3	443.425, 443.440, 443.452, 443.760 and 443.886; and repealing ORS 443.885.
4	Be It Enacted by the People of the State of Oregon:
5	
6	LEGISLATIVE FINDINGS
7	
8	SECTION 1. (1) The Legislative Assembly finds that:
9	(a) Residents of Oregon's community-based care facilities are valued citizens of this state
10	and deserve to live a life of autonomy and dignity; and
11	(b) Support and training for those who serve these valued citizens is important to en-
12	suring these valued citizens are able to live the life they deserve.
13	(2) The Legislative Assembly finds and declares that it is the policy of this state to:

(a) Promote the autonomy of residents of community-based care facilities and accord 1 2 them honor, dignity and the ability to freely choose how they live their lives so as to encourage maximum independence and fulfillment; and 3 (b) Ensure that administrators of residential care facilities, which include assisted living 4 and memory care facilities, are licensed by independent boards no later than July 1, 2019. 5 6 **RESIDENTIAL CARE FACILITIES** 7 (Quality Measures) 8 9 SECTION 2. Sections 3, 6, 9, 10, 12 and 13 of this 2017 Act are added to and made a part 10 of ORS 443.400 to 443.455. 11 12SECTION 3. (1) The Residential Care Quality Measurement Program is established in the 13 Department of Human Services. The department shall, no later than July 1 of each year, publish a report, based on data reported by each residential care facility under subsection (2) 14 of this section, other than data that identifies residents, that includes data compilation, il-15 lustration and narratives to: 16 17(a) Describe statewide patterns and trends that emerge from the data reported to the department under subsection (2) of this section and compliance data maintained by the de-18 partment; 19 (b) Identify residential care facilities that failed to report data as required by this sec-20tion; 2122(c) Allow residential care facilities and the public to compare a residential care facility's 23performance on each quality metric, by demographics, geographic region, facility type and other categories the department believes may be useful to consumers; 24 (d) Show trends in performance quality on each of the quality metrics; 25(e) Identify patterns of performance quality by geographic regions and other categories 2627the department believes will be useful to consumers; (f) Identify the number, scope and severity of regulatory violations by each geographic 28region; and 2930 (g) Show average timelines for surveys and for investigations of abuse or regulatory 31 noncompliance. (2) Residential care facilities shall report, no later than December 31 of each year and in 32the form and manner prescribed by the department, the following quality metrics for the 33 34 prior calendar year, consistent with accepted professional standards and excluding informa-35tion that identifies a resident of the residential care facility: (a) The residential care facility's retention of direct care staff; 36 37 (b) The number of resident falls in the residential care facility that result in physical injury; 38 (c) The incidence in the residential care facility of the use of antipsychotic medications 39 for nonstandard purposes; 40 (d) The residential care facility's compliance with staff training requirements; 41 (e) The results of an annual resident satisfaction survey conducted by an independent 42 entity that meets the requirements established by the department by rule; and 43 (f) A quality metric recommended by the Quality Measurement Council established under 44 section 4 of this 2017 Act that measures the quality of the resident experience. 45

