(2) An athletic association, conference, or other group or organization, with authority over intercollegiate athletics, including, but not limited to, the National Collegiate Athletic Association (NCAA), may not prevent a student athlete from earning compensation as a result of the use of the student's name, image, or likeness.

(3) An athletic association, conference, or other group or organization with authority over intercollegiate athletics, including, but not limited to, the NCAA, may not prevent a postsecondary educational institution from participating in intercollegiate athletics as a result of the compensation earned by its student athletes.

(c)(1) A postsecondary educational institution, athletic association, conference, or other group or organization, with authority over intercollegiate athletics, may not prevent a student athlete in this state from obtaining professional representation in relation to contracts or legal matters, including, but not limited to, representation, provided by an athlete agent or legal representation provided by an attorney.

(2) Professional representation obtained by a student athlete must be from persons licensed by the state. An athlete agent representing a student athlete for purposes of earning compensation, as a result of the use of the student's name, image, or likeness, must be registered under chapter 74 of title 5. An attorney representing a student athlete for purposes of earning compensation, as a result of the use of the student's name, image, or likeness, must be licensed to practice in the state.

(3) An athlete agent representing a student athlete shall comply with the federal Sports Agent Responsibility and Trust Act in 15 U.S.C. Ch. 104 in their relationships with the student.

(d) A scholarship from the postsecondary educational institution, in which a student is enrolled that meets the cost of attendance, is not compensation for purposes of this chapter, and a scholarship may not be revoked as a result of the student earning compensation or obtaining professional or legal representation under this chapter.

(e)(1) A student athlete may not enter into a contract providing compensation to the student, for use of the student's name, image, or likeness, if a provision of such contract is in conflict with a provision of the student's team contract.

(2) A postsecondary educational institution asserting a conflict under subsection (e)(1) of this section, must disclose the relevant contractual provisions that are in conflict with the student's team contract, to the student athlete or his or her representative.

(3) A student athlete who enters into a contract providing compensation to the student for use of the student's name, image, or likeness, shall disclose the contract to an official of the postsecondary educational institution in which he or she is enrolled, to be designated by the institution.

(f) A team contract of a postsecondary educational institution's athletic program may not prevent a student athlete from using the student's name, image, or likeness for a commercial purpose when the student is not engaged in official team activities. This subsection applies only to contracts.
