11 (b) Duties at stop signs.--Except when directed to proceed
12 by a police officer or appropriately attired persons authorized
13 to direct, control or regulate traffic or as provided for under
14 subsection (d), every driver of a vehicle approaching a stop
15 sign shall stop at a clearly marked stop line or, if no stop
16 line is present, before entering a crosswalk on the near side of
17 the intersection or, if no crosswalk is present, then at the
18 point nearest the intersecting roadway where the driver has a

1 clear view of approaching traffic on the intersecting roadway
2 before entering. If, after stopping at a crosswalk or clearly
3 marked stop line, a driver does not have a clear view of
4 approaching traffic, the driver shall after yielding the right-
5 of-way to any pedestrian in the crosswalk slowly pull forward
6 from the stopped position to a point where the driver has a
7 clear view of approaching traffic. The driver shall yield the
8 right-of-way to any vehicle in the intersection or approaching
9 on another roadway so closely as to constitute a hazard during
10 the time when the driver is moving across or within the
11 intersection or junction of roadways and enter the intersection
12 when it is safe to do so.

14 (d) Exception for cyclists.--An individual operating a
15 pedalcycle or pedalcycle with electric assist approaching a stop
16 sign may follow the requirements for a driver of a vehicle
17 approaching a yield sign as provided for in subsection (c),
18 unless the stop sign is:

19 (1) located at a railroad crossing, subject to the
20 requirement under section 3342 (relating to vehicles required
21 to stop at railroad crossings); or

22 (2) on a school bus that has its red signal lights
23 flashing and side stop signal arms activated, subject to the
24 requirement under section 3345 (relating to meeting or
25 overtaking school bus).

26 Section 2. This act shall take effect immediately.
