1	3. INSTRUCTIONS TO MY HEALTH CARE REPRESENTATIVE.
2	If you wish to give instructions to your health care representative about your health care
3	decisions, initial one of the following three statements:
4	To the extent appropriate, my health care representative must follow my in-
5	structions.
6	My instructions are guidelines for my health care representative to consider when
7	making decisions about my care.
8	Other instructions:
9	4. DIRECTIONS REGARDING MY END OF LIFE CARE.
10	In filling out these directions, keep the following in mind:
11	• The term "as my health care provider recommends" means that you want your health
12	care provider to use life support if your health care provider believes it could be helpful, and
13	that you want your health care provider to discontinue life support if your health care pro-
14	vider believes it is not helping your health condition or symptoms.
15	• The term "life support" means any medical treatment that maintains life by sustaining,
16	restoring or replacing a vital function.
17	• The term "tube feeding" means artificially administered food and water.
18	• If you refuse tube feeding, you should understand that malnutrition, dehydration and
19	death will probably result.
20	• You will receive care for your comfort and cleanliness no matter what choices you
21	make.
22	A. Statement Regarding End of Life Care. You may initial the statement below if you
23	agree with it. If you initial the statement you may, but you do not have to, list one or more
24	conditions for which you do not want to receive life support.
25	I do not want my life to be prolonged by life support. I also do not want tube feeding
26	as life support. I want my health care provider to allow me to die naturally if my health care
27	provider and another knowledgeable health care provider confirm that I am in any of the
28	medical conditions listed below.
29	B. Additional Directions Regarding End of Life Care. Here are my desires about my
30	health care if my health care provider and another knowledgeable health care provider con-
31	firm that I am in a medical condition described below:
32	a. <u>Close to Death.</u> If I am close to death and life support would only postpone the moment
33	of my death:
34	INITIAL ONE:
35	I want to receive tube feeding.
36	I want tube feeding only as my health care provider recommends.
37	I DO NOT WANT tube feeding.

43	become conscious again:
44	INITIAL ONE:
45	<u> I want to receive tube feeding.</u>

1	I want tube feeding only as my health care provider recommends.
2	I DO NOT WANT tube feeding.
3	INITIAL ONE:
4	I want any other life support that may apply.
5	I want life support only as my health care provider recommends.
6	I DO NOT WANT life support.
7	c. Advanced Progressive Illness. If I have a progressive illness that will be fatal and is
8	in an advanced stage, and I am consistently and permanently unable to communicate by any
9	means, swallow food and water safely, care for myself and recognize my family and other
10	people, and it is very unlikely that my condition will substantially improve:

45 (2)(a) A capable adult may use an advance directive or the form set forth in section 5 of

1 this 2017 Act to appoint a competent adult to serve as the health care representative for the

2 capable adult. A health care representative appointed under this paragraph shall make health

3 care decisions for the principal if the principal becomes incapable.

4 (b) A capable adult may use an advance directive or the form set forth in section 5 of this 5 2017 Act to appoint one or more competent adults to serve as alternate health care repre-6 sentatives for the capable adult. For purposes of ORS 127.505 to 127.660, an alternate health 7 care representative has the rights and privileges of a health care representative appointed 8 under paragraph (a) of this subsection, including the rights described in ORS 127.535. An al-9 ternate health care representative appointed under this paragraph shall make health care 10 decisions for the principal if:

11

(A) The principal becomes incapable; and

(B) The health care representative appointed under paragraph (a) of this subsection is
 unable, unwilling or unavailable to make timely health care decisions for the principal.

(c) For purposes of paragraph (b) of this subsection, the health care representative appointed under paragraph (a) of this subsection is unavailable to make timely health care decisions for the principal if the health care representative is not available to answer questions
for the health care provider in person, by telephone or by another means of direct communication.

19 20 (d) An appointment made under this section is effective when it is accepted by the health care representative.

(3) Unless the period of time that an advance directive or a form appointing a health care representative is [to be] effective is limited by the terms of the advance directive or the form appointing a health care representative, the advance directive [shall continue] or the form appointing a health care representative continues in effect until:

25 (a) The principal dies; or

(b) The advance directive or the form appointing a health care representative is revoked,
 suspended or superseded pursuant to ORS 127.545.

(4) Notwithstanding subsection (3) of this section, if the principal is incapable at the expiration
 of the term of the advance directive or the form appointing a health care representative, the
 advance directive or the form appointing a health care representative continues in effect until:

31 (a) The principal is no longer incapable;

32 (b) The principal dies; or

(c) The advance directive or the form appointing a health care representative is revoked,
 suspended or superseded pursuant to the provisions of ORS 127.545.

(5) A health care provider shall make a copy of an advance directive, a copy of a form appointing a health care representative and a copy of any other instrument a part of the principal's
medical record when a copy of [*that*] the advance directive, form appointing a health care representative or instrument is provided to the principal's health care provider.

(6) Notwithstanding subsections (3)(a) and (4)(b) of this section, an advance directive remains
in effect with respect to an anatomical gift, as defined in ORS 97.953, [made on an advance directive is effective] after the principal dies.

42 **SECTION 8.** ORS 127.515 is amended to read:

43 127.515. (1) An advance directive or a form appointing a health care representative may be
executed by a resident or nonresident adult of this state in the manner provided by ORS 127.505 to
127.660. [and 127.995.]

