1 SECTION 1. Chapter 42-14.5 of the General Laws entitled "The Rhode Island Health  
2 Care Reform Act of 2004 - Health Insurance Oversight" is hereby repealed in its entirety.

3 ~~CHAPTER 42-14.5~~

4 ~~The Rhode Island Health Care Reform Act of 2004—Health Insurance Oversight~~

5 ~~42-14.5-1. Health insurance commissioner.~~

6 ~~There is hereby established, within the department of business regulation, an office of the~~  
7 ~~health insurance commissioner. The health insurance commissioner shall be appointed by the~~  
8 ~~governor, with the advice and consent of the senate. The director of business regulation shall~~  
9 ~~grant to the health insurance commissioner reasonable access to appropriate expert staff.~~

10 ~~42-14.5-1.1. Legislative findings.~~

11 ~~The general assembly hereby finds and declares as follows:~~

12 ~~(1) A substantial amount of health care services in this state are purchased for the benefit~~  
13 ~~of patients by health care insurers engaged in the provision of health care financing services or is~~  
14 ~~otherwise delivered subject to the terms of agreements between health care insurers and providers~~  
15 ~~of the services.~~

16 ~~(2) Health care insurers are able to control the flow of patients to providers of health care~~  
17 ~~services through compelling financial incentives for patients in their plans to utilize only the~~  
18 ~~services of providers with whom the insurers have contracted.~~

1 ~~(3) Health care insurers also control the health care services rendered to patients through~~  
2 ~~utilization review programs and other managed care tools and associated coverage and payment~~  
3 ~~policies.~~

4 ~~(4) By incorporation or merger the power of health care insurers in markets of this state~~  
5 ~~for health care services has become great enough to create a competitive imbalance, reducing~~  
6 ~~levels of competition and threatening the availability of high quality, cost-effective health care.~~

7 ~~(5) The power of health care insurers to unilaterally impose provider contract terms may~~  
8 ~~jeopardize the ability of physicians and other health care providers to deliver the superior quality~~  
9 ~~health care services that have been traditionally available in this state.~~

10 ~~(6) It is the intention of the general assembly to authorize health care providers to jointly~~  
11 ~~discuss with health care insurers topics of concern regarding the provision of quality health care~~  
12 ~~through a committee established by an advisory to the health insurance commissioner.~~

13 **42-14.5-2. Purpose.**

14 ~~With respect to health insurance as defined in § 42-14-5, the health insurance~~  
15 ~~commissioner shall discharge the powers and duties of office to:~~

17 ~~(2) Protect the interests of consumers;~~

18 ~~(3) Encourage fair treatment of health care providers;~~

19 ~~(4) Encourage policies and developments that improve the quality and efficiency of~~  
20 ~~health care service delivery and outcomes; and~~

21 ~~(5) View the health care system as a comprehensive entity and encourage and direct~~  
22 ~~insurers towards policies that advance the welfare of the public through overall efficiency,~~  
23 ~~improved health care quality, and appropriate access.~~

24 **42-14.5-3. Powers and duties.**

25 ~~The health insurance commissioner shall have the following powers and duties:~~

26 ~~(a) To conduct quarterly public meetings throughout the state, separate and distinct from~~  
27 ~~rate hearings pursuant to § 42-62-13, regarding the rates, services, and operations of insurers~~  
28 ~~licensed to provide health insurance in the state; the effects of such rates, services, and operations~~  
29 ~~on consumers, medical care providers, patients, and the market environment in which the insurers~~  
30 ~~operate; and efforts to bring new health insurers into the Rhode Island market. Notice of not less~~  
31 ~~than ten (10) days of the hearing(s) shall go to the general assembly, the governor, the Rhode~~  
32 ~~Island Medical Society, the Hospital Association of Rhode Island, the director of health, the~~  
33 ~~attorney general, and the chambers of commerce. Public notice shall be posted on the~~  
34 ~~department's website and given in the newspaper of general circulation, and to any entity in~~

