43 is paid on a commission or piece-rate basis and does not have a previously established regu-  
44 lar rate of pay, the employer shall pay the employee at a rate equal to at least the minimum

4 than 40 hours, in which case sick time accrues based on the actual workweek of the em-  
5 ployee.

6 (7) Nothing in sections 2 to 16 of this 2015 Act requires an employer to compensate an  
7 employee for accrued unused sick time upon the employee's termination, resignation, re-

16 the employer may not require the employee to work additional hours or shifts authorized by  
17 this subsection. If the employee works additional hours or shifts, the employer must comply  
18 with any applicable federal, state or local laws regarding overtime pay.

28 sick time after the combined total of days of employment with the employer exceeds 90 cal-  
29 endar days.

30 (12) If an employee is transferred to a separate division, entity or location of the em-  
31 ployer but remains employed by that same employer, the employee is entitled to use all sick  
32 time accrued while working at the former division, entity or location of the employer and is  
33 entitled to retain or use all sick time as provided by sections 2 to 16 of this 2015 Act.

34 (13) Employers located in a city with a population exceeding 500,000 shall comply with  
35 sections 2 to 16 of this 2015 Act, except that:

36 (a) If an employer located in a city with a population exceeding 500,000 employs at least  
37 six employees working anywhere in this state, the employer shall implement a policy con-  
38 sistent with this section as it applies to employers with at least 10 employees working any-  
39 where in this state.

40 (b) If an employer located in a city with a population exceeding 500,000 employs fewer

42 consistent with this section as it applies to employers with fewer than 10 employees working  
43 anywhere in this state.

44 **SECTION 4.** (1) An employer with a sick leave policy, paid vacation policy, paid personal  
45 time off policy or other paid time off program that is substantially equivalent to or more

1 generous to the employee than the minimum requirements of sections 2 to 16 of this 2015  
2 Act shall be deemed to be in compliance with the requirements of sections 2 to 16 of this 2015  
3 Act.

4 (2) If an employee of an employer that has a policy for paid sick time, paid vacation leave,  
5 paid personal time off or other paid time off programs has exhausted all paid and unpaid  
6 leave available to the employee, the employer is not obligated to provide additional leave for  
7 paid or unpaid sick time as required by sections 2 to 16 of this 2015 Act. However, the em-  
8 ployer may be obligated to provide paid or unpaid sick time by federal or state law that  
9 provides for paid or unpaid leave for similar purposes.

10 **SECTION 5.** Notwithstanding section 3 (5) of this 2015 Act, an employee who is employed  
11 by an employer on the effective date of this 2015 Act is eligible to use any accrued sick time  
12 as it accrues on or after the effective date of this 2015 Act.

13 **SECTION 6.** An employee may use sick time earned under section 3 of this 2015 Act:

14 (1) For an employee's mental or physical illness, injury or health condition, need for  
15 medical diagnosis, care or treatment of a mental or physical illness, injury or health condi-

21 (3) Notwithstanding ORS 659A.153, for any other purpose specified in ORS 659A.159.

22 (4) For a purpose specified in ORS 659A.272, notwithstanding ORS 659A.270 (1).

23 (5) To donate accrued sick time to another employee if the other employee uses the do-  
24 nated sick time for a purpose specified in this section and the employer has a policy that  
25 allows an employee to donate sick time to a coworker for a purpose specified in this section.

26 (6) In the event of a public health emergency. For purposes of this subsection, a public  
27 health emergency includes, but is not limited to:

28 (a) Closure of the employee's place of business, or the school or place of care of the  
29 employee's child, by order of a public official due to a public health emergency;

30 (b) A determination by a lawful public health authority or by a health care provider that  
31 the presence of the employee or the family member of the employee in the community would  
32 jeopardize the health of others, such that the employee must provide self care or care for  
33 the family member; or

34 (c) The exclusion of the employee from the workplace under any law or rule that requires  
35 the employer to exclude the employee from the workplace for health reasons.