1	[(2) A power of attorney for health care must be in the form provided by Part B of the advance
2	directive form set forth in ORS 127.531, or must be in the form provided by ORS 127.530 (1991 Edi-
3	tion).]
4	[(3) A health care instruction must be in the form provided by Part C of the advance directive form
5	set forth in ORS 127.531, or must be in the form provided by ORS 127.610 (1991 Edition).]
6	[(4) An advance directive must reflect the date of the principal's signature. To be valid, an advance
7	directive must be witnessed by at least two adults as follows:]
8	[(a) Each witness shall witness either the signing of the instrument by the principal or the
9	principal's acknowledgment of the signature of the principal.]
10	[(b) Each witness shall make the written declaration as set forth in the form provided in ORS
11	127.531.]
12	[(c) One of the witnesses shall be a person who is not:]
13	[(A) A relative of the principal by blood, marriage or adoption;]
14	[(B) A person who at the time the advance directive is signed would be entitled to any portion of
15	the estate of the principal upon death under any will or by operation of law; or]
16	[(C) An owner, operator or employee of a health care facility where the principal is a patient or
17	resident.]
18	[(d) The attorney-in-fact for health care or alternative attorney-in-fact may not be a witness. The
19	principal's attending physician at the time the advance directive is signed may not be a witness.]
20	[(e) If the principal is a patient in a long term care facility at the time the advance directive is
21	executed, one of the witnesses must be an individual designated by the facility and having any quali-
22	fications that may be specified by the Department of Human Services by rule.]
23	(2) An advance directive or a form appointing a health care representative must reflect
24	the date of the principal's signature or other method of accepting the advance directive or
25	the form appointing a health care representative. To be valid, an advance directive or a form
26	appointing a health care representative must be:
27	(a) Witnessed and signed by at least two adults; or
28	(b) Notarized by a notary public.
29	(3) If an advance directive or a form appointing a health care representative is validated
30	under subsection (2)(a) of this section, each witness must witness:
31	(a) The principal signing the advance directive or the form appointing a health care rep-
32	resentative; or
33	(b) The principal acknowledging the signature of the principal on the advance directive
34	or the form appointing a health care representative, or the principal acknowledging any
35	other method by which the principal accepted the advance directive or the form appointing
36	a health care representative.
37	(4) For an advance directive or a form appointing a health care representative to be valid
38	under subsection (2)(a) of this section, the witnesses may not, on the date the advance di-
39	rective or the form appointing a health care representative is signed or acknowledged:
40	(a) Be the principal's attending physician or attending health care provider.
41	(b) Be the principal's health care representative or alternate health care representative
42	appointed under ORS 127.510.
43	(5) If an advance directive or a form appointing a health care representative is validated
44	under subsection (2)(a) of this section, and if the principal is a patient in a long term care
45	facility at the time the advance directive or the form appointing a health care representative

1	is executed, one of the witnesses must be an individual who is designated by the facility and
2	qualified as specified by the Department of Human Services by rule.
3	[(5)] (6) Notwithstanding [subsections (2) to (4)] subsection (2) of this section, an advance di-
4	rective or a form appointing a health care representative that is executed by an adult who [at
5	the time of execution resided in another state,] resides in another state at the time of execution
6	and that is executed in compliance with [the formalities of execution required by] the laws of that
7	state, the laws of the state where the principal [was] is located at the time of the execution or the
8	laws of this state[,] is validly executed for the purposes of ORS 127.505 to 127.660 [and 127.995 and
9	may be given effect in accordance with its provisions, subject to the laws of this state].

11	DEFINITIONS
12	
13	SECTION 9. ORS 127.505 is amended to read:
14	127.505. As used in ORS 127.505 to 127.660 and 127.995:
15	(1) "Adult" means an individual who:
16	(a) Is 18 years of age or older[, who]; or
17	(b) Has been adjudicated an emancipated minor, or [who] is a minor who is married.
18	[(2) "Advance directive" means a document that contains a health care instruction or a power of
19	attorney for health care.]
20	(2)(a) "Advance directive" means a document executed by a principal that contains:
21	(A) A form appointing a health care representative; and
22	(B) Instructions to the health care representative.
23	(b) "Advanced directive" includes any supplementary document or writing attached by
24	the principal to the document described in paragraph (a) of this subsection.
25	(3) "Appointment" means [a power of attorney for health care] the portion of the form adopted
26	under section 3 of this 2017 Act used to appoint a health care representative or an alternate
27	health care representative, the form set forth in section 5 of this 2017 Act, letters of
28	guardianship or a court order appointing a health care representative.
29	(4)(a) "Artificially administered nutrition and hydration" means a medical intervention to pro-
30	vide food and water by tube, mechanical device or other medically assisted method.
31	(b) "Artificially administered nutrition and hydration" does not include the usual and typical
32	provision of nutrition and hydration, such as the provision of nutrition and hydration by cup, hand,
33	bottle, drinking straw or eating utensil.
34 27	(5) "Attending health care provider" means the health care provider who has primary
35	responsibility for the care and treatment of the principal, provided that the powers and du-
36	ties conferred on the health care provider by ORS 127.505 to 127.660 are within the health
37	care provider's scope of practice.
38	[(5)] (6) "Attending physician" means the physician who has primary responsibility for the care
39	and treatment of the principal.
40	[(6) "Attorney-in-fact" means an adult appointed to make health care decisions for a principal under
41	a power of attorney for health care, and includes an alternative attorney-in-fact.]
42	[(7) "Dementia" means a degenerative condition that causes progressive deterioration of intellectual
43	functioning and other cognitive skills, including but not limited to aphasia, apraxia, memory, agnosia
44	and executive functioning, that leads to a significant impairment in social or occupational function and
45	that represents a significant decline from a previous level of functioning. Diagnosis is by history and

physical examination.] 1

2 (7) "Capable" means not incapable.