1 ~~writing requesting notice.~~

2 ~~(b) To make recommendations to the governor and the house of representatives and~~  
3 ~~senate finance committees regarding health care insurance and the regulations, rates, services,~~  
4 ~~administrative expenses, reserve requirements, and operations of insurers providing health~~  
5 ~~insurance in the state, and to prepare or comment on, upon the request of the governor or~~  
6 ~~chairpersons of the house or senate finance committees, draft legislation to improve the regulation~~  
7 ~~of health insurance. In making the recommendations, the commissioner shall recognize that it is~~  
8 ~~the intent of the legislature that the maximum disclosure be provided regarding the~~  
9 ~~reasonableness of individual administrative expenditures as well as total administrative costs. The~~  
10 ~~commissioner shall make recommendations on the levels of reserves, including consideration of:~~  
11 ~~targeted reserve levels; trends in the increase or decrease of reserve levels; and insurer plans for~~  
12 ~~distributing excess reserves.~~

13 ~~(c) To establish a consumer/business/labor/medical advisory council to obtain~~  
14 ~~information and present concerns of consumers, business, and medical providers affected by~~  
15 ~~health insurance decisions. The council shall develop proposals to allow the market for small~~  
16 ~~business health insurance to be affordable and fairer. The council shall be involved in the~~  
17 ~~planning and conduct of the quarterly public meetings in accordance with subsection (a). The~~  
18 ~~advisory council shall develop measures to inform small businesses of an insurance complaint~~

20 ~~and receive a formal review by the department. The advisory council shall assess views of the~~  
21 ~~health provider community relative to insurance rates of reimbursement, billing, and~~  
22 ~~reimbursement procedures, and the insurers' role in promoting efficient and high-quality health~~

24 ~~governor and the general assembly and present its findings at hearings before the house and~~  
25 ~~senate finance committees. The advisory council is to be diverse in interests and shall include~~  
26 ~~representatives of community consumer organizations; small businesses, other than those~~  
27 ~~involved in the sale of insurance products; and hospital, medical, and other health provider~~  
28 ~~organizations. Such representatives shall be nominated by their respective organizations. The~~  
29 ~~advisory council shall be co-chaired by the health insurance commissioner and a community~~  
30 ~~consumer organization or small business member to be elected by the full advisory council.~~

31 ~~(d) To establish and provide guidance and assistance to a subcommittee ("the~~  
32 ~~professional provider health plan work group") of the advisory council created pursuant to~~  
33 ~~subsection (c), composed of health care providers and Rhode Island licensed health plans. This~~  
34 ~~subcommittee shall include in its annual report and presentation before the house and senate~~

10 ~~formats to patients regarding quality and costs. This information would help consumers make~~

11 ~~informed choices regarding the facilities and clinicians or physician practices at which to seek~~

12 ~~care. Among the items considered would be the unique health services and other public goods~~

13 ~~provided by facilities and clinicians or physician practices in establishing the most appropriate~~

21 ~~(a) The department is authorized to assess insurers offering qualified health plans and~~  
22 ~~qualified dental plans. The revenue raised in accordance with this subsection shall not exceed the~~  
23 ~~revenue able to be raised through the federal government assessment and shall be established in~~  
24 ~~accordance and conformity with the federal government assessment upon those insurers offering~~  
25 ~~products on the Federal Health Benefit exchange. Revenues from the assessment shall be~~  
26 ~~deposited in a restricted receipt account for the sole use of the exchange and shall be exempt from~~  
27 ~~the indirect cost recovery provisions of § 35-4-27 of the general laws.~~

28 ~~(b) The general assembly may appropriate general revenue to support the annual budget~~  
29 ~~for the exchange in lieu of or to supplement revenues raised from the assessment under § 42-157-~~  
30 ~~4(a).~~

31 ~~(c) If the director determines that the level of resources obtained pursuant to § 42-157-~~  
32 ~~4(a) will be in excess of the budget for the exchange, the department shall provide a report to the~~  
33 ~~governor, the speaker of the house and the senate president identifying the surplus and detailing~~  
34 ~~how the assessment established pursuant to § 42-157-4(a) may be offset in a future year to~~

1 ~~reconcile with impacted insurers and how any future supplemental or annual budget submission~~  
2 ~~to the general assembly may be revised accordingly.~~