(3) The department shall provide an annual report to each residential care facility that 1 2 reports quality metrics under subsection (2) of this section using data compilation, illustration and narratives to allow the residential care facility to measure and compare its 3 4 quality metrics over time. (4) The department shall make available to the public in a standard format and in plain 5 language the data reported by each residential care facility. 6 (5) The department shall, using moneys from the Quality Care Fund established in ORS 7 443.001: 8 9 (a) Develop online training modules to address the top two statewide issues identified by surveys or reviews of residential care facilities during the previous year; and 10 (b) Post and keep updated the data used to prepare the report described in subsection (1) 11 12of this section. 13 (6) The department, in consultation with the Quality Measurement Council established in section 4 of this 2017 Act, shall establish a uniform system for residential care facilities 14 15 to report quality metrics as required by subsection (2) of this section. The system must: (a) Allow for electronic reporting of data, to the greatest extent practicable; and 16 (b) Take into account and utilize existing data reporting systems used by residential care 17 facilities. 18 (7)(a) Quality metric data reported to the department under this section may not be used 19 as the basis for an enforcement action by the department nor may it be disclosed to another 20agency for use in an enforcement or regulatory action. 2122(b) Quality metric data is not admissible as evidence in any civil action, including but not 23limited to a judicial, administrative, arbitration or mediation proceeding. (c) Quality metric data reported to the department is not subject to: 94 25(A) Civil or administrative subpoena; or (B) Discovery in connection with a civil action, including but not limited to a judicial, 2627administrative, arbitration or mediation proceeding. (8) Subsection (7) of this section does not exempt a residential care facility from com-28plying with state law or prohibit the department's use of quality metric data obtained from 2930 an outside source in the normal course of business or compliance activity. 31 SECTION 4. (1) The Quality Measurement Council is established in the Department of Human Services to advise the department regarding the operation of the Residential Care 32Quality Measurement Program established in section 3 of this 2017 Act. 33 34 (2) The council consists of eight members, appointed by the Governor, as follows: 35(a) One individual representing the Oregon Patient Safety Commission; 36 (b) One individual representing residential care facilities; 37 (c) One consumer representative from an Alzheimers' advocacy organization; (d) One licensed health care practitioner with experience in geriatrics; 38 (e) One individual associated with an academic institution who has expertise in research 39 using data and analytics and in community-based care and quality reporting; 40 (f) One individual representing consumers of long term care; 41 (g) The Long Term Care Ombudsman or a designee of the Long Term Care Ombudsman; 42 and 43 (h) One individual representing the department. 44

45 (3)(a) The council shall develop, no later than January 1, 2022, and annually update by

rule the quality metrics to be reported by residential care facilities under section 3 of this 1 2 2017 Act. (b) In developing quality metrics the council shall consider whether the data that must 3 be reported reflects and promotes quality care and whether reporting the data is unneces-4 sarily burdensome on residential care facilities. 5 SECTION 5. Section 3 of this 2017 Act is amended to read: 6 Sec. 3. (1) The Residential Care Quality Measurement Program is established in the Department 7 of Human Services. The department shall, no later than July 1 of each year, publish a report, based 8 9 on data reported by each residential care facility under subsection (2) of this section, other than data that identifies residents, that includes data compilation, illustration and narratives to: 10 (a) Describe statewide patterns and trends that emerge from the data reported to the department 11 12 under subsection (2) of this section and compliance data maintained by the department; 13 (b) Identify residential care facilities that failed to report data as required by this section; (c) Allow residential care facilities and the public to compare a residential care facility's per-14 15 formance on each quality metric, by demographics, geographic region, facility type and other categories the department believes may be useful to consumers; 16 17 (d) Show trends in performance quality on each of the quality metrics; 18 (e) Identify patterns of performance quality by geographic regions and other categories the department believes will be useful to consumers; 19 (f) Identify the number, scope and severity of regulatory violations by each geographic region; 20and 2122(g) Show average timelines for surveys and for investigations of abuse or regulatory noncompliance. 23(2) Residential care facilities shall report, no later than December 31 of each year and in the 24 form and manner prescribed by the department, the [following] quality metrics developed by the 25Quality Measurement Council under section 4 of this 2017 Act. [for the prior calendar year, 2627consistent with accepted professional standards and excluding information that identifies a resident of the residential care facility:] 28[(a) The residential care facility's retention of direct care staff;] 2930 [(b) The number of resident falls in the residential care facility that result in physical injury;] 31 [(c) The incidence in the residential care facility of the use of antipsychotic medications for non-32standard purposes;] [(d) The residential care facility's compliance with staff training requirements;] 33 34 [(e) The results of resident satisfaction surveys conducted by an independent entity that meets the 35requirements established by the department by rule; and] [(f) A quality metric recommended by the Quality Measurement Council established under section 36 37 4 of this 2017 Act that measures the quality of the resident experience.] 38 (3) The department shall provide an annual report to each residential care facility that reports quality metrics under subsection (2) of this section using data compilation, illustration and narra-39 tives to allow the residential care facility to measure and compare its quality metrics over time. 40 (4) The department shall make available to the public in a standard format and in plain language 41 the data reported by each residential care facility. 42 (5) The department shall, using moneys from the Quality Care Fund established in ORS 443.001: 43 (a) Develop online training modules to address the top two statewide issues identified by surveys 44 or reviews of residential care facilities during the previous year; and 45