(8) "Form appointing a health care representative" means the portion of the form 3 adopted under section 3 of this 2017 Act used to appoint a health care representative or an 4 alternate health care representative or the form set forth in section 5 of this 2017 Act. 5

[(8)] (9) "Health care" means diagnosis, treatment or care of disease, injury and congenital or 6 degenerative conditions, including the use, maintenance, withdrawal or withholding of life-sustaining 7 procedures and the use, maintenance, withdrawal or withholding of artificially administered nutri-8 9 tion and hydration.

10 [(9)] (10) "Health care decision" means consent, refusal of consent or withholding or withdrawal of consent to health care, and includes decisions relating to admission to or discharge from a health 11 12 care facility.

[(10)] (11) "Health care facility" means a health care facility as defined in ORS 442.015, a 13 domiciliary care facility as defined in ORS 443.205, a residential facility as defined in ORS 443.400, 14 15 an adult foster home as defined in ORS 443.705 or a hospice program as defined in ORS 443.850.

16 [(11) "Health care instruction" or "instruction" means a document executed by a principal to indicate the principal's instructions regarding health care decisions.] 17

18 [(12)] (12)(a) "Health care provider" means a person licensed, certified or otherwise authorized or permitted by the [law] laws of this state to administer health care in the ordinary course of 19 business or practice of a profession[, and includes a health care facility]. 20

(b) "Health care provider" includes a health care facility. 21

22(13) "Health care representative" means:

[(a) An attorney-in-fact;] 23

(a) A competent adult appointed to be a health care representative or an alternate health 94 care representative under ORS 127.510. 25

(b) A person who has authority to make health care decisions for a principal under the pro-2627visions of ORS 127.635 (2) or (3)[; or].

(c) A guardian or other person, appointed by a court to make health care decisions for a prin-28cipal. 29

30 (14) "Incapable" means that in the opinion of the court in a proceeding to appoint or confirm 31 authority of a health care representative, or in the opinion of the principal's attending physician 32or attending health care provider, a principal lacks the ability to make and communicate health care decisions to health care providers, including communication through persons familiar with the 33 34 principal's manner of communicating if those persons are available. ["Capable" means not 35incapable.]

(15) "Instrument" means an advance directive, [acceptance,] form appointing a health care 36 37 representative, disqualification, withdrawal, court order, court appointment or other document 38 governing health care decisions.

[(16) "Life support" means life-sustaining procedures.] 39

[(17)] (16)(a) "Life-sustaining procedure" means any medical procedure, pharmaceutical, medical 40 device or medical intervention that maintains life by sustaining, restoring or supplanting a vital 41 function. 42

(b) "Life-sustaining procedure" does not include routine care necessary to sustain patient 43 cleanliness and comfort. 44

45

[(18)] (17) "Medically confirmed" means the medical opinion of the attending physician or at-

tending health care provider has been confirmed by a second physician or second health care 1 2 provider who has examined the patient and who has clinical privileges or expertise with respect to the condition to be confirmed. 3 [(19)] (18) "Permanently unconscious" means completely lacking an awareness of self and ex-4 ternal environment, with no reasonable possibility of a return to a conscious state, and that condi-5 tion has been medically confirmed by a neurological specialist who is an expert in the examination 6 7 of unresponsive individuals. [(20)] (19) "Physician" means an individual licensed to practice medicine by the Oregon Medical 8 9 Board. [(21) "Power of attorney for health care" means a power of attorney document that authorizes an 10 attorney-in-fact to make health care decisions for the principal when the principal is incapable.] 11 12[(22)] (20) "Principal" means: (a) An adult who has executed an advance directive; 13 (b) A person of any age who has a health care representative; 14 15 (c) A person for whom a health care representative is sought; or 16 (d) A person being evaluated for capability [who will have] to whom a health care representative will be assigned if the person is determined to be incapable. 17 18 [(23)] (21) "Terminal condition" means a health condition in which death is imminent irrespective of treatment, and where the application of life-sustaining procedures or the artificial adminis-19 tration of nutrition and hydration serves only to postpone the moment of death of the principal. 20[(24) "Tube feeding" means artificially administered nutrition and hydration.] 212223 **TECHNICAL AMENDMENTS** 94 SECTION 10. ORS 127.005 is amended to read: 25127.005. (1) When a principal designates another person as an agent by a power of attorney in 2627writing, and the power of attorney does not contain words that otherwise delay or limit the period of time of its effectiveness: 28 (a) The power of attorney becomes effective when executed and remains in effect until the power 2930 is revoked by the principal; 31 (b) The powers of the agent are unaffected by the passage of time; and 32(c) The powers of the agent are exercisable by the agent on behalf of the principal even though the principal becomes financially incapable. 33 34 (2) The terms of a power of attorney may provide that the power of attorney will become effective at a specified future time, or will become effective upon the occurrence of a specified future 35event or contingency such as the principal becoming financially incapable. If a power of attorney 36 37 becomes effective upon the occurrence of a specified future event or contingency, the power of at-38 torney may designate a person or persons to determine whether the specified event or contingency has occurred, and the manner in which the determination must be made. A person designated by a 39 power of attorney to determine whether the principal is financially incapable is the principal's per-40 sonal representative for the purposes of ORS 192.553 to 192.581 and the federal Health Insurance 41 Portability and Accountability Act privacy regulations, 45 C.F.R. parts 160 and 164. 42

B-Eng. SB 494

(3) If a power of attorney becomes effective upon the principal becoming financially incapable
and either the power of attorney does not designate a person or persons to make the determination
as to whether the principal is financially incapable or none of the designated persons is willing or

able to make the determination, a determination that the principal is financially incapable may be 1 2 made by any physician. The physician's determination must be made in writing.

