- 27 <u>(a) Entrance. -- A governmental unit may enter into a</u>
- 28 sustainable capital improvement contract with a qualified
- 29 provider under this subchapter or in accordance with another
- 30 statutorily authorized procurement process.

- 1 (b) Sustainable capital improvement contract.--If, in
- 2 <u>accordance with applicable law, the award of a contract by a</u>
- 3 governmental unit requires action at a public meeting, a
- 4 governmental unit may award a sustainable capital improvement
- 5 <u>contract at a public meeting if the governmental unit has</u>
- 6 provided public notice, including the purpose of and names of
- 7 the parties to the contract, in the manner prescribed under 65
- 8 Pa.C.S. Ch. 7 (relating to open meetings). For governmental
- 9 <u>units that are not required to take actions on contracts at</u>
- 10 public meetings, the governmental unit may award a sustainable
- 11 <u>capital improvement contract in accordance with the procedures</u>
- 12 adopted by the governmental unit and the requirements of
- 13 <u>applicable law.</u>
- 14 <u>(c) Competitive sealed proposals.--For the purpose of</u>
- 15 entering into a sustainable capital improvement contract, all
- 16 governmental units shall be authorized to utilize the
- 17 competitive sealed proposal method of procurement. The
- 18 governmental unit shall evaluate any proposal that meets the
- 19 requirements of the governmental unit and is timely submitted by
- 20 a qualified provider. The request for proposals shall be
- 21 announced through a public notice from the governmental unit
- 22 which shall administer the program. The request for proposals
- 23 shall provide all interested parties with sufficient information
- 24 necessary to submit a timely and responsive proposal.
- 25 (d) Selection and notice. -- The governmental unit shall
- 26 select the qualified provider that best meets the needs of the
- 27 governmental unit in accordance with criteria established by the
- 28 governmental unit. For governmental units that are not required
- 29 to take actions on contracts at public meetings, the
- 30 governmental unit shall transmit notice of the award of the

- 1 <u>sustainable capital improvement contract to the Legislative</u>
- 2 Reference Bureau within 30 days for publication in the next
- 3 available issue of the Pennsylvania Bulletin. The notice shall
- 4 <u>include the names of the parties to the contract and the purpose</u>
- 5 of the contract. For governmental units that are required to
- 6 take actions on contracts at public meetings, the public notice
- 7 shall be made at least 10 days prior to the meeting.
- 8 <u>(e) Report.--</u>
- 9 (1) Before the award of a sustainable capital
- 10 <u>improvement contract, the qualified provider shall provide a</u>
- 11 report as part of the proposal, which shall be available for
- 12 <u>public inspection, summarizing estimates of all costs of</u>
- installation, maintenance, repairs and debt service.
- 14 (2) The report shall contain a listing of contractors
- and subcontractors to be used by the qualified provider with
- 16 <u>respect to the sustainable capital improvement project.</u>
- 17 (f) Bond.--A qualified provider to whom a contract is
- 18 awarded shall give a sufficient bond to the governmental unit
- 19 for faithful performance. Commonwealth agencies shall obtain
- 20 bonds in accordance with the provisions of section 533 (relating
- 21 to security and performance bonds). All other governmental units
- 22 shall obtain bonds in accordance with the act of December 20,
- 23 1967 (P.L.869, No.385), known as the Public Works Contractors'
- 24 Bond Law of 1967.
- 25 (g) Award of contract. -- A governmental unit may enter into a
- 26 single sustainable capital improvement contract with each
- 27 <u>responsible provider selected in accordance with the provisions</u>
- 28 of this subchapter.
- 29 (h) Project development agreement. -- Prior to the execution
- 30 of a sustainable capital improvement project contract, a

