2 Quadrennially in even numbered years, commencing in 2026, the representatives and

6 Recall is authorized in the case of a general officer who has been indicted or informed

8 violation of the code of ethics has been made by the ethics commission. Recall shall not, however
9 be instituted at any time during the first six (6) months or the last year of an individual's term of
10 office. Such a recall may be instituted by filing with the state board of elections an application for
11 issuance of a recall petition against said general officer which is signed by duly qualified electors
12 equal to three percent (3%) of the total number of votes cast at the last preceding general election
13 for that office. If, upon verification, the application is determined to contain signatures of the
14 required number of electors, the state board of elections shall issue a recall petition for circulation
15 amongst the electors of the state. Within ninety (90) days of issuance, recall petitions containing
16 the signatures of duly qualified electors constituting fifteen percent (15%) of the total number of
17 votes cast in the last preceding general election for said office must be filed with the state board
18 of elections. The signatures to the application and to the recall petition need not all be on one (1)
19 sheet of paper, but each such application and petition must contain an identical statement naming
20 the person to be recalled, the general office held by said person, and the grounds for such recall

22 Each signatory must set forth his or her signature as it appears on the voting list, the date of
23 signing, and his or her place of residence. The person witnessing the signatures of each elector on
24 said petition must sign a statement under oath on said sheet attesting that the signatures thereon
25 are genuine and were signed in his or her presence. If the requisite number of signatures are not
26 obtained within said ninety (90) days period, the recall effort shall terminate. Upon verification of
27 the requisite number of signatures, a special election shall be scheduled at which the issue of
28 removing said office holder and the grounds therefor shall be placed before the electors of the
29 state. If a majority of those voting support removal of said office holder, the office shall be
30 immediately declared vacant and shall be filled in accordance with the constitution and laws of
31 the state. The person so removed shall not be eligible to fill the unexpired portion of the term of
32 office. The general assembly shall provide by statute for implementation of the recall process.

33 RESOLVED, That the said proposition of amendment shall be submitted to the electors
34 for their approval or rejection at the next statewide general election. The voting places in the

1 several cities and towns shall be kept open during the hours required by law for voting therein for
2 general officers of the state; and be it further

3 RESOLVED, That the secretary of state shall cause the said proposition of amendment to
4 be published as a part of this resolution in the newspapers of the state prior to the date of the said
5 meetings of the said electors; and said proposition shall be inserted in the warrants or notices to
6 be issued previous to said meetings of the electors for the purpose of warning the town, ward, or
