11 Section 2. Section 3(a) and (f) of the act are amended and
12 the section is amended by adding a subsection to read:

13 Section 3. Termination of dealer agreement.

14 (a) General provisions.--

15 (1) A dealer may terminate a dealer agreement with good
16 cause. A dealer shall give the supplier at least 30 days'
17 prior notice via registered letter mailed to the last known
18 address of the supplier.

19 (2) It shall be unlawful for a supplier to terminate,
20 cancel or fail to renew a dealer agreement or substantially
21 change the competitive circumstances of a dealer agreement
22 without good cause except as provided in subsection (b) or

23 (c).

24 * * *

25 (f) Deficiencies may be cured.--Except for termination,
26 cancellation or discontinuance for reasons set forth in
27 subsection (b)(3) through (7), the supplier shall allow the
28 dealer no less than [60] 90 days to cure the deficiencies set
29 forth in the notice required under subsection (e). Any such time
30 provided to the dealer to cure deficiencies shall be calculated

1 from the date of receipt of notice.

2 (g) Definition.--As used in this section, the term "good
3 cause" means the failure by a dealer to substantially comply
4 with the requirements imposed upon the dealer by the dealer
5 agreement, as long as the requirements are not different from
6 requirements imposed on other dealers of the same size,
7 geographic region and market demographics, either by their terms
8 or in the manner of their enforcement.

9 Section 3. Sections 5 and 6 of the act are amended to read:

10 Section 5. Death or incapacitation of dealer.

11 In the event of the death or incapacity of a dealer, the
12 supplier shall repurchase, at the option of the heir or
13 authorized representative of such person or stockholder, the
14 equipment, repair parts and specialized repair tools of the
15 dealer as if the supplier had terminated, canceled or failed to
16 renew the contract. The heir or authorized representative shall
17 have [120 days] one year from the date of the death of such
18 dealer or from the date such dealer is determined to be
19 incapacitated or becomes totally disabled, as applicable, to
20 exercise the option under this section. Nothing in this act
21 requires the repurchase of any equipment, repair parts and
22 specialized repair tools if the heir and supplier enter into a
23 new contract to operate the retail dealership.

24 Section 6. Repurchase of [unused specialized repair tools]
25 specialized support products required by
26 manufacturer.

27 (a) General rule.--A supplier shall repurchase, upon the
28 written request of a dealer, any specialized repair tool
29 purchased by the dealer pursuant to the requirements of the
30 supplier which remains unused for more than a 12-month period

1 after the dealer receives the same. The repurchase price payable
2 to the dealer under this section shall be the original cost to
3 the dealer plus a handling charge equal to 10% of such original
4 cost. A supplier shall repurchase at fair market value any
5 specific signage, data processing hardware, computer equipment,
6 communications equipment or software the supplier required the
7 dealer to acquire or purchase to satisfy the requirements of the
8 supplier. Fair market value of property subject to repurchase
9 pursuant to this section shall include the acquisition cost,
10 including any installation, shipping, handling, and set-up fees,
11 less straight line depreciation of such acquisition cost over
12 five years.

13 (b) Amount.--Specialized repair tools shall be repurchased
14 at a sum equal to 75% of the last published net cost, including
15 shipping, handling and set-up fees, of all specialized repair
16 tools previously purchased pursuant to requirements of the
17 supplier. The specialized repair tools must be complete and in
18 working condition and must have been purchased within ten years
19 prior to the date of notification of termination of the dealer
20 agreement.

21 Section 4. Section 9 of the act is repealed:

22 [Section 9. No coercion.

23 It shall be a violation for any supplier to require, attempt
24 to require, coerce or attempt to coerce any dealer in this
25 Commonwealth to order or accept delivery of any equipment or
26 repair parts not required by law which shall not have been
27 voluntarily ordered by the dealer.]

28 Section 5. The act is amended by adding sections to read:

29 Section 9.1. Violations of act.

30 It shall be a violation for any supplier:

1 (1) To mandate or coerce a dealer concerning the
2 opportunity to represent, purchase or sell competitive
3 equipment.

4 (2) To mandate or coerce a dealer to order or accept
5 delivery of equipment or repair parts not required by law
6 which have not been voluntarily ordered by the dealer unless
7 the equipment or repair parts are safety features required by
8 the supplier.

9 (3) To refuse a dealer the opportunity to participate in
10 the management or investment to acquire any other business.

11 (4) To refuse to deliver in reasonable quantities and
12 within a reasonable time, after receipt of the dealer's
13 order, to a dealer having a dealer agreement for the retail
14 sale of new equipment sold or distributed by the supplier,
15 equipment covered by the dealer agreement specifically
16 advertised or represented by the supplier to be available for
17 immediate delivery. The failure to deliver the equipment
18 shall not be considered a violation of this act if the
19 failure is due to prudent and reasonable restrictions on
20 extension of credit by the supplier to the dealer, an act of
21 God, work stoppage or delay due to strike or labor
22 difficulty, a bona fide shortage of materials, freight
23 embargo or other cause over which the supplier has no
24 control.