- 1 governmental unit and a qualified provider may enter into a
- 2 project development agreement under which the project design,
- 3 project costs, project financing structure, key performance
- 4 <u>indicators and other applicable terms and conditions shall be</u>
- 5 <u>finalized</u>.
- 6 (i) Prevailing wage. -- For any sustainable capital
- 7 improvement project contract, the qualified provider and any
- 8 contractor or subcontractor performing services as part of the
- 9 <u>sustainable capital improvement project contract shall ensure</u>
- 10 that all contractors and subcontractors engaged during the on-
- 11 <u>site construction</u>, renovation, rehabilitation, reconstruction,
- 12 demolition, alteration and repair work, other than maintenance
- 13 work, on any segment of work at the facility, pay to workers not
- 14 less than the prevailing minimum wage and benefit rates for all
- 15 crafts or classifications, as determined by the Department of
- 16 Labor and Industry under the act of August 15, 1961 (P.L.987,
- 17 No.442), known as the Pennsylvania Prevailing Wage Act.
- 18 (j) Qualifications. -- Before the qualified provider enters
- 19 into a sustainable capital improvement project contract, the
- 20 gualified provider shall submit an affidavit to the governmental
- 21 unit to ensure that any contractor or subcontractor performing
- 22 services as part of the sustainable capital improvement project
- 23 contract meets all of the following requirements:
- 24 (1) Maintains all valid licenses, registrations or
- 25 certificates required by the Federal Government, the
- 26 Commonwealth or a local government entity that are necessary
- to do business or perform applicable work.

- 2 bonding and liability insurance requirements as specified in
- 3 <u>the sustainable capital improvement project contract.</u>
- 4 (3) Has not defaulted on a project, declared bankruptcy,
- 5 <u>been debarred or suspended on a project by the Federal</u>
- 6 Government, the Commonwealth or a government entity within
- 7 <u>the previous three years.</u>
- 8 (4) Has not been convicted of a misdemeanor or felony
- 9 <u>relating to the performance or operation of the business of</u>
- the contractor or subcontractor within the previous 10 years.
- 11 <u>(5) Has completed a minimum of the United States</u>
- 12 Occupational Safety and Health Administration's 10-hour
- 13 <u>safety training course or similar training sufficient to</u>
- prepare workers for any hazards that may be encountered
- 15 during their work.
- 16 § 3764. Contract provisions.
- 17 (a) Payment time. -- A sustainable capital improvement project
- 18 contract may provide that all payments, except obligations on
- 19 termination of the contract before expiration, shall be made
- 20 over a period of time.
- 21 (b) Key performance indices. -- A sustainable capital
- 22 improvement project contract shall include key performance
- 23 indicators for the services requested by the governmental unit.
- 24 (c) Payments. -- A sustainable capital improvement project
- 25 contract may provide for payments over a period of time not to
- 26 exceed 35 years and for the evaluation, recommendation, design,
- 27 <u>implementation</u>, installation and operation and maintenance of
- 28 services provided for under this subchapter and in accordance
- 29 with the following:
- 30 (1) Payments to a qualified provider who does not meet

1	obligations under the key performance indicators shall be
2	adjusted according to the terms of the sustainable capital
3	improvement project contract.
4	(2) A governmental unit shall not be required to make
5	payments under a sustainable capital improvement project
6	contract until project construction is completed and the
7	assets are performing.
8	(d) Improvements not causally connected to a sustainable
9	capital improvement project An improvement that is not
10	causally connected to a sustainable capital improvement project
11	may be included in a sustainable capital improvement project if:
12	(1) the total value of the improvement does not exceed
13	15% of the total value of the sustainable capital improvement
14	<pre>project contract; and</pre>
15	(2) either:
16	(i) the improvement is necessary to conform to a
17	law, rule or ordinance; or
18	(ii) an analysis within the sustainable capital
19	improvement project contract demonstrates that there is
20	an economic advantage to the governmental unit
21	implementing an improvement as part of the sustainable
22	capital improvement project and the savings justification
23	for the improvement is documented by industry engineering
24	standards.
25	(e) Other expenditures A facility alteration which
26	includes expenditures that are required to properly implement a
27	sustainable capital improvement project may be included as part
28	of a sustainable capital improvement project contract, in which
29	case the installation of additional measures may be supervised
30	by the contractor performing the sustainable capital improvement

- 1 project.
- 2 <u>\$ 3765</u>. Funding.
- 3 (a) Termination. -- Sustainable capital improvement project
- 4 contracts that have terms which extend beyond one fiscal year of