36 **SECTION 7.** (1)(a) Upon request of an employee with accrued sick time available, an  
37 employer must allow the employee to use sick time. If possible, the employee shall include  
38 the anticipated duration of the sick time requested in the request.

39 (b) Sick time earned under section 3 of this 2015 Act shall be taken in hourly increments  
40 unless:

41 (A) To do so would impose an undue hardship on the employer; and

42 (B) The employer has a policy or combination of policies that allows an employee to use  
43 at least 56 hours of paid leave per year that may be taken in minimum increments of four  
44 hours and may be used for the purposes specified in section 6 of this 2015 Act.

45 (c) The Commissioner of the Bureau of Labor and Industries shall adopt rules for the

1 implementation and administration of this subsection. The rules adopted shall include, but  
2 need not be limited to, criteria for establishment of undue hardship under this section that  
3 are based on the difficulty of securing a replacement worker while allowing the employer to  
4 apply a consistent policy to all employees.

5 (2) An employer may require the employee to comply with the employer's usual and  
6 customary notice and procedural requirements for absences or for requesting time off if  
7 those requirements do not interfere with the ability of the employee to use sick time.

8 (3) If the need to use sick time is foreseeable:

9 (a) The employer may require reasonable advance notice of the employee's intention to  
10 use sick time, not to exceed 10 days prior to the date the sick time is to begin or as soon  
11 as otherwise practicable; and

12 (b) The employee shall make a reasonable attempt to schedule the use of sick time in a  
13 manner that does not unduly disrupt the operations of the employer.

14 (4) If the need to use sick time is unforeseeable, the employee shall provide notice to the  
15 employer as soon as practicable and must comply generally with the employer's notice or  
16 procedural requirements for requesting or reporting other time off if those requirements do  
17 not interfere with the ability of the employee to use sick time.

18 **SECTION 8.** (1)(a) If an employee takes more than three consecutive scheduled workdays  
19 of sick time for a purpose described in section 6 (1) to (4) of this 2015 Act, an employer may  
20 require the employee to provide verification from a health care provider of the need for the  
21 sick time, or certification of the need for leave for purposes of ORS 659A.272 as provided in  
22 ORS 659A.280.

23 (b) If the need for sick time is foreseeable and is projected to last more than three  
24 scheduled workdays and an employee is required to provide notice under section 7 of this 2015  
25 Act, the employer may require that verification or certification be provided before the sick  
26 time commences or as soon as otherwise practicable.

27 (c) If the employee commences sick time without providing prior notice required by the  
28 employer under section 7 of this 2015 Act:

29 (A) Medical verification shall be provided to the employer within 15 calendar days after  
30 the employer requests the verification; or

31 (B) Certification provided as specified in ORS 659A.280 shall be provided to the employer  
32 within a reasonable time after the employee receives the request for certification.

33 (2) The employer shall pay any reasonable costs for providing medical verification or  
34 certification required under this section, including lost wages, that are not paid under a  
35 health benefit plan in which the employee is enrolled.

36 (3)(a) An employer may not require that the verification or certification required under  
37 this section explain the nature of the illness or details related to the domestic violence,  
38 sexual assault, harassment, or stalking that necessitates the use of sick time.

39 (b) If an employer suspects that an employee is abusing sick time, including engaging in  
40 a pattern of abuse, the employer may require verification from a health care provider of the  
41 need of the employee to use sick time, regardless of whether the employee has used sick time  
42 for more than three consecutive days. As used in this paragraph, "pattern of abuse" in-  
43 cludes, but is not limited to, repeated use of unscheduled sick time on or adjacent to week-  
44 ends, holidays, vacation days or paydays.

45 (4) As used in this section, "health care provider" has the meaning given that term in

1 **ORS 659A.150.**

2 **SECTION 9. (1) An employer shall:**

3 (a) Provide written notification at least quarterly to each employee of the amount of  
4 accrued and unused sick time available for use by the employee. Inclusion of the amount of  
5 accrued and used sick time on the statement required under ORS 652.610 meets the re-  
6 quirements of this paragraph.