2	section.
3	(6) The department, in consultation with the Quality Measurement Council established in section
4	4 of this 2017 Act, shall establish a uniform system for residential care facilities to report quality
5	metrics as required by subsection (2) of this section. The system must:
6	(a) Allow for electronic reporting of data, to the greatest extent practicable; and
7	(b) Take into account and utilize existing data reporting systems used by residential care facil-
8	ities.
9	(7)(a) Quality metric data reported to the department under this section may not be used as the
10	basis for an enforcement action by the department nor may it be disclosed to another agency for
11	use in an enforcement or regulatory action.
12	(b) Quality metric data is not admissible as evidence in any civil action, including but not lim-
13	ited to a judicial, administrative, arbitration or mediation proceeding.
14	(c) Quality metric data reported to the department is not subject to:
15	(A) Civil or administrative subpoena; or
16	(B) Discovery in connection with a civil action, including but not limited to a judicial, adminis-
17	trative, arbitration or mediation proceeding.
18	(8) Subsection (7) of this section does not exempt a residential care facility from complying with
19	state law or prohibit the department's use of quality metric data obtained from an outside source
20	in the normal course of business or compliance activity.

1	(b) The residential facility is licensed as a conversion facility under section 6 of this 2017
2	Act.
3	(3) All physical residential facilities used for residents [shall] must meet applicable require-
4	ments of the State Fire Marshal.
5	(4) [Prior to] As of the date of licensure, a residential facility must be in substantial compliance
6	with applicable state and local laws, rules, codes, ordinances and permit requirements.
7	(5) Prior to licensure, a residential facility that proposes to house persons under the age of 21
8	years shall submit written proof to the licensing agency demonstrating that the facility will:
9	(a) Comply with ORS 336.575; and
10	(b) Ensure that the children who reside at the residential facility receive appropriate educa-
11	tional services that are:
12	(A) Comprehensive and age-appropriate;
13	(B) In compliance with requirements of state and federal law; and
14	(C) If applicable, in compliance with the individual education program of the child.
15	(6) Prior to an initial licensure of a residential care facility, the licensing agency shall consider:
16	(a) The license applicant's history of regulatory compliance and operational experience;
17	(b) The willingness of the license applicant to serve underserved populations; and
18	(c) The willingness of the license applicant to contract with the licensing agency to provide
19	services through the state medical assistance program.
20	(7)(a) The licensing agency may not issue an initial license to a residential care facility if the
21	facility has not conducted a market study that assesses the need for the services offered by the fa-
22	cility in the geographic area served by the facility.
23	(b) This subsection does not apply to a conversion facility licensed under section 6 of this
24	2017 Act.

26	(Enhanced Regulatory Oversight)
27	
28	SECTION 8. (1) As used in this section, "substantial compliance" means a level of com-
29	pliance with state law and with rules of the Department of Human Services such that any
30	identified deficiencies pose a risk of no more than minimal harm to the health or safety of
31	residents.
32	(2)(a) The Department of Human Services shall develop a framework for assessing the
33	compliance of residential care facilities with regulatory requirements and requiring correc-
34	tive action that accurately and equitably measures compliance and the extent of noncompli-
35	ance.
36	(b) The framework must include but is not limited to measures of the scope and severity
37	of a residential care facility's noncompliance.
38	(c) The department shall publish the framework on the department's website and shall
39	distribute the framework to residential care facilities licensed in this state.
40	(3) The department shall administer a residential care facility enhanced oversight and
41	supervision program that focuses department resources on residential care facilities that
42	consistently demonstrate:
43	(a) A lack of substantial compliance with the requirements of ORS 443.400 to 443.455; or
44	(b) Performance substantially below statewide averages on quality metrics reported un-
45	der the Residential Care Quality Measurement Program established in section 3 of this 2017

