

THE GENERAL ASSEMBLY OF PENNSYLVANIA

HOUSE BILL

No. 44 Session of 2021

INTRODUCED BY GROVE, MENTZER AND ZIMMERMAN, JANUARY 11, 2021

REFERRED TO COMMITTEE ON HEALTH, JANUARY 11, 2021

AN ACT

1 Amending the act of June 13, 1967 (P.L.31, No.21), entitled "An  
 2 act to consolidate, editorially revise, and codify the public  
 3 welfare laws of the Commonwealth," in health care outcomes,  
 4 further providing for establishment, for value-based models  
 5 relating to the Hospital Outcomes Program, for value-based  
 6 models relating to the Managed Care Organization Outcomes  
 7 Program and for managed care organization Medicaid contracts.

8 The General Assembly of the Commonwealth of Pennsylvania  
 9 hereby enacts as follows:

10 Section 1. Sections 511-A, 524-A, 534-A and 535-A of the act  
 11 of June 13, 1967 (P.L.31, No.21), known as the Human Services  
 12 Code, are amended to read:

13 Section 511-A. Establishment.

14 (a) Programs.--The department shall establish the following  
 15 linked Medicaid outcomes-based programs:

16 (1) A Hospital Outcomes Program designed to provide a  
 17 hospital with information to reduce potentially avoidable  
 18 events and further increase efficiency in Medicaid hospital  
 19 services.

20 (2) A Managed Care Organization Outcomes Program  
 21 designed to provide a Medicaid managed care organization with

1 information to reduce potentially avoidable events and  
2 further increase efficiency in Medicaid managed care  
3 programs.

4 (b) Targeted savings.--The department shall implement  
5 through the Medicaid outcome-based programs established under  
6 subsection (a) targeted savings to the Medicaid program.  
7 Targeted savings under this subsection shall only include:

8 (1) Averted costs by actions taken by hospitals or  
9 managed care organizations under the Medicaid outcome-based  
10 programs.

11 (2) Reduced expenditures for the Medicaid program which  
12 result from actions taken by hospitals or managed care  
13 organizations under Medicaid outcome-based programs.

14 (c) Amounts.--Targeted savings under subsection (b) shall  
15 be:

16 (1) No less than \$40,000,000 for the 2020-2021 fiscal  
17 year. Savings achieved during the prior fiscal year shall not  
18 count towards the targeted savings for the 2020-2021 fiscal  
19 year.

20 (2) No less than \$55,000,000 for the 2021-2022 fiscal  
21 year. Savings achieved during prior fiscal years shall not  
22 count towards the targeted savings amount for the 2021-2022  
23 fiscal year.

24 (3) No less than \$55,000,000 for the 2022-2023 fiscal  
25 year. Savings achieved during prior fiscal years shall not  
26 count towards the targeted savings amount for the 2022-2023  
27 fiscal year.

28 Section 524-A. [Value-based models] Performance-based financial  
29 incentives and penalties.

30 (a) Establishment.--After the implementation of the

1 reporting system under section 522-A, the department shall  
2 [evaluate value-based models that will support hospitals in  
3 reducing rates of potentially avoidable complications and  
4 readmissions.] establish performance-based financial incentives  
5 and penalties for hospitals under the Hospital Outcomes Program.

6 (b) Financial incentives.--Financial incentives provided by  
7 the department under this section shall include an adjustment to  
8 the reimbursement a hospital receives under the Medicaid program  
9 based on whether the hospital successfully improved outcomes  
10 under the Hospital Outcomes Program concerning potentially  
11 avoidable readmissions and complications.

12 (c) Communication to hospitals.--A hospital's rate  
13 adjustment under this section shall be communicated to the  
14 hospitals under the Hospital Outcomes Program in a clear and  
15 transparent manner.

16 (d) Rate adjustment.--The determination of a rate adjustment  
17 under this section by the department shall include, but not be  
18 limited to, the following:

19 (1) Review of each hospital discharge claims data.

20 (2) A retrospective analysis of performance under the  
21 Hospital Outcomes Program. The department shall apply the  
22 analysis under this paragraph to each hospital on a  
23 prospective basis.

24 (3) Whether the hospital was able to achieve all savings  
25 mandated for expenditures under the Medicaid program.

26 (e) Adjustment factor.--In order to make a rate adjustment  
27 under this section, the department shall establish an adjustment  
28 factor for hospitals concerning potentially avoidable events  
29 based on the hospital's actual versus expected risk-adjusted  
30 performance compared to the State average.

1 Section 534-A. [Value-based models] Performance-based financial  
2 incentives and penalties.

3 (a) Establishment.--After the implementation of the  
4 reporting system under section 532-A, the department shall  
5 [evaluate value-based models that will support managed care  
6 organizations in reducing rates of potentially avoidable  
7 admissions, readmissions and emergency visits.] establish  
8 performance-based financial incentives and penalties for managed  
9 care organizations based on whether the managed care  
10 organization reduced avoidable admissions, readmissions,  
11 emergency visits or complications. Financial incentives and  
12 penalties under this subsection shall include:

13 (1) Positive or negative changes in the annual capitated  
14 rates for managed care organization.

15 (2) Adjustment of the percentage of Medicaid program  
16 enrollees automatically assigned a plan by the department to  
17 a managed care organization based on the managed care  
18 organization's performance and health outcomes under the  
19 Managed Care Organization Outcomes Program.

20 (b) Adjustments to annual capitated rate.--The department  
21 shall adjust a managed care organization's annual capitated rate  
22 for providing service under the Medicaid program. A  
23 determination of the adjustment of a managed care organization's  
24 capitated rate shall include, but not be limited to, the  
25 following factors:

26 (1) A retrospective review of the managed care  
27 organization's performance in reducing avoidable admissions,  
28 readmissions, emergency visits or complications. The review  
29 under this paragraph shall be applied to the managed care  
30 organizations in a prospective manner.

1           (2) Risk corridors identified by the department.

2           (3) The incorporation of potentially avoidable events  
3           into the capitation rates for managed care organizations  
4           providing services under the Medicaid program.

5           (c) Adjustment factors.--In order to make capitated rate  
6           adjustments to a managed care organization, the department shall  
7           establish specific adjustment factors for potentially avoidable  
8           events for each managed care organization plan based on the  
9           plan's actual risk adjusted performance under the program  
10          compared to the State average.

11 Section 535-A. Managed care organization Medicaid contracts.

12          (a) General rule.--The department shall amend contracts  
13 entered into or renewed on or after the effective date of this  
14 section with the department's participating managed care  
15 organizations as necessary to incorporate the Managed Care  
16 Organization Outcomes Program.

17          (b) Financial incentives.--Beginning on the effective date  
18 of this subsection, the department shall amend any contracts  
19 with a managed care organization as necessary to incorporate the  
20 financial incentives established under section 534-A.

21          Section 2. The department shall promulgate rules and  
22 regulations necessary to implement this act.

23          Section 3. This act shall take effect in 60 days.