(4) All acts done by an agent under a power of attorney during a period in which the principal 3 is financially incapable have the same effect, and inure to the benefit of and bind the principal, as 4 though the principal were not financially incapable. 5

(5) If a conservator is appointed for a principal, the agent shall account to the conservator, 6 7 rather than to the principal, for so long as the conservatorship lasts. The conservator has the same power that the principal would have to revoke, suspend or terminate all or any part of the power 8 9 of attorney.

(6) This section does not apply to [powers of attorney for health care executed under] ORS 127.505 10 to 127.660 [and 127.995]. 11

12

SECTION 11. ORS 127.520 is amended to read:

13 127.520. (1) Except as provided in ORS 127.635 or as may be allowed by court order, the following persons may not serve as health care representatives: 14

15 (a) If unrelated to the principal by blood, marriage or adoption:

(A) The attending physician or attending health care provider of the principal, or an em-16 17 ployee of the attending physician or attending health care provider of the principal; or

18 (B) An owner, operator or employee of a health care facility in which the principal is a patient or resident, unless the health care representative was appointed before the principal's admission to 19 the facility; or 20

(b) A person who is the principal's parent or former guardian [and] if:

22(A) At any time while the principal was under the care, custody or control of the person, a court entered an order: 23

(i) Taking the principal into protective custody under ORS 419B.150; or 24

(ii) Committing the principal to the legal custody of the Department of Human Services for care, 25placement and supervision under ORS 419B.337; and 26

27

21

(B) The court entered a subsequent order that:

(i) The principal should be permanently removed from the person's home, or continued in sub-28stitute care, because it was not safe for the principal to be returned to the person's home, and no 2930 subsequent order of the court was entered that permitted the principal to return to the person's 31 home before the principal's wardship was terminated under ORS 419B.328; or

(ii) Terminated the person's parental rights under ORS 419B.500 and 419B.502 to 419B.524. 32

(2) A principal, while not incapable, may petition the court to remove a prohibition [contained] 33 34 described in subsection (1)(b) of this section.

35(3) A capable adult may disqualify any other person from making health care decisions for the capable adult. The disqualification must be in writing and signed by the capable adult. The dis-36 37 qualification must specifically designate those persons who are disqualified.

38

(4) A health care representative whose authority has been revoked by a court is disqualified.

(5) A health care provider who has actual knowledge of a disqualification may not accept a 39 health care decision from [a] the disqualified [individual] person. 40

(6) A person who has been disqualified from making health care decisions for a principal, and 41 who is aware of that disqualification, may not make health care decisions for the principal. 42

SECTION 12. ORS 127.525 is amended to read: 43

127.525. [For an appointment under a power of attorney for health care to be effective, the 44 attorney-in-fact must accept the appointment in writing. Subject to the right of the attorney-in-fact to 45

withdraw, the acceptance imposes a duty on the attorney-in-fact to make health care decisions on behalf 1 2 of the principal at such time as the principal becomes incapable. Until the principal becomes incapable, the attorney-in-fact may withdraw by giving notice to the principal. After the principal becomes inca-3 pable, the attorney-in-fact may withdraw by giving notice to the health care provider.] For an ap-4 pointment of a health care representative or an alternate health care representative in a 5 form adopted under section 3 of this 2017 Act or in the form set forth in section 5 of this 2017 6 Act to be effective, the health care representative or the alternate health care representative 7 must accept the appointment as described in ORS 127.510. Subject to the right of the health 8 9 care representative or an alternate health care representative to withdraw, the acceptance imposes a duty on the health care representative or an alternate health care representative 10 to make health care decisions on behalf of the principal as described in ORS 127.510. Until 11 12 the principal becomes incapable, the health care representative or an alternate health care 13 representative may withdraw by giving notice to the principal. After the principal becomes incapable, the health care representative or an alternate health care representative may 14 15 withdraw by giving notice to the health care provider.

SECTION 13. ORS 127.535 is amended to read:

17 127.535. (1) [*The*] **A** health care representative has [*all the*] authority over the principal's health 18 care that the principal would have if **the principal were** not incapable, subject to the limitations 19 of the appointment and ORS 127.540 and 127.580. A health care representative who is known to 20 [*the*] **a** health care provider to be available to make health care decisions has priority over any 21 person other than the principal to act for the principal [*in all*] with respect to health care deci-22 sions. A health care representative has authority to make a health care decision for a principal only 23 when the principal is incapable.

(2) A health care representative is not personally responsible for the cost of health care provided to the principal solely because the health care representative makes health care decisions for
the principal.