1	Act.
2	(4) The residential care facility enhanced oversight and supervision program shall take
3	one or more of the following actions as the department deems necessary to improve the
4	performance of a residential care facility:
5	(a) Increase the frequency of surveys of the residential care facility.
6	(b) Conduct surveys that focus on areas of consistent noncompliance identified by the
7	department.
8	(5) The department may terminate the enhanced oversight and supervision of a residen-
9	tial care facility:
10	(a) After three years if the residential care facility has shown through at least two on-
11	site surveys and reported quality metrics that the residential care facility no longer meets
12	the criteria in subsection (3) of this section; or
13	(b) After one year if the residential care facility submits a written assertion of substan-
14	tial compliance and the department determines that the residential care facility no longer
15	meets the criteria in subsection (3) of this section.
16	(6) Using moneys from the Quality Care Fund established under ORS 443.001, the de-
17	partment shall develop, maintain and periodically update compliance guidelines for residen-
18	tial care facilities serving seniors and persons with disabilities. The guidelines must be made
19	available electronically.
20	
21	(Acuity-based Staffing Tool)
22	
23	SECTION 9. (1) The Department of Human Services shall develop or obtain, in collab-
24	oration with residential care facilities, an objective, technology-based, acuity-based staffing
25	tool that may be used to:
26	(a) Evaluate whether a residential care facility has qualified awake caregivers sufficient
27	in number to meet the 24-hour scheduled and unscheduled needs of each resident; and
28	(b) Assess the number of direct care staff hours required by each residential care facility
29	to meet each resident's scheduled and unscheduled needs.
30	(2) The acuity-based staffing tool shall be made available to residential care facilities to:
31	(a) Enable the residential care facilities to assess their staffing needs and whether they
32	have a sufficient number of qualified awake caregivers to meet the 24-hour scheduled and
33	unscheduled needs of each resident;
34	(b) Communicate the required staffing needs and each residential care facility's staffing
35	plan to residents, their family members and the general public; and
36	(c) Demonstrate to the department that the residential care facility's staffing plan meets
37	the scheduled and unscheduled needs of each resident.
38	(3) The department may not impose a new staffing requirement, without the residential
39	care facility's agreement, unless the department has used the acuity-based staffing tool to
40	evaluate a residential care facility's staffing needs.
41	
42	(Direct Care Staff Training)
43	
44	SECTION 10. (1) In addition to any other training required by law, all direct care staff
45	employed by a residential care facility shall, prior to providing direct care to residents of the

facility, complete training in dementia care that includes: 1 2 (a) Education on the dementia disease process, including the progression of the disease, memory loss, psychiatric and behavioral symptoms; 3 (b) Techniques for understanding and managing behavioral symptoms, including but not 4 limited to reducing the use of antipsychotic medications for nonstandard uses; $\mathbf{5}$ (c) Strategies for addressing the social needs of persons with dementia and providing 6 them with meaningful activities; and 7 (d) Information on addressing specific aspects of dementia care and ensuring the safety 8 9 of residents with dementia, including but not limited to how to: 10 (A) Address pain; 11 (B) Provide food and fluids; 12(C) Prevent wandering and elopement; and 13 (D) Use a person-centered approach. (2) A residential care facility shall provide a certificate of completion to direct care staff 14 15 who complete the training described in subsection (1) of this section. If a member of the direct care staff is employed by a different residential care facility no later than 24 months 16 after completing the training, the staff member may not be required to repeat the training. 17 18 (3) In addition to the training described in subsection (1) of this section, direct care staff 19 each must annually complete at least four hours of training in dementia care. This training may be part of any existing continuing education requirement imposed by law. 20(4) All training in dementia care provided to direct care staff must be approved by a 2122private or nonprofit organization, approved by the department, that has expertise and spe-23cializes in educational training for residential care facility staff. (5) The department shall prescribe by rule how to assess the competency of direct care 24 staff and shall administer competency tests to direct care staff who have completed the 25training. 2627(Suspension of License) 282930 SECTION 11. ORS 443.440 is amended to read: 31 443.440. (1) Except as provided in subsection (2) of this section for residential care facilities, the Department of Human Services or the Oregon Health Authority may revoke or suspend the 32license of any residential facility that is not operated in accordance with ORS 443.002 or 443.400 to 33 34 443.455 or the rules of the licensing agency. Such revocation or suspension shall be taken in ac-35cordance with rules of the licensing agency and ORS chapter 183. However, in cases where an imminent danger to the health or safety of the residents exists, a license may be suspended 36 37 immediately pending a fair hearing not later than the 10th day after such suspension. 38 (2)(a) In accordance with ORS chapter 183 and rules adopted by the Department of Human Services, the department may revoke or suspend the license of a residential care facility 39 licensed by the department that is not operated in accordance with ORS 443.002 or 443.400 40 to 443.455 or the rules of the department. 41 (b) In a case where an imminent danger to the health or safety of the residents exists, 42 a residential care facility license may be suspended immediately. 43 (c) The residential care facility is entitled to a contested case hearing to appeal an order 44

