebtedness or obligation

1 until the indebtedness or obligation has been approved by a two-

17 (3/4) of the trustees, and a three-fourths (3/4) vote of the
18 governing body of the beneficiary, unless the beneficiary is a
19 county in which case a two-thirds (2/3) vote of the members of the
20 governing body shall be required, or three-fourths (3/4) vote of the
21 governing bodies of each of the beneficiaries of the trust, unless
22 one of the beneficiaries is a county in which case a two-thirds
23 (2/3) vote of the members of the governing body of such county shall
24 be required. No bonds shall be sold for less than par value, except

1 upon approval of three-fourths (3/4) of the trustees, unless the
2 beneficiary is a county in which case a two-thirds (2/3) vote of the
3 members of the governing body shall be required. In no event shall
4 bonds be sold for less than sixty-five percent (65%) of par value;
5 provided, however, in no event shall the original purchaser from the
6 issuer of any bonds issued by any public trust for any purpose

10 and further provided, that the average coupon rate thereon shall in
11 no event exceed fourteen percent (14%) per annum. No public trust

16 alternative financing structure or structures showing the estimated
17 total interest and principal cost of each alternative. At least one
18 alternative financing structure shall include bonds sold to the
19 public at par. Any estimates shall be considered a public record of
20 the public trust. Bonds, notes or other evidences of indebtedness
21 issued by any public trust shall be eligible for purchase by any
22 state banking association or corporation subject to such limitations
23 as to investment quality as may be imposed by regulations, rules or
24 rulings of the State Banking Commissioner.

1 H. Public trusts created pursuant to this section shall file
2 annually, with their respective beneficiaries, copies of financial
3 documents and reports sufficient to demonstrate the fiscal activity
4 of such trust, including, but not limited to, budgets, financial
5 reports, bond indentures, and audits. Amendments to the adopted
6 budget shall be approved by the trustees of the public trust and
7 recorded as such in the official minutes of such trust.

23 and entered into without public notice or competitive bids; provided
24 that the provisions of this subsection shall not apply to contracts

1 of industrial and cultural trusts. Notwithstanding the provisions
2 of this subsection, equipment or materials may be purchased by a
3 public trust directly from any contract duly awarded by this state
4 or any state agency under The Oklahoma Central Purchasing Act, or
5 from any contract duly awarded by a governmental entity which is the
6 beneficiary of the public trust.

7 J. Any public trust created pursuant to the provisions of this
8 section shall have the power to acquire lands by use of eminent
9 domain in the same manner and according to the procedures provided
10 for in Sections 51 through 65 of Title 66 of the Oklahoma Statutes.

12 replication is fully vetted, and the academic, financial and
13 operational records of the schools it operates are found to be

20 shall be held in an open public session. If the board of education
21 of a school district votes to approve a conversion plan, the board
22 shall notify the State Board of Education within sixty (60) days
23 after the vote. The notification shall include a copy of the

4 accountability measures as are required of a charter school as
5 defined in subsection D of this section. The provisions of Sections
6 3-140 and 3-142 of this title shall not apply to a conversion
7 school. Conversion schools shall comply with the same laws and
8 State Board of Education rules relating to student enrollment which
9 apply to traditional public schools. Conversion schools shall be
10 funded by the board of education of the school district as a school
11 site within the school district and funding shall not be affected by
12 the conversion of the school.

13 4. The board of education of a school district may vote to
14 revert a conversion school back to a traditional public school at
15 any time; provided, the change shall only occur during a break
16 between school years.

19 public school.

20 F. A charter school may consist of a new school site, new