(3) Except to the extent that the right is limited by the appointment or [any] by federal law
or regulation, a health care representative for an incapable principal has the same right as the
principal to receive information regarding the proposed health care, to receive and review medical
records and to consent to the disclosure of medical records. The right of the health care representative to receive [this] information as described in this section is not a waiver of any evidentiary
privilege or any right to assert confidentiality with respect to others.

(4) In making health care decisions, [the] a health care representative has a duty to act consistently with the desires of the principal as expressed in the principal's advance directive, or as otherwise made known by the principal to the health care representative [at any time]. If the principal's [desires] preferences are unknown, [the] a health care representative has a duty to act in [what] a manner that the health care representative in good faith believes to be in the best interests of the principal.

(5) ORS 127.505 to 127.660 do not authorize a health care representative or health care provider to withhold or withdraw life-sustaining procedures or artificially administered nutrition and hydration [*in any situation*] if the principal manifests an objection to the health care decision. If the principal objects to [*such a*] **the** health care decision, the health care provider shall proceed as though the principal [*were*] **is** capable [*for the purposes of*] **with respect to** the health care decision [*objected to*].

45

(6) An [instrument that would be a valid] advance directive or form appointing a health care

representative that would be valid except that the [instrument is not a form described in ORS 1 2 127.515, has] advance directive or form appointing a health care representative is expired, is not properly witnessed or otherwise fails to meet the formal requirements of ORS 127.505 to 127.660 3 shall constitute evidence of the patient's desires and interests. 4 $\mathbf{5}$ (7) A health care representative is a personal representative for the purposes of ORS 192.553 to 192.581 and the federal Health Insurance Portability and Accountability Act privacy regulations, 45 6 $\mathbf{7}$ C.F.R. parts 160 and 164. 8 SECTION 14. ORS 127.545 is amended to read: 9 127.545. (1) An advance directive or a health care decision by a health care representative may be revoked: 10 11 (a) If the advance directive or health care decision involves the decision to withhold or with-12 draw life-sustaining procedures or artificially administered nutrition and hydration, at any time and 13 in any manner by which the principal is able to communicate the intent to revoke; or (b) At any time and in any manner by a capable principal. 14 15 (2) Revocation is effective upon communication by the principal to the principal's attending physician [or], attending health care provider[, or to the] or health care representative. If the re-16 vocation is communicated by the principal to the principal's health care representative, and the 17 principal is incapable and is under the care of a health care provider known to the health care 18 19 representative, the health care representative must promptly inform the **principal's** attending phy-

20 sician or **attending** health care provider of the revocation.

(3) Upon learning [of the revocation, the health care provider or attending physician shall] about
a revocation of a health care decision, an attending physician or attending health care provider must cause the revocation to be made a part of the principal's medical records.

[(4) Execution of a valid power of attorney for health care revokes any prior power of attorney for health care. Unless the health care instruction provides otherwise, execution of a valid health care instruction revokes any prior health care instruction.]

27 (4) Unless the advance directive provides otherwise:

28

(a) Execution of an advance directive revokes any prior advance directive; and

[(5)] (b) [Unless the advance directive provides otherwise,] The directions [as] with respect to
 health care decisions in [a valid] an advance directive supersede:

31 [(a)] (A) Any directions contained in a previous court appointment or advance directive; and

32 [(b)] (B) Any prior inconsistent expression of [desires] preferences with respect to health care
 33 decisions.

34 [(6) Unless the power of attorney for health care provides otherwise, valid appointment of an 35 attorney-in-fact for health care supersedes:]

36 (5) Unless the form appointing a health care representative provides otherwise:

(a) Execution of a form appointing a health care representative revokes any prior form
 appointing a health care representative;

39 (b) Valid appointment of a health care representative or an alternate health care repre 40 sentative under ORS 127.510 supersedes:

41 [(a)] (A) Any power of a guardian or other person appointed by a court to make health care 42 decisions for the protected person; and

- 43 [(b)] (B) Any other prior appointment or designation of a health care representative[.]; and
- 44 [(7) Unless the power of attorney for health care expressly provides otherwise, a power of attorney 45 for health care is suspended:]

1 (c) A form appointing a health care representative is suspended:

2 [(a)] (A) If [both the attorney-in-fact and the alternative attorney-in-fact] the appointed health 3 care representative and all appointed alternate health care representatives have withdrawn; 4 or

5 [(b)] (B) If the [power of attorney] form appointing a health care representative names the 6 principal's spouse as [attorney-in-fact] the health care representative or an alternate health care 7 representative, a petition for dissolution or annulment of marriage is filed and the principal does 8 not reaffirm the appointment [in writing] after the filing of the petition.

9 [(8)(a)] (6)(a) If the principal has both a valid [health care instruction] advance directive and a 10 valid [power of attorney for health care] form appointing a health care representative, and if the 11 directions reflected in those documents are inconsistent, the document last executed governs to the 12 extent of the inconsistency.

(b) If the principal has both a valid [health care instruction] advance directive, or a valid [power of attorney for health care] form appointing a health care representative, and a declaration for mental health treatment made in accordance with ORS 127.700 to 127.737, and if the directions reflected in those documents are inconsistent, the [directions contained in the] declaration for mental health treatment governs to the extent of the inconsistency.

[(9)] (7) Any reinstatement of an advance directive or a form appointing a health care rep resentative must be in writing.