25 (5) To discriminate, directly or indirectly, in filling
26 an order placed by a dealer for retail sale or lease of new
27 equipment under a dealer agreement as between dealers of the
28 same product line.

29 (6) To discriminate, directly or indirectly, in price
30 between different dealers with respect to purchases of

1 equipment or repair parts of like quality, if the effect of
2 the discrimination may be to substantially lessen
3 competition; to tend to create a monopoly in a line of
4 commerce; or to injure, destroy or prevent competition with a
5 dealer that either grants or knowingly receives the benefit
6 of the discrimination. However, different prices may be
7 charged if:

8 (i) the differences are due to the cost of
9 manufacture, sale or delivery of the equipment or repair
10 parts;

11 (ii) the supplier can show that its lower price was
12 made in good faith to meet an equally low price of a
13 competitor; or

14 (iii) the supplier can show that the difference in
15 price is due to a volume-based incentive program or
16 volume-based discounts.

17 (7) To require a dealer to assent to a release,
18 assignment, novation, waiver or estoppel which would relieve
19 any person from liability imposed by this act.

20 Section 9.2. Warranty.

21 (a) General rule.--Warranty obligations include product
22 improvement programs, product upgrade programs and recalls and
23 warranty work. Warranty compensation shall include compensation
24 for diagnostic time, repair service time, parts and a dealer's
25 transportation costs of equipment to the dealership for needed
26 warranty repairs and the return of the equipment to the
27 customer. Transportation costs paid by the supplier must be
28 based upon the distance to the nearest in-line dealer from the
29 customer's location. Compensation and labor rate shall be at the
30 publicly posted shop labor rate.

1 (b) Payment of warranty claim.--Whenever a supplier and a
2 dealer enter into an agreement providing the dealer's customer
3 warranties, the supplier shall pay any warranty claim made by
4 the dealer for warranty parts or service within 30 days after
5 its receipt and approval. The supplier shall approve or
6 disapprove a warranty claim within 30 days after its receipt. If
7 a claim is not specifically disapproved in writing within 30
8 days after its receipt, it is deemed to be approved and payment
9 shall be made by the supplier within 30 days. The following
10 apply:

11 (1) A dealer that performs warranty work as provided for
12 in this section shall be compensated for the dealer's labor
13 in an amount that is not less than the reasonable and
14 customary amount of time required to complete the work,
15 expressed in hours and fraction of hours, multiplied by the
16 dealer's posted hourly labor rate.

17 (2) A dealer that performs warranty work as provided for
18 in this section shall be compensated for parts used in
19 fulfilling the warranty work in accordance with the
20 manufacturer's stated warranty policy but in no case in an
21 amount that is less than the dealer's costs for the parts
22 plus 20%, plus all freight and handling charges applicable to
23 such parts, to reimburse the dealer's reasonable costs of
24 doing business and providing the warranty service on behalf
25 of the supplier. If the warranty work is provided on behalf
26 of the supplier on a product sold by a nonservicing dealer,
27 the compensation for parts used in fulfilling the warranty
28 work must be at an amount that is not less than the
29 supplier's suggested list price or dealer's cost plus a
30 minimum of 30%, whichever is greater, plus freight and

1 handling charges applicable to the parts.

2 (c) Indemnity.--If a supplier and a dealer enter into a
3 dealer agreement, the supplier shall indemnify and hold harmless
4 the dealer against any judgment for damages arising from breach
5 of warranty or rescission of the sale by the supplier as long as
6 the dealer has no independent liability for misstatement or
7 misrepresentation to the customer regarding the supplier's
8 product or product warranty.

9 Section 9.3. Remedies and enforcement.

10 The provisions of this act shall be supplemental to any
11 dealer agreement between the dealer and the supplier which
12 provides the dealer with greater protection. The dealer may
13 elect to pursue its contract remedy or the remedy provided by
14 State law, or both; and an election by the dealer to pursue such
15 remedies shall not bar its right to exercise any other remedies
16 that may be granted at law or in equity. If a supplier violates
17 this act, a dealer may bring an action against the supplier in a
18 court of competent jurisdiction for damages sustained by the
19 dealer as a consequence of the supplier's violation, including
20 consequential damages and incidental damages, court costs,
21 attorney fees and costs of arbitrators. The dealer also may be
22 granted injunctive relief against unlawful termination,
23 cancellation, nonrenewal or substantial change of competitive
24 circumstances. The remedies set forth in this section shall not
25 be deemed exclusive and shall be in addition to any other
26 remedies permitted by law.

27 Section 9.4. Waiver.

28 (a) Waiver of act void.--An attempted waiver of a provision
29 of this act shall be void. Any provision in a dealer agreement
30 that purports to elect the application of the law of a state

1 other than Pennsylvania shall be void. Any provision in a dealer
2 agreement that requires a dealer to pay attorney fees incurred
3 by a supplier shall be void.

4 (b) Waiver of right to trial by jury.--No supplier may
5 require a dealer to waive the right to a trial by jury as a
6 remedy to a supplier and dealer contract or agreement dispute.

7 Section 6. This act shall take effect immediately.
