1 CHAPTER 21.4

2 RELATING TO CENTRAL FALLS PENSION PLAN

3 **45-21.4-1. Legislative findings.**

4 The general assembly finds and declares the following:

5 (1) All Rhode Islanders deserve retirement security, including those who have spent their
6 careers serving their communities as first responders and municipal employees; and

7 (2) The city of Central Falls has shown great resilience in emerging from bankruptcy and
8 thriving economically and culturally against great odds; and

9 (3) The bankruptcy occurred in part because the pension plan in Central Falls had become
10 severely underfunded, and as a result many first responders and retirees in the city of Central
11 Falls experienced significant hardship in the form of benefit reductions; and

12 (4) The city of Central Falls, the labor organizations representing its first responders, and
13 the state of Rhode Island are united in their desire to see the city of Central Falls remain on the
14 path of fiscal health, and that the predictability and sustainability of the pension system is vital to
15 maintaining fiscal health for the city of Central Falls and retirement security for its first
16 responders and retirees.

17 (5) The general assembly adopts this act to facilitate the assistance of the municipal
18 employees' retirement system of the state of Rhode Island in administering the local Central Falls
19 pension plan

20 **45-21.4-2. Alternative acceptance by the city of Central Falls of optional retirement**
21 **for police and fire fighters.**

22 (a) The provisions of this section shall apply only to locally administered plans within the
23 city of Central Falls hereinafter referred collectively as the "Central Falls plan".

24 (b) On or after the effective date of this section, Central Falls may accept the provisions
25 of this chapter, by resolution or an ordinance of its governing body stating the group or groups of
26 employees to be included as provided in § 45-21-4; provided that, any and all labor organizations
27 representing active employees of the municipality to be included have assented to such
28 participation of their respective memberships, through a collective bargaining agreement and
29 ratification of the decision by a majority vote of those members of any such labor organization
30 present and voting. A copy of the resolution or ordinance and proof of assent from the applicable
31 labor organization shall be immediately forwarded to the retirement board for review. A vote of
32 the retirement board to accept the entry of the group or groups of employees in to the system shall
33 be required.

34 (c) Effective August 31, 2019, the Central Falls plan shall be closed to new members.

4 in effect on August 30, 2019 between Central Falls and the labor organizations representing
5 members of the Central Falls plan.

6 (e) Disability determinations shall be made by the retirement board, subject to the
7 procedures and standards of §§ 45-21.2-7 and 45-21.2-9 as applicable, for members hired prior to
8 August 31, 2019. If a disability retirement pension is granted, the member shall receive benefits

32 municipality.

33 (k) Upon the conditions of subsection (b) of this section being met, the city of Central
34 Falls shall remain liable to the retirement system for the cost of funding a retirement system for

1 its employees who are members of the system as provided herein, and the retirement board
2 maintains the right to enforce payment of any liability as provided in chapter 21 of this title.

3 (l) Subject to the provisions of subsection (b) of this section being met, the Central Falls
4 plan and the provisions of this section shall be administered in the same manner provided in
5 chapter 21 of this title; credits for prior service and collection of contributions are determined
6 through reference to that chapter; provided, that where the provisions of that chapter conflict with