20 SECTION 15. ORS 127.550 is amended to read:

127.550. (1) A health care decision made by [an individual] a person who is authorized to make
 the decision under ORS 127.505 to 127.660 [and 127.995] is effective immediately and does not require
 judicial approval.

(2) A petition may be filed under ORS 127.505 to 127.660 [and 127.995] for [any] one or more of
 the following purposes:

26

(a) Determining whether a principal is incapable.

(b) Determining whether an appointment of [the] a health care representative or [a health care *instruction*] the execution of an advance directive is valid or has been suspended, reinstated, revoked or terminated.

(c) Determining whether the acts or proposed acts of [the] a health care representative breach
 any duty of the health care representative and whether those acts should be enjoined.

(d) Declaring that [an individual] a person is authorized to act as a health care representative.
(e) Disqualifying [the] a health care representative upon a determination of the court that the
health care representative has violated, has failed to perform or is unable to perform the duties
under ORS 127.535 (4).

36

(f) Approving any health care decision that by law requires court approval.

(g) Determining whether the acts or proposed acts of [*the*] **a** health care representative are clearly inconsistent with the [*desires*] **preferences** of the principal as made known to the health care representative, or where the [*desires*] **preferences** of the principal are unknown or unclear, whether the acts or proposed acts of the health care representative are clearly contrary to the best interests of the principal.

(h) Declaring that a [power of attorney for health care] form appointing a health care representative is suspended or revoked upon a determination by the court that the [attorney-in-fact]
appointed health care representative has made a health care decision for the principal that authorized anything illegal. A suspension or revocation of a [power of attorney] form appointing a

1 health care representative under this paragraph shall be in the discretion of the court.

2 (i) Considering any other matter that the court determines needs to be decided for the pro-3 tection of the principal.

- 4 (3) A petition may be filed by any of the following:
- 5 (a) The principal.

7

37

6 (b) [*The*] **A** health care representative.

(c) The spouse, parent, sibling or adult child of the principal.

8 (d) An adult relative or adult friend of the principal who is familiar with the desires of the 9 principal.

- 10 (e) The guardian of the principal.
- 11 (f) The conservator of the principal.

12 (g) The attending physician or **attending** health care provider of the principal.

(4) A petition under this section shall be filed in the circuit court in the county in which theprincipal resides or is located.

(5) [Any of the determinations] A determination described in this section may be made by the court as a part of a protective proceeding under ORS chapter 125 if a guardian or temporary guardian has been appointed for the principal, or if the petition seeks the appointment of a guardian or a temporary guardian for the principal.

19 **SECTION 16.** ORS 127.555 is amended to read:

127.555. (1) If there is more than one physician or health care provider caring for a principal, the principal shall designate one physician or one health care provider as the attending physician or the attending health care provider. If the principal is incapable, the health care representative for the principal shall designate the attending physician or the attending health care provider.

(2) Health care representatives, and persons who are acting under a reasonable belief that they
are health care representatives, [*shall not be*] **are not** guilty of any criminal offense, or subject to
civil liability, or in violation of any professional oath, affirmation or standard of care for any action
taken in good faith as a health care representative.

(3) A health care provider acting or declining to act in reliance on the health care decision
made in an advance directive or in a document that the health care provider reasonably believes to be an advance directive, made by an attending physician or attending health care
provider under ORS 127.635 (3), or made by a person who the health care provider believes is the
health care representative for an incapable principal, is not subject to criminal prosecution, civil
liability or professional disciplinary action on [*the*] grounds that the health care decision is unauthorized unless the health care provider:

(a) Fails to satisfy a duty that ORS 127.505 to 127.660 [and 127.995] place on the health care
 provider;

(b) Acts without medical confirmation as required under ORS 127.505 to 127.660 [and 127.995];

(c) Knows or has reason to know that the requirements of ORS 127.505 to 127.660 [and
 127.995] have not been satisfied; or

40 (d) Acts after receiving notice that:

(A) The authority or decision on which the health care provider relied is revoked, suspended,
 superseded or subject to other legal infirmity;

(B) A court challenge to the health care decision or the authority relied on in making the health
 care decision is pending; or

45 (C) The health care representative has withdrawn or has been disqualified.

1 (4) The immunities provided by this section do not apply to:

2 (a) The manner of administering health care pursuant to a health care decision made by the 3 health care representative or by [a health care instruction] **an advance directive**; or

(b) The manner of determining the health condition or incapacity of the principal.

5 (5) A health care provider who determines that a principal is incapable is not subject to criminal 6 prosecution, civil liability or professional disciplinary action for failing to follow that principal's 7 direction except for a failure to follow a principal's manifestation of an objection to a health care 8 decision under ORS 127.535 (5).

9 **SI**

SECTION 17. ORS 127.565 is amended to read:

10 127.565. (1) In following [a health care instruction] **an advance directive** or the decision of a 11 health care representative, a health care provider shall exercise the same independent medical 12 judgment that the health care provider would exercise in following the decisions of the principal if 13 the principal were capable.

(2) [No] A person [shall] may not be required [either] to execute or to refrain from executing an advance directive or to appoint or to refrain from appointing a health care representative as a [criterion] condition for insurance. [No] A health care provider [shall] may not condition the provision of health care or otherwise discriminate against an individual based on whether or not the individual has executed an advance directive or has appointed a health care representative.