7 (b) Provide written notice of the requirements of sections 2 to 16 of this 2015 Act to each  
8 employee in accordance with rules adopted by the Commissioner of the Bureau of Labor and  
9 Industries.

10 (2) The notices provided under this section must be in the language the employer typi-  
11 cally uses to communicate with the employee.

12 (3) The Bureau of Labor and Industries shall make available to employers a template that  
13 meets the required notice provisions of this section.

14 (4) Health information of an employee related to sick time is confidential and may not  
15 be released without the permission of the employee. Information pertaining to leave under  
16 ORS 659A.272 that is provided by an employee in accordance with sections 2 to 16 of this 2015  
17 Act is confidential as provided in ORS 659A.280.

18 **SECTION 10. Sections 2 to 16 of this 2015 Act establish minimum requirements pertaining**  
19 **to sick time and may not be construed to preempt, limit or otherwise affect the applicability**  
20 **of any employer policy, standard or collective bargaining agreement that provides for greater**  
21 **use of paid or unpaid sick time.**

22 **SECTION 11. It is an unlawful practice for an employer or any other person to:**

23 (1) Deny, interfere with, restrain or fail to pay for sick time to which an employee is  
24 entitled under sections 2 to 16 of this 2015 Act;

25 (2) Retaliate or in any way discriminate against an employee with respect to any term  
26 or condition of employment because the employee has inquired about the provisions of  
27 sections 2 to 16 of this 2015 Act, submitted a request for sick time, taken sick time, partic-  
28 ipated in any manner in an investigation, proceeding or hearing related to sections 2 to 16  
29 of this 2015 Act, or invoked any provision of sections 2 to 16 of this 2015 Act; or

30 (3) Apply an absence control policy that includes sick time absences covered under  
31 sections 2 to 16 of this 2015 Act as an absence that may lead to or result in an adverse em-  
32 ployment action against the employee.

33 **SECTION 12. (1) The requirements of sections 2 to 16 of this 2015 Act do not apply to an**  
34 **employee:**

35 (a) Whose terms and conditions of employment are covered by a collective bargaining  
36 agreement;

37 (b) Who is employed through a hiring hall or similar referral system operated by the la-  
38 bor organization or a third party; and

39 (c) Whose employment-related benefits are provided by a joint multi-employer-employee  
40 trust or benefit plan.

41 (2)(a) The Home Care Commission created under ORS 410.602 shall establish a paid sick  
42 time policy for consumer employed home care workers.

43 (b) A policy for paid sick time for consumer employed home care workers implemented  
44 by the Home Care Commission that allows an eligible home care worker to accrue and use  
45 up to 40 hours of paid time off a year, including but not limited to sick time, is deemed to

1 meet the requirements of sections 2 to 16 of this 2015 Act and is exempt from the provisions  
2 of sections 2 (6), 3 (5), 4, 7, 8 and 9 of this 2015 Act.

3 (3) As used in this section, “consumer employed home care worker” has the meaning  
4 given the term “home care worker” in ORS 410.600.

5 **SECTION 13.** (1) An employee asserting a violation of section 11 (2) or (3) of this 2015  
6 Act may file a complaint with the Commissioner of the Bureau of Labor and Industries under  
7 ORS 659A.820 or a civil action as provided in ORS 659A.885.

8 (2) The commissioner has the same enforcement powers with respect to the rights es-  
9 tablished under sections 2 to 16 of this 2015 Act as are established in ORS chapters 652 and  
10 653.

11 **SECTION 14.** The Commissioner of the Bureau of Labor and Industries:

12 (1) Shall enforce the provisions of sections 2 to 16 of this 2015 Act; and

13 (2) May adopt rules necessary for the implementation and enforcement of sections 2 to  
14 16 of this 2015 Act.

15 **SECTION 15.** The State of Oregon preempts all charter and statutory authority of local  
16 governments as defined in ORS 174.116 to set any sick leave requirements.

17 **SECTION 16.** If any provision or application of sections 2 to 16 of this 2015 Act is deter-
