38 **continuously appropriated to the Department of Education for distribution as provided by**
39 **section 1 of this 2015 Act.**

40 **SECTION 4. Section 3 of this 2015 Act and the amendments to section 1 of this 2015 Act**
41 **by section 2 of this 2015 Act become operative on July 1, 2017.**

42 **SECTION 5.** ORS 326.500 is amended to read:

43 326.500. (1) The STEM Investment Council is established. The council shall function under the
44 direction and control of the Oregon Education Investment Board established by section 1, chapter
45 519, Oregon Laws 2011.

1 (2)(a) The council is established for the purpose of assisting the Chief Education Officer in de-
2 veloping and overseeing a long-term strategy that advances the following educational goals related
3 to science, technology, engineering and mathematics:

4 (A) Double the percentage of students in 4th and 8th grades who are proficient or advanced in
5 mathematics and science, as determined using a nationally representative assessment of students'
6 knowledge in mathematics and science; and

7 (B) Double the number of students who earn a post-secondary degree requiring proficiency in
8 science, technology, engineering or mathematics.

9 (b) Achievement of the goals described in paragraph (a) of this subsection shall be determined
10 based on a comparison between the 2014-2015 school year or academic year and the 2024-2025 school
11 year or academic year.

12 (3) To advance the educational goals described in subsection (2) of this section, the council shall
13 make recommendations to *[the Chief Education Officer regarding]*:

14 (a) The **Chief Education Officer regarding the** administration of the STEM Investment Grant
15 Program established in ORS 327.380; *[and]*

16 (b) **The Superintendent of Public Instruction regarding the distribution of moneys under**
17 **section 1 of this 2015 Act; and**

18 *[(b)]* (c) **The Chief Education Officer regarding** other investments in science, technology, en-
19 gineering and mathematics that are made or overseen by the Oregon Education Investment Board.

20 (4) The council consists of nine members from the private sector who are appointed by the Chief
21 Education Officer and serve at the pleasure of the Chief Education Officer.

22 (5) To aid and advise the council in the performance of the council's duties, the council:

23 (a) Shall recruit educators and administrators from kindergarten through grade 12 and from
24 post-secondary education to be nonvoting advisory members of the council;

25 (b) May recruit nonvoting advisory members to the council who are in addition to the members
26 identified in paragraph (a) of this subsection; and

27 (c) May establish advisory and technical committees that the council considers necessary.

28 (6)(a) The Chief Education Officer shall appoint a council director. The council director shall
29 serve at the pleasure of the Chief Education Officer.

30 (b) Except as otherwise directed by the Chief Education Officer, the activities of the council
31 shall be directed and supervised by the council director.

32 (7) Members of the council are not entitled to compensation or reimbursement for expenses and
33 serve as volunteers of the council.

34 (8) The council shall report annually to the Oregon Education Investment Board and the Leg-
35 islative Assembly on the progress made toward achieving the goals described in subsection (2) of
36 this section and the distribution of funds under the STEM Investment Grant Program.

37 **SECTION 6.** ORS 326.500, as amended by section 4, chapter 739, Oregon Laws 2013, is amended
38 to read:

39 326.500. (1) The STEM Investment Council is established. The council shall function under the
40 joint direction and control of the State Board of Education and the State Board of Higher Education.

41 (2)(a) The council is established for the purpose of assisting the Superintendent of Public In-
42 struction, the Commissioner for Community College Services and the Chancellor of the Oregon
43 University System in jointly developing and overseeing a long-term strategy that advances the fol-
44 lowing educational goals related to science, technology, engineering and mathematics:

1 mathematics and science, as determined using a nationally representative assessment of students'
2 knowledge in mathematics and science; and

3 (B) Double the number of students who earn a post-secondary degree requiring proficiency in
4 science, technology, engineering or mathematics.

5 (b) Achievement of the goals described in paragraph (a) of this subsection shall be determined
6 based on a comparison between the 2014-2015 school year or academic year and the 2024-2025 school
7 year or academic year.

8 (3) To advance the educational goals described in subsection (2) of this section, the council shall
9 make recommendations to:

10 (a) The Superintendent of Public Instruction regarding the administration of the STEM Invest-
11 ment Grant Program established in ORS 327.380; [and]

12 **(b) The Superintendent of Public Instruction regarding the distribution of moneys under**
13 **section 1 of this 2015 Act; and**

14 [(b)] (c) The Superintendent of Public Instruction, the Commissioner for Community College
15 Services and the Chancellor of the Oregon University System regarding other investments in sci-
16 ence, technology, engineering and mathematics that are made or overseen by the State Board of
17 Education or the State Board of Higher Education.

18 (4) The council consists of nine members from the private sector who are jointly appointed by
19 the Superintendent of Public Instruction, the Commissioner for Community College Services and the
20 Chancellor of the Oregon University System and serve at the pleasure of the superintendent, com-
21 missioner and chancellor.