3 ~~**42-157-4. Financing. [Effective January 1, 2020.]**~~

4 ~~(a) The department is authorized to assess insurers offering qualified health plans and~~  
5 ~~qualified dental plans. To support the functions of the exchange, insurers offering qualified health~~  
6 ~~plans and qualified dental plans must remit an assessment to the exchange each month, in a~~  
7 ~~timeframe and manner established by the exchange, equal to three and one-half percent (3.5%) of~~  
8 ~~the monthly premium charged by the insurer for each policy under the plan where enrollment is~~  
9 ~~through the exchange. Revenues from the assessment shall be deposited in a restricted receipt~~  
10 ~~account for the sole use of the exchange and shall be exempt from the indirect cost recovery~~  
11 ~~provisions of § 35-4-27.~~

12 ~~(b) The general assembly may appropriate general revenue to support the annual budget~~  
13 ~~for the exchange in lieu of or to supplement revenues raised from the assessment under~~

20 ~~to the general assembly may be revised accordingly.~~

24 ~~services with or partner with another state or multiple states and to pursue a Federal Affordable~~  
25 ~~Care Act 1332 Waiver.~~

26 ~~**42-157-5.1. Small business health options program (SHOP) innovation waiver.**~~

27 ~~(a) As small business owners and sole proprietors are the life blood of this state's~~  
28 ~~economy, a recent change in the Federal Affordable Care Act effective on January 1, 2016, has~~  
29 ~~caused irreparable harm to the economic well-being of small business owners and sole proprietors~~  
30 ~~by requiring them to secure health insurance coverage on the individual market as opposed to~~  
31 ~~securing health insurance coverage on the small group market.~~

32 ~~(b) In an effort to reduce and/or eliminate the irreparable economic harm, the director of~~  
33 ~~the department of administration, with assistance from the commissioner of health insurance,~~  
34 ~~shall seek a waiver under Section 1332 of the Patient Protection and Affordable Care Act, Pub. L.~~

1 ~~No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L.~~

4 ~~employers SHOP program and not be forced into the individual market.~~

5 **42-157-6. Audit.**

6 (a) ~~Annually, the exchange shall cause to have a financial and/or performance audit of its~~  
7 ~~functions and operations performed in compliance with the generally accepted governmental~~  
8 ~~auditing standards and conducted by the state office of internal audit or a certified public~~  
9 ~~accounting firm qualified in performance audits.~~

10 (b) ~~If the audit is not directly performed by the state office of internal audit, the selection~~  
11 ~~of the auditor and the scope of the audit shall be subject to the approval of the state office of~~  
12 ~~internal audit.~~

13 (c) ~~The results of the audit shall be made public upon completion, posted on the~~  
14 ~~department's website and otherwise made available for public inspection.~~

15 **42-157-7. Exchange advisory board.**

16 ~~The exchange shall maintain an advisory board which shall be appointed by the director.~~  
17 ~~The director shall consider the expertise of the members of the board and make appointments so~~  
18 ~~that the board's composition reflects a range and diversity of skills, backgrounds and stakeholder~~  
19 ~~perspectives.~~

20 **42-157-8. Reporting.**

21 ~~HealthSource RI shall provide a monthly report to the chairpersons of the house finance~~  
22 ~~committee and the senate finance committee by the fifteenth day of each month beginning in July~~

28 **42-157-9. Relation to other laws.**

29 ~~Nothing in this chapter, and no action taken by the exchange pursuant to this chapter,~~  
30 ~~shall be construed to preempt or supersede the authority of the health insurance commissioner to~~  
31 ~~regulate the business of insurance within this state, the director of the department of health to~~  
32 ~~oversee the licensure of health care providers, the certification of health plans under chapter 17.13~~  
33 ~~of title 23, or the licensure of utilization review agents under chapter 17.13 of title 23, or the~~  
34 ~~director of the department of human services to oversee the provision of medical assistance under~~

1 ~~chapter 8 of title 40. In addition to the provisions of this chapter, all insurers offering qualified~~  
2 ~~health plans or qualified dental plans in this state shall comply fully with all applicable health~~  
3 ~~insurance laws and regulations of this state.~~