(3) No existing or future policy of insurance [shall be] is legally impaired or invalidated in any
manner by actions taken under ORS 127.505 to 127.660 [and 127.995]. [No person shall] A person
may not be discriminated against in premium or contract rates because of the existence or absence
of an advance directive or appointment of a health care representative.

(4) Nothing in ORS 127.505 to 127.660 [and 127.995] is intended to impair or supersede any
 conflicting federal statute.

25

SECTION 18. ORS 127.625 is amended to read:

127.625. (1) [No health care provider shall be] A health care provider is not under any duty, whether by contract, [by] statute or [by any] other legal requirement, to participate in the withdrawal or withholding of life-sustaining procedures or of artificially administered nutrition or hydration.

(2) If a health care provider is unable or unwilling to carry out [a health care instruction] an
advance directive or the decisions of the health care representative, the following provisions apply:
(a) The health care provider shall promptly notify the health care representative, if [there is]
the principal has appointed a health care representative;

(b) If the authority or decision of the health care representative is in dispute, the health care
representative or **health care** provider may seek the guidance of the court in the manner provided
in ORS 127.550;

(c) If the health care representative's authority or decision is not in dispute, the health care
 representative shall make a reasonable effort to transfer the principal to the care of another physician or health care provider; and

(d) If there is no health care representative for an incapable patient, and the health care decisions are not in dispute, the health care provider shall, without abandoning the patient, either discharge the patient or make a reasonable effort to locate a different physician or health care
provider and authorize the transfer of the patient to that physician or health care provider.

44 **SECTION 19.** ORS 127.635 is amended to read:

45 127.635. (1) Life-sustaining procedures [as defined in ORS 127.505] that would otherwise be ap-

1 plied to [an incapable] a principal who is incapable and who does not have an appointed health

2 care representative or applicable valid advance directive may be withheld or withdrawn in accord-

ance with subsections (2) and (3) of this section if the principal has been medically confirmed to be
in one of the following conditions:

5 (a) A terminal condition;

6 (b) Permanently unconscious;

7 (c) A condition in which administration of life-sustaining procedures would not benefit the 8 principal's medical condition and would cause permanent and severe pain; or

9 (d) The person has a progressive illness that will be fatal and is in an advanced stage, the per-10 son is consistently and permanently unable to communicate by any means, swallow food and water 11 safely, care for the person's self and recognize the person's family and other people, and it is very 12 unlikely that the person's condition will substantially improve.

(2) If a principal's condition has been determined to meet one of the conditions set forth in subsection (1) of this section, and the principal does not have an appointed health care representative or applicable **valid** advance directive, the principal's health care representative shall be the first of the following, in the following order, who can be located upon reasonable effort by the health care facility and who is willing to serve as the health care representative:

18 (a) A guardian of the principal who is authorized to make health care decisions, if any;

19 (b) The principal's spouse;

20 (c) An adult designated by the others listed in this subsection who can be so located, if no 21 person listed in this subsection objects to the designation;

(d) A majority of the adult children of the principal who can be so located;

23 (e) Either parent of the principal;

24 (f) A majority of the adult siblings of the principal who can be located with reasonable effort;25 or

26

22

(g) Any adult relative or adult friend.

(3) If none of the persons described in subsection (2) of this section is available, then lifesustaining procedures may be withheld or withdrawn upon the direction and under the supervision
of the attending physician or attending health care provider.

(4) Life-sustaining procedures may be withheld or withdrawn upon the direction and under the supervision of the attending physician or attending health care provider at the request of a person designated the health care representative under subsections (2) and (3) of this section only after the person has consulted with concerned family and close friends[,] and, if the principal has a case manager, as defined by rules adopted by the Department of Human Services, after giving notice to the principal's case manager.

(5) Notwithstanding subsection (2) of this section, a person who is the principal's parent or for mer guardian may not withhold or withdraw life-sustaining procedures under this section if:

(a) At any time while the principal was under the care, custody or control of the person, a court
 entered an order:

40 (A) Taking the principal into protective custody under ORS 419B.150; or

(B) Committing the principal to the legal custody of the Department of Human Services for care,
 placement and supervision under ORS 419B.337; and

43 (b) The court entered a subsequent order that:

(A) The principal should be permanently removed from the person's home, or continued in sub stitute care, because it was not safe for the principal to be returned to the person's home, and no

subsequent order of the court was entered that permitted the principal to return to the person's
 home before the principal's wardship was terminated under ORS 419B.328; or

(B) Terminated the person's parental rights under ORS 419B.500 and 419B.502 to 419B.524.

4 (6) A principal, while not incapable, may petition the court to remove a prohibition contained 5 in subsection (5) of this section.

6 **SECTION 20.** ORS 127.640 is amended to read:

3

127.640. Before withholding or withdrawing life-sustaining procedures or artificially administered
nutrition and hydration under the provisions of ORS 127.540, 127.580 or 127.635, the attending physician or attending health care provider shall determine that the conditions of ORS 127.540,
127.580 and 127.635 have been met.