22 (5) To aid and advise the council in the performance of the council's duties, the council:

23 (a) Shall recruit educators and administrators from kindergarten through grade 12 and from
24 post-secondary education to be nonvoting advisory members of the council;

25 (b) May recruit nonvoting advisory members to the council who are in addition to the members
26 identified in paragraph (a) of this subsection; and

27 (c) May establish advisory and technical committees that the council considers necessary.

28 (6)(a) The Superintendent of Public Instruction, the Commissioner for Community College Ser-
29 vices and the Chancellor of the Oregon University System shall jointly appoint a council director.
30 The council director shall serve at the pleasure of the superintendent, commissioner and chancellor.

31 (b) Except as otherwise directed by the Superintendent of Public Instruction, the Commissioner
32 for Community College Services and the Chancellor of the Oregon University System, the activities
33 of the council shall be directed and supervised by the council director.

34 (7) Members of the council are not entitled to compensation or reimbursement for expenses and
35 serve as volunteers of the council.

36 (8) The council shall submit an annual report to the State Board of Education, the State Board
37 of Higher Education and the Legislative Assembly on the progress made toward achieving the goals
38 described in subsection (2) of this section and the distribution of funds under the STEM Investment
39 Grant Program.

40 **SECTION 7.** ORS 326.500, as amended by sections 4 and 6, chapter 739, Oregon Laws 2013, is
41 amended to read:

42 326.500. (1) The STEM Investment Council is established. The council shall function under the
43 joint direction and control of the State Board of Education and the State Board of Higher Education.

44 (2)(a) The council is established for the purpose of assisting the Superintendent of Public In-
45 struction, the Commissioner for Community College Services and the Chancellor of the Oregon

5 students' knowledge in mathematics and science; and

6 (B) Having a specified number of students who earn a post-secondary degree requiring profi-
7 ciency in science, technology, engineering or mathematics.

8 (b) Achievement of the goals described in paragraph (a) of this subsection shall be determined
9 based on percentages and numbers determined by the council.

10 (3) To advance the educational goals described in subsection (2) of this section, the council shall
11 make recommendations to:

12 (a) The Superintendent of Public Instruction regarding the administration of the STEM Invest-
13 ment Grant Program established in ORS 327.380; [and]

14 **(b) The Superintendent of Public Instruction regarding the distribution of moneys under**
15 **section 1 of this 2015 Act; and**

16 [(b)] (c) The Superintendent of Public Instruction, the Commissioner for Community College
17 Services and the Chancellor of the Oregon University System regarding other investments in sci-
18 ence, technology, engineering and mathematics that are made or overseen by the State Board of
19 Education or the State Board of Higher Education.

20 (4) The council consists of nine members from the private sector who are jointly appointed by
21 the Superintendent of Public Instruction, the Commissioner for Community College Services and the
22 Chancellor of the Oregon University System and serve at the pleasure of the superintendent, com-
23 missioner and chancellor.

24 (5) To aid and advise the council in the performance of the council's duties, the council:

25 (a) Shall recruit educators and administrators from kindergarten through grade 12 and from
26 post-secondary education to be nonvoting advisory members of the council;

27 (b) May recruit nonvoting advisory members to the council who are in addition to the members
28 identified in paragraph (a) of this subsection; and

29 (c) May establish advisory and technical committees that the council considers necessary.

30 (6)(a) The Superintendent of Public Instruction, the Commissioner for Community College Ser-
31 vices and the Chancellor of the Oregon University System shall jointly appoint a council director.
32 The council director shall serve at the pleasure of the superintendent, commissioner and chancellor.

33 (b) Except as otherwise directed by the Superintendent of Public Instruction, the Commissioner
34 for Community College Services and the Chancellor of the Oregon University System, the activities
35 of the council shall be directed and supervised by the council director.

36 (7) Members of the council are not entitled to compensation or reimbursement for expenses and
37 serve as volunteers of the council.

38 (8) The council shall submit an annual report to the State Board of Education, the State Board
39 of Higher Education and the Legislative Assembly on the progress made toward achieving the goals
40 described in subsection (2) of this section and the distribution of funds under the STEM Investment
41 Grant Program.

42 **SECTION 8.** ORS 344.075 is amended to read:

43 344.075. (1) The Career and Technical Education Revitalization Grant Program is established
44 within the Department of Education.

45 (2) Subject to the availability of funds, the department shall award grants each biennium to

1 school districts, education service districts, public schools or public charter schools, or any combi-
2 nation thereof or in partnership with youth job development organizations as defined in ORS 344.415,
3 for the uses described in subsection (3) of this section.

4 (3) Grants received under this section must be used to enhance the collaboration between edu-
5 cation providers and employers by:

6 (a) Developing or enhancing career and technical education programs of study;

7 (b) Expanding the professional growth of and career opportunities for students through career
8 and technical education programs;

9 (c) Assessing the ability of each career and technical education program to meet workforce
10 needs and give students the skills required for jobs in this state that provide high wages and are in
11 high demand; and

12 (d) Supporting the achievement of the high school diploma requirements established under ORS
13 329.451.

