INTRODUCED AS NONCONTROVERSIAL RESOLUTION UNDER RULE 35,
APRIL 30, 2014

A RESOLUTION

1 Designating May 6, 2014, as "Moyamoya Awareness Day" in
2 Pennsylvania.

3 WHEREAS, Moyamoya disease is a rare disorder of the
4 cerebrovascular system which causes arteries at the base of the
5 brain to narrow, resulting in blocked blood flow to the brain;
6 and

7 WHEREAS, To compensate for the blockage, the body forms a
8 tangle of tiny blood vessels; and

9 WHEREAS, The term Moyamoya means "puff of smoke" in Japanese,
10 which is how the tangle appeared to Japanese doctors who first
11 described the disorder in the 1960s; and

12 WHEREAS, Moyamoya may lead to a transient ischemic attack
13 (TIA) and both children and adults may experience a stroke,
14 followed by weakness or paralysis on one side of the body; and

15 WHEREAS, Other symptoms of the disorder include aphasia, a

1 speech problem that impairs language comprehension, vision
2 problems, disturbed consciousness, reduced cognitive ability,
3 distorted functioning of senses and involuntary movements; and

4 WHEREAS, Because the arteries continue to narrow, surgery is
5 needed to prevent mental decline and recurrent strokes;
6 therefore be it

7 RESOLVED, That the House of Representatives designate May 6,
8 2014, as "Moyamoya Awareness Day" in Pennsylvania.