4 ~~**42-157-10. Severability.**~~

5 ~~The provisions of this chapter are severable, and if any provision hereof shall be held~~  
6 ~~invalid in any circumstances, any invalidity shall not affect any other provisions or~~

13 ~~responsibility payment penalty set forth in § 44-30-101(e) by reason of religious conscience or~~  
14 ~~hardship.~~

15 ~~(b) Eligibility determinations. The exchange shall make determinations as to whether to~~  
16 ~~grant a certification described in subsection (a) of this section. The exchange shall notify the~~  
17 ~~individual and the tax administrator for the Rhode Island department of revenue of the~~  
18 ~~determination in a time and manner as the exchange, in consultation with the tax administrator,~~  
19 ~~shall prescribe. In notifying the tax administrator, the exchange shall adhere to the data privacy~~  
20 ~~and data security standards adopted in accordance with 45 C.F.R. 155.260. The exchange shall~~  
21 ~~only be required to notify the tax administrator to the extent that the exchange determines the~~  
22 ~~disclosure is permitted under 45 C.F.R. 155.260.~~

23 ~~(c) Appeals. Any person aggrieved by the exchange's determination of eligibility for an~~  
24 ~~exemption under this section has the right to an appeal in accordance with the procedures~~  
25 ~~contained within chapter 35 of this title.~~

26 ~~**42-157-12. Special enrollment period for qualified individuals assessed a shared**~~

4 ~~(c) Effective Date. The exchange must ensure that coverage is effective for a qualified~~

7 ~~exchange.~~

8 ~~(d) Availability and length of special enrollment period. A qualified individual has sixty~~

22 SECTION 3. Title 23 of the General Laws entitled "HEALTH AND SAFETY" is hereby  
23 amended by adding thereto the following chapter:

24 CHAPTER 95

25 THE RHODE ISLAND COMPREHENSIVE HEALTH INSURANCE PROGRAM

26 **23-95-1. Legislative findings.**

27 (a) The general assembly finds the following:

28 (1) Rising health care costs are a major economic threat to Rhode Islanders:

29 (i) Between 1991 and 2014, health care spending in Rhode Island per person rose by over  
30 250% – rising much faster than income and greatly reducing disposable income; and

31 (ii) It is estimated that by 2025, the cost of health insurance for an average family of four  
32 (4) will equal about one-half (1/2) of their annual income; and

33 (iv) In the U.S., about two-thirds (2/3) of personal bankruptcies have been medical cost-  
34 related and of these, about three-fourths (3/4) of those bankrupted had health insurance; and

1 (v) Rhode Island private businesses bear most of the costs of employee health insurance  
2 coverage and spend significant time and money choosing from a confusing array of increasingly  
3 expensive plans which do not provide comprehensive coverage; and

4 (vi) Rhode Island employees and retirees are losing significant wages and pensions as  
5 they are forced to pay higher amounts of health insurance and health care costs; and

6 (vii) The state and its municipalities face enormous other post employment benefits  
7 (OPEB) unfunded liabilities mostly due to health insurance costs.

8 (b) Although Rhode Island significantly expanded health care coverage for its citizens  
9 under the federal Affordable Care Act (ACA), it is not enough:

10 (1) Currently, about forty-seven thousand (47,000) Rhode Islanders remain uninsured,  
11 and even fully implemented, the ACA would leave forty-two thousand (42,000) Rhode Islanders  
12 four percent (4%) uninsured and many more underinsured - resulting in many excess deaths; and

13 (2) Efforts at the federal level to repeal or defund the ACA severely threaten the health  
14 and welfare of Rhode Island citizens.

15 (c) The U.S. has hundreds of health insurance providers (i.e., multiple "payers") who  
16 make our health care system unjustifiably expensive and ineffective:

17 (1) Every industrialized nation in the world, except the United States, offers universal  
18 health care to its citizens under a "single payer" program and enjoys better health outcomes for  
19 about one-half (1/2) the cost; and

20 (2) About one-third (1/3) of every health care dollar spent in the U.S. goes towards  
21 administrative costs (e.g., paperwork, overhead, CEO salaries, and profits) rather than on actual  
22 health care.