14 (4) Any school district, education service district, public school or public charter school, or any
15 combination thereof or in partnership with a youth job development organization as defined in ORS
16 344.415, may apply for a grant under this section.

17 (5)(a) The department and the Bureau of Labor and Industries shall jointly establish a committee
18 to:

19 **(A) Assist with the grant program established under this section, including [set] setting**
20 goals for the program, [develop] **developing** grant criteria, [review] **reviewing** all grant applications
21 and [make] **making** recommendations related to the awarding of grants.

22 **(B) Make recommendations to the Superintendent of Public Instruction related to the**
23 **distribution of moneys under section 1 of this 2015 Act.**

24 **(b) The committee established by this subsection must equally** represent business, industry,
25 labor and education providers.

26 [(b)] **(c) The department in awarding grants, and the committee in fulfilling its duties related to**
27 grants, shall award grants based on the ability of the applicant to use the grant as required under
28 subsection (3) of this section. In addition, the department and the committee shall give priority to
29 applicants that:

30 (A) Represent a diverse number of students served and a diverse selection of geographic lo-
31 cations;

32 (B) Have received commitments from business, industry, labor or education providers to enhance
33 collaboration and to provide resources for any collaborative efforts; and

34 (C) Demonstrate that the collaboration between education providers and employers enhanced
35 by the grant will be sustainable beyond the life of the grant.

36 (6) The State Board of Education may adopt any rules necessary for the implementation of this
37 section.

38 (7) The department may pay the expenses incurred by the department in administering this
39 section out of moneys that are available to the department for purposes of awarding grants under
40 this section. For each biennium, the department may spend on administrative expenses an amount
41 that does not exceed five percent of the total amount of moneys available to the department during
42 the biennium for purposes of awarding grants under this section.

43 **SECTION 9. The amendments to ORS 326.500 and 344.075 by sections 5 to 8 of this 2015**
44 **Act become operative on July 1, 2015.**

45 **SECTION 10. The Teacher Standards and Practices Commission shall advance the policy**

1 on career and technical education described in ORS 344.055 by:

2 (1) Establishing and regularly updating the requirements for a teacher preparation pro-
3 gram for prospective career and technical education teachers with trade or industry experi-
4 ence. The requirements must:

5 (a) Identify a minimum number of required credit hours for a program; and

6 (b) Be established and regularly updated based on consultations with relevant trade or
7 industry stakeholders, the Department of Education and the Higher Education Coordinating
8 Commission.

9 (2) Collaborating with the Department of Education to:

10 (a) Enable experts in trade or industry to become teachers of career and technical edu-
11 cation, which may be accomplished through a limited license or alternative requirements for
12 licensure;

13 (b) Coordinate communications about career and technical education, as described in
14 section 11 (3)(b) of this 2015 Act; and

15 (c) Review statutes and rules for necessary changes and to review and recommend al-
16 ternative methods to increase available funding options.

17 **SECTION 11.** The Department of Education shall advance the policy on career and tech-
18 nical education described in ORS 344.055 by:

19 (1) Administering the distribution of grants or entering into contracts for the purpose
20 of expanding teacher training programs related to career and technical education that can
21 lead to high wage and high demand jobs. Grants awarded, or contracts entered into, under
22 this subsection may be funded with moneys available under section 1 of this 2015 Act and
23 must:

24 (a) Not exceed \$250,000 per grant or contract;

25 (b) Be awarded to, or be entered with, a teacher education program or a teacher educa-
26 tion institution, regardless of whether courses are offered in a traditional setting, by an al-
27 ternative delivery method or by an alternative time frame;

28 (c) Be awarded or entered into for a teacher education program that has a plan for re-
29 cruiting students to the program;

30 (d) Be used to develop and provide coursework that:

31 (A) Qualifies for credit or as professional development and that satisfies licensure or
32 endorsement requirements; and

33 (B) Is provided in a broad group of instructional areas that are grouped to give context
34 for academic, technical and career learning; and

35 (e) To the extent practicable, align with grant distribution requirements of the Career
36 and Technical Education Revitalization Grant Program described in ORS 344.075.

37 (2) Developing and supporting the infrastructure for an online system that is accessible
38 statewide and that delivers courses and professional development to teachers of career and
39 technical education. For the purpose of this subsection, the department may retain up to
40 eight percent of the moneys available to the department under this section.

41 (3) Collaborating with the Teacher Standards and Practices Commission to:

42 (a) Enable experts in trade or industry to become teachers of career and technical edu-
43 cation;

44 (b) Coordinate communications about career and technical education, including commu-
45 nications:

1 (A) Intended to identify potential teachers of career and technical education from trade
2 or industry;

3 (B) With experts in trades or industry about the requirements for transitioning from
4 employment in a trade or an industry to teaching; and

5 (C) With teacher education programs and teacher education institutions about teaching
6 opportunities related to career and technical education; and