45 of immediate suspension in accordance with procedures adopted by the Department of Jus-

44	pendent individuals or individuals with physical disabilities,] residential care in one or more buildings
45	on contiguous properties:

(a) For six or more socially dependent individuals or individuals with physical disabilities;
 or

3 (b) For fewer than six socially dependent individuals or individuals with physical disabil4 ities if the purpose of the facility is to serve individuals with co-occurring behavioral health
5 needs that are more appropriately served in smaller settings.

[(6)] (8) "Residential facility" means a residential care facility, residential training facility, residential treatment facility, residential training home, [or] residential treatment home or conversion
facility.

9 [(7)] (9) "Residential training facility" means a facility that provides, for six or more individuals 10 with mental retardation or other developmental disabilities, residential care and training in one or 11 more buildings on contiguous properties.

12 [(8)] (10) "Residential training home" means a facility that provides, for five or fewer individuals 13 with mental retardation or other developmental disabilities, residential care and training in one or 14 more buildings on contiguous properties, when so certified and funded by the Department of Human 15 Services.

16 [(9)] (11) "Residential treatment facility" means a facility that provides, for six or more indi-17 viduals with [mental, emotional or behavioral disturbances] co-occurring behavioral health needs 18 or alcohol or drug dependence, residential care and treatment in one or more buildings on contig-19 uous properties.

[(10)] (12) "Residential treatment home" means a facility that provides for five or fewer individuals with [mental, emotional or behavioral disturbances] co-occurring behavioral health needs or alcohol or drug dependence, residential care and treatment in one or more buildings on contiguous properties.

[(11)] (13) "Training" means the systematic, planned maintenance, development or enhancement of self-care skills, social skills or independent living skills, or the planned sequence of systematic interactions, activities or structured learning situations designed to meet each resident's specified needs in the areas of physical, social, emotional and intellectual growth.

[(12)] (14) "Treatment" means a planned, individualized program of medical, psychological or rehabilitative procedures, experiences and activities designed to relieve or minimize mental, emotional, physical or other symptoms or social, educational or vocational disabilities resulting from or related to the mental or emotional disturbance, physical disability or alcohol or drug problem.

CONFORMING AMENDMENTS

35 SECTION 22. ORS 409.720 is amended to read:

36 409.720. (1) As used in this section:

32

33 34

37 (a) "Adult foster home" has the meaning given that term in ORS 443.705 (1).

38 (b) "Health care facility" has the meaning given that term in ORS 442.015.

39 (c) "Residential facility" has the meaning given that term in ORS 443.400 [(6)].

40 (2) Every adult foster home, health care facility and residential facility licensed or registered
41 by the Department of Human Services shall:

(a) Adopt a plan to provide for the safety of persons who are receiving care at or are residents
of the home or facility in the event of an emergency that requires immediate action by the staff of
the home or facility due to conditions of imminent danger that pose a threat to the life, health or
safety of persons who are receiving care at or are residents of the home or facility; and

(b) Provide training to all employees of the home or facility about the responsibilities of the 1 2 employees to implement the plan required by this section.