23 (d) The solution is for Rhode Island to institute an improved Medicare-for-all style single  
24 payer program:

25 (1) Health care is rationed under our current multi-payer system, despite the fact that  
26 Rhode Islanders already pay enough money to have comprehensive and universal health  
27 insurance under a single-payer system; and

28 (2) Single payer health care would establish a true "free market" system where doctors  
29 compete for patients rather than health insurance companies dictating which patients are able to  
30 see which doctors and setting reimbursement rates; and

31 (3) The high costs of medical care could be lowered significantly if the state could  
32 negotiate on behalf of all its residents for bulk purchasing, as well as gain access to usage and  
33 price information currently kept confidential by private health insurers as "proprietary  
34 information;" and

1 (4) In 1962, Canada's successful single payer program began in the province of  
2 Saskatchewan (with approximately the same population as Rhode Island) and became a national  
3 program within ten (10) years; and

4 (5) Single payer would provide comprehensive coverage that will include vision, hearing  
5 and dental care, mental health and substance abuse services, as well as prescription medications,  
6 medical equipment, supplies, diagnostics and treatments; and

7 (6) Health care providers will spend significantly less time with administrative work  
8 caused by multiple health insurance company requirements and barriers to care delivery and will  
9 spend significantly less for overhead costs because of streamlined billing.

10 (e) Rhode Island must act because there are currently no effective state or federal laws  
11 that can adequately control rising premiums, co-pays, deductibles and medical costs, or prevent  
12 private insurance companies from continuing to limit available providers and coverage.

13 **23-95-2. Legislative purpose.**

14 It is the intent of the general assembly that this act establish a universal, comprehensive,  
15 affordable single-payer health care insurance program that will help control health care costs  
16 which shall be referred to as, "the Rhode Island comprehensive health insurance program"  
17 (RICHIP). The program will be paid for by consolidating government and private payments to  
18 multiple insurance carriers into a more economical and efficient improved Medicare-for-all style  
19 single payer program and substituting lower progressive taxes for higher health insurance  
20 premiums, co-pays, deductibles and costs in excess of caps. This program will save Rhode  
21 Islanders from the current overly expensive, inefficient and unsustainable multi-payer health  
22 insurance system that unnecessarily prevents access to medically necessary health care.

23 **23-95-3. Definitions.**

24 As used in this chapter:

25 (1) "Affordable Care Act" or "ACA" means the federal Patient Protection and Affordable  
26 Care Act (Pub. L. 111-148), as amended by the federal Health Care and Education Reconciliation  
27 Act of 2010 (42 U.S.C. § 1800/et seq. Pub. L. 111-152), and any amendments to, or regulations  
28 or guidance issued under, those acts.

29 (2) "Carrier" means either a private health insurer authorized to sell health insurance in  
30 Rhode Island or a health care service plan, i.e., any person who undertakes to arrange for the

32 of the cost for those services, in return for a prepaid or periodic charge paid by or on behalf of the  
33 subscribers or enrollees, or any person, whether located within or outside of this state, who  
34 solicits or contracts with a subscriber or enrollee in this state to pay for or reimburse any part of

1 the cost of, or who undertakes to arrange or arranges for, the provision of health care services that  
2 are to be provided wholly or in part in a foreign country in return for a prepaid or periodic charge

21 prescription drugs) required for the prevention, diagnosis, cure, or treatment of a health-related  
22 condition including any such services that are necessary to prevent a detrimental change in either  
23 medical or mental health status. Medically necessary services must be provided in a cost-effective  
24 and appropriate setting and must not be provided solely for the convenience of the patient or  
25 service provider. "Medically necessary" does not include services or goods that are primarily for

30        (viii) The president of the Hospital Association of Rhode Island, or designee;

31        (ix) The CEO of Lifespan, or designee;

32        (x) The president of the Mental Health Association of Rhode Island, or designee;

33        (xi) The dean of the URI college of pharmacy, or designee;

34        (xii) A representative of organized labor, to be appointed by the executive board;

1 (xiii) A representative of small business, which is a business that employs less than fifty  
2 (50) people, to be appointed by the executive board; and

3 (xiv) A representative of large business, which is a business that employs more than fifty  
4 (50) people, to be appointed by the executive board.