11 SECTION 21. ORS 127.649 is amended to read:

12 127.649. (1) Subject to the provisions of ORS 127.652 and 127.654, all health care organizations 13 shall maintain written policies and procedures, applicable to [*all capable adults who are receiving*] 14 **each capable adult individual who receives** health care by or through the health care organiza-15 tion, that provide for:

(a) Delivering to [those individuals] the individual the following information and materials, in
 written form, without recommendation:

(A) Information on the rights of the individual under [Oregon law] the laws of this state to
make health care decisions, including the right to accept or refuse medical or surgical treatment
and the right to execute [advance directives] an advance directive or a form appointing a health
care representative;

(B) Information on the policies of the health care organization with respect to the implementation of the rights of the individual under [*Oregon law*] the laws of this state to make health care
decisions;

[(C) A copy of the advance directive set forth in ORS 127.531, along with a disclaimer on the first
line of the first page of each form in at least 16-point boldfaced type stating "You do not have to fill
out and sign this form."; and]

(C) Materials necessary to execute an advance directive or a form appointing a health
 care representative; and

(D) The name of a person who can provide additional information concerning [the forms for]
 advance directives and forms appointing a health care representative.

(b) Documenting in a prominent place in the individual's medical record whether the individual
 has executed an advance directive or a form appointing a health care representative.

(c) Ensuring compliance by the health care organization with [Oregon law relating to advance
 directives] the laws of this state governing advance directives and forms appointing a health
 care representative.

(d) Educating the staff and the community on issues relating to advance directives and forms
 appointing a health care representative.

(2) A health care organization [need not furnish a copy of an advance directive to an individual] does not need to deliver materials described in subsection (1)(a)(C) of this section if the health care organization has reason to believe that the individual [has received a copy of an advance directive in the form set forth in ORS 127.531 within] has received materials described in subsection (1)(a)(C) of this section during the preceding 12-month period or has previously executed an advance directive or a form appointing a health care representative.

45 **SECTION 22.** ORS 127.737 is amended to read:

1 127.737. [(1)] ORS 127.525, 127.550, 127.565, 127.570, 127.575 and 127.995 apply to a declaration

2 for mental health treatment.

3 [(2) For purposes of this section only, a declaration shall be considered a power of attorney for 4 health care, without regard to whether the declaration appoints an attorney-in-fact.]

5 SECTION 23. ORS 127.760 is amended to read:

6 127.760. (1) As used in this section:

(a) "Health care instruction" means a document executed by a patient to indicate the patient's
instructions regarding health care decisions[, *including an advance directive or power of attorney for health care executed under ORS 127.505 to 127.660*].

(b) "Health care provider" means a person licensed, certified or otherwise authorized by the law
 of this state to administer health care in the ordinary course of business or practice of a profession.

12 (c) "Hospital" has the meaning given that term in ORS 442.015.

(d) "Mental health treatment" means convulsive treatment, treatment of mental illness with
psychoactive medication, psychosurgery, admission to and retention in a health care facility for care
or treatment of mental illness, and related outpatient services.

16 (2)(a)(A) A hospital may appoint a health care provider who has received training in health care 17 ethics, including identification and management of conflicts of interest and acting in the best inter-18 est of the patient, to give informed consent to medically necessary health care services on behalf 19 of a patient admitted to the hospital in accordance with subsection (3) of this section.

(B) If a person appointed under subparagraph (A) of this paragraph is the patient's attending physician, the hospital must also appoint another health care provider who meets the requirements of subparagraph (A) of this paragraph to participate in making decisions about giving informed consent to health care services on behalf of the patient.

(b) A hospital may appoint a multidisciplinary committee with ethics as a core component of the duties of the committee, or a hospital ethics committee, to participate in making decisions about giving informed consent to medically necessary health care services on behalf of a patient admitted to the hospital in accordance with subsection (3) of this section.

(3) A person appointed by a hospital under subsection (2) of this section may give informed
 consent to medically necessary health care services on behalf of and in the best interest of a patient
 admitted to the hospital if:

(a) In the medical opinion of the attending physician, the patient lacks the ability to make and
 communicate health care decisions to health care providers;

(b) The hospital has performed a reasonable search, in accordance with the hospital's policy for locating relatives and friends of a patient, for a health care representative appointed under ORS 127.505 to 127.660 or an adult relative or adult friend of the patient who is capable of making health care decisions for the patient, including contacting social service agencies of the Oregon Health Authority or the Department of Human Services if the hospital has reason to believe that the patient has a case manager with the authority or the department, and has been unable to locate any person who is capable of making health care decisions for the patient; and

40 (c) The hospital has performed a reasonable search for and is unable to locate any health care41 instruction executed by the patient.

42 (4) Notwithstanding subsection (3) of this section, if a patient's wishes regarding health care 43 services were made known during a period when the patient was capable of making and communi-44 cating health care decisions, the hospital and the person appointed under subsection (2) of this 45 section shall comply with those wishes.

(5) A person appointed under subsection (2) of this section may not consent on a patient's behalf 1 2 to: 3 (a) Mental health treatment; (b) Sterilization; 4 (c) Abortion; 5 (d) Except as provided in ORS 127.635 (3), the withholding or withdrawal of life-sustaining pro-6 cedures as defined in ORS 127.505; or 7 (e) Except as provided in ORS 127.580 (2), the withholding or withdrawal of artificially admin-8 9 istered nutrition and hydration, as defined in ORS 127.505, other than hyperalimentation, necessary 10 to sustain life. (6) If the person appointed under subsection (2) of this section knows the patient's religious 11 12 preference, the person shall make reasonable efforts to confer with a member of the clergy of the 13 patient's religious tradition before giving informed consent to health care services on behalf of the patient. 14 15 (7) A person appointed under subsection (2) of this section is not a health care representative as defined in ORS 127.505. 16 SECTION 24.