(3) The department shall adopt by rule the requirements for the plan and training required by 3 this section. The rules adopted shall include, but are not limited to, procedures for the evacuation 4 of the persons who are receiving care at or are residents of the adult foster home, health care fa-5 cility or residential facility to a place of safety when the conditions of imminent danger require re-6 location of those persons. 7

8

SECTION 23. ORS 443.415 is amended to read:

9 443.415. (1) Applications for licensure to maintain and operate a residential facility shall be made to the Department of Human Services or the Oregon Health Authority on forms provided for 10 that purpose by the appropriate licensing agency. Each application shall be accompanied by a fee. 11 12 No fee is required of any governmentally operated residential facility.

13 (2) The fee required under subsection (1) of this section for facilities:

(a) Defined in ORS 443.400 [(7) and] (9) and (11), shall be \$60. 14

15 (b) Defined in ORS 443.400 [(8) and] (10) and (12), shall be \$30.

(c) Defined in ORS 443.400 [(5)] (7) with: 16

(A) One to 15 beds, shall be \$360. 17

18 (B) Sixteen to 49 beds, shall be \$520.

(C) Fifty to 99 beds, shall be \$1,040. 19

(D) One hundred to 150 beds, shall be \$1,340. 20

(E) More than 150 beds, shall be \$1,500. 21

22(3) Upon receipt of an application and fee, the licensing agency shall conduct an investigation. The licensing agency shall issue a license to any applicant for operation of a residential facility in 23compliance with ORS 443.002 and 443.400 to 443.455 and the rules of the licensing agency. Licensure 94 may be denied when a residential facility is not in compliance with ORS 443.002 or 443.400 to 25443.455 or the rules of the licensing agency. Licensure shall be denied if the State Fire Marshal or 2627other authority has given notice of noncompliance of facilities defined in ORS 443.400 [(5), (7) and (9)] (7), (9) and (11) pursuant to ORS 479.220. 28

29

SECTION 24. ORS 443.425 is amended to read:

30 443.425. (1) Licensure under ORS 443.415 is effective for two years from the date of issue unless 31 sooner revoked. Each license shall state the name of the person operating the residential facility; the name of the person who owns the facility; the address of the premises to which the license ap-32plies and the maximum number of residents to be maintained in such residential facility at any time 33 34 whether the residential facility is licensed as a residential training facility, a residential treatment facility, a residential care facility; a residential training home or residential treatment home and 35such other information as the Department of Human Services or the Oregon Health Authority con-36 37 siders necessary.

38 (2) A license is renewable upon submission of an application to the department or the authority and payment of a fee. No fee shall be required of a governmentally operated residential facility. 39 Filing of an application for renewal before the date of expiration of a license extends the effective 40 date of expiration of the license until the licensing agency has acted upon such application. The li-41 censing agency shall refuse to renew a license if the facility is not substantially in compliance with 42 all applicable laws and rules, or if the State Fire Marshal or the authorized representative thereof 43 has given notice of noncompliance of facilities under ORS 443.400 [(5), (7) and (9)] (7), (9) and (11) 44 pursuant to ORS 479.220. 45

1	(3) The biennial fee required under subsection (2) of this section for facilities:
2	(a) Defined in ORS 443.400 [(7) and] (9) and (11), shall be \$60.
3	(b) Defined in ORS 443.400 [(8) and] (10) and (12), shall be \$30.
4	(c) Defined in ORS 443.400 [(5)] (7) with:
5	(A) One to 15 beds, shall be \$360.
6	(B) Sixteen to 49 beds, shall be \$520.
7	(C) Fifty to 99 beds, shall be \$1,040.
8	(D) One hundred to 150 beds, shall be \$1,340.
9	(E) More than 150 beds, shall be $$1,500$.
10	SECTION 25. ORS 443.452 is amended to read:
11	443.452. (1) The [director] Director of Human Services shall waive the requirements of ORS
12	443.410 for a residential care facility caring for residents with physical disabilities if:
13	(a) Each resident is over 16 years of age;
14	(b) No more than five individuals with physical disabilities reside in any one building of the fa-
15	cility; and
16	(c) The residential care facility complies with the applicable requirements of the State Fire
17	Marshal.
18	(2) As used in this section, "building" means any structure that does not share a common wall
19	or roof with another structure.