5 (2) Duties. The advisory committee shall provide analyses and recommendations to the  
6 executive board and director concerning any issues relating to the execution of this chapter, and  
7 shall collect general concerns of RICHIP participants and providers. The committee shall prepare  
8 a report after each committee meeting summarizing major issues presented and recommendations  
9 for their resolution.

10 (3) Procedures. The committee shall adopt and publish its policies and procedures no  
11 later than one hundred eighty (180) days after the first meeting. In addition:

12 (i) The director shall set the time, place and date for the initial meeting of the committee.  
13 The initial meeting shall be scheduled not sooner than thirty (30) days nor later than ninety (90)  
14 days after the appointment of the chairperson. Subsequent meetings shall occur as determined by  
15 the committee, but not less than four (4) times annually.

16 (ii) The advisory committee shall elect a chair from among its members. The chairperson  
17 may call additional meetings.

18 (iii) A quorum shall be at least one more than half (1/2) the number of the advisory  
19 committee members. Vacancies shall not be counted when calculating the number needed for a  
20 quorum.

21 (iv) Advisory committee members shall not receive a salary, but shall be reimbursed for  
22 all necessary expenses incurred in the performance of their duties.

23 (v) The committee is subject to the open meetings act, chapter 46 of title 42;

24 (vi) A committee member shall be deemed to have abandoned office upon failure to  
25 attend at least seventy-five percent (75%) of the committee meetings in one year, without excuse  
26 approved by resolution of the committee.

27 (vii) Decisions at meetings of the committee shall be reached by majority vote of those  
28 present in person and those present by electronic or telephonic means which permit, at a  
29 minimum, audio-video communication. Participation in a meeting pursuant to this subsection  
30 shall constitute presence at the meeting.

31 (4) Terms.

32 (i) The terms of the members shall be four (4) years from the date of appointment or until  
33 a successor has been appointed.

34 (ii) Of the initial members of the advisory committee: One-half (1/2) of the members

1 shall serve initial terms of four (4) years; and one-half (1/2) of the members shall serve initial  
2 terms of two (2) years. The executive board will designate which members shall initially serve  
3 two (2) year terms.

4 (iii) After the initial terms, advisory committee members shall serve for a term of four (4)  
5 years.

6 (iv) Each vacancy on the committee shall be filled for the unexpired term by appointment  
7 in like manner as in case of expiration of the term of a member of the committee. A vacancy shall  
8 be filled by a representative from the same constituent group as the new member's predecessor.

9 **23-95-5. Coverage.**

10 (a) All qualified Rhode Island residents may participate in RICHIP. The director shall  
11 establish procedures to determine eligibility, enrollment, disenrollment and disqualification,  
12 including criteria and procedures by which RICHIP can:

13 (1) Identify, automatically enroll, and provide a RICHIP card to qualified Rhode Island  
14 residents;

15 (2) Process applications from individuals seeking to obtain RICHIP coverage for  
16 dependents after the implementation date;

17 (3) Ensure eligible residents are knowledgeable and aware of their rights to health care;

18 (4) Determine whether an individual should be disenrolled (e.g., for leaving the state);

19 (5) Determine whether an individual should be disqualified (e.g., for fraudulent receipt of  
20 benefits or reimbursements);

21 (6) Determine appropriate actions that should be taken with respect to individuals who  
22 are disenrolled or disqualified (including civil and criminal penalties); and

23 (7) Permit individuals to request review and appeal decisions to disenroll or disqualify  
24 them.

