Recall shall not, however 11 be instituted at any time during the first six (6) months or the last year of an individual's term of 12 office.

13 Such a recall may be instituted by filing with the state board of elections an application 14 for issuance of a recall petition against said general officer which is signed by duly qualified 15 electors equal to three percent (3%) of the total number of votes cast at the last preceding general 16 election for that office. If, upon verification, the application is determined to contain signatures of 17 the required number of electors, the state board of elections shall issue a recall petition for circulation amongst the electors of the state. The person witnessing the signatures of each elector on said 28 petition must sign a statement under oath on said sheet attesting that the signatures thereon are 29 genuine and were signed in his or her presence.

If the requisite number of signatures are not obtained within said ninety (90) days period, the recall effort shall terminate. Upon verification of the requisite number of signatures, a special election shall be scheduled at which the issue of removing said office holder and the grounds therefor shall be placed before the electors of the state. If a majority of those voting support removal of said office holder, the office shall be immediately declared vacant and shall be filled

- in accordance with the constitution and laws of the state. The person so removed shall not be
 eligible to fill the unexpired portion of the term of office. The general assembly shall provide by
 statute for implementation of the recall process.