25 (b) Medicare and Medicaid eligible coverage under RICHIP shall be as follows:

26 (1) If all necessary federal waivers are obtained, qualified Rhode Island residents eligible  
27 for federal Medicare ("Medicare eligible residents") shall continue to pay required fees to the  
28 federal government. RICHIP shall establish procedures to ensure that Medicare eligible residents  
29 shall have such amounts deducted from what they owe to RICHIP under § 23-95-12(h). RICHIP  
30 shall become the equivalent of qualifying coverage under Medicare part D and Medicare  
31 advantage programs, and as such shall be the vendor for coverage to RICHIP participants.  
32 RICHIP shall provide Medicare eligible residents benefits equal to those available to all other  
33 RICHIP participants and equal to or greater than those available through Medicare. To streamline  
34 the process, RICHIP shall seek to receive federal reimbursements for services and goods to

1 Medicare eligible residents and administer all Medicare funds.

2 (2) If all necessary federal waivers are obtained, RICHIP shall become the state's sole  
3 Medicaid provider. RICHIP shall create procedures to enroll all qualified Rhode Island residents  
4 eligible for Medicaid ("Medicaid eligible residents") in the Medicaid program to ensure a  
5 maximum amount of federal Medicaid funds go to the RICHIP trust fund. RICHIP shall provide  
6 benefits to Medicaid eligible residents equal to those available to all other RICHIP participants.

7 (3) If all necessary federal waivers are not granted from the Medicaid or Medicare  
8 programs operated under Title XVIII or XIX of the Social Security Act, the Medicaid or  
9 Medicare program for which a waiver is not granted shall act as the primary insurer for those  
10 eligible for such coverage, and RICHIP shall serve as the secondary or supplemental plan of  
11 health insurance coverage. Until such time as a waiver is granted, the plan shall not pay for  
12 services for persons otherwise eligible for the same health care benefits under the Medicaid or  
13 Medicare program. The director shall establish procedures for determining amounts owed by  
14 Medicare and Medicaid eligible residents for supplemental RICHIP coverage and the extent of  
15 such coverage.

16 (4) The director may require Rhode Island residents to provide information necessary to  
17 determine whether the resident is eligible for a federally matched public health program or for  
18 Medicare, or any program or benefit under Medicare.

19 (5) As a condition of eligibility or continued eligibility for health care services under  
20 RICHIP, a qualified Rhode Island resident who is eligible for benefits under Medicare shall enroll  
21 in Medicare, including Parts A, B, and D.

22 (c) Veterans. RICHIP shall serve as the secondary or supplemental plan of health  
23 insurance coverage for military veterans. The director shall establish procedures for determining  
24 amounts owed by military veterans who are qualified residents for such supplemental RICHIP  
25 coverage and the extent of such coverage.

26 (d) This chapter does not create any employment benefit, nor require, prohibit, or limit  
27 the providing of any employment benefit.

28 (e) This chapter does not affect or limit collective action or collective bargaining on the  
29 part of a health care provider with their employer or any other lawful collective action or  
30 collective bargaining.

31 **23-95-6. Benefits.**

32 (a) This chapter shall provide insurance coverage for services and goods (including  
33 prescription drugs) deemed medically necessary by a qualified health care provider and that is  
34 currently covered under:

1           (1) The federal Medicare program (42 U.S.C. § 1395 et seq. Social Security Act title  
2 XVIII) parts A, B and D;  
3           (2) The federal Medicaid program except that long-term care shall be available only to  
4 those who currently qualify for Medicaid coverage;  
5           (3) The state's children's health insurance program; and  
6           (4) All essential health benefits mandated by the Affordable Care Act as of January 1,  
7 2017, including, services and goods within the following categories:  
8           (i) Primary and preventive care;  
9           (ii) Approved dietary and nutritional therapies;  
10          (iii) Inpatient care;  
11          (iv) Outpatient care;  
12          (v) Emergency and urgently needed care;  
13          (vi) Prescription drugs and medical devices;  
14          (vii) Laboratory and diagnostic services;  
15          (viii) Palliative care;  
16          (ix) Mental health services;  
17          (x) Oral health, including dental services, periodontics, oral surgery, and endodontics;  
18          (xi) Substance abuse treatment services;  
19          (xii) Physical therapy and chiropractic services;  
20          (xiii) Vision care and vision correction;  
21          (xiv) Hearing services, including coverage of hearing aids;  
22          (xv) Podiatric care;  
23          (xvi) Comprehensive family planning, reproductive, maternity, and newborn care; and  
24          (xvii) Short-term rehabilitative services and devices.  
25          (b) Additional coverage. The director shall create a procedure in consultation with the  
26 RICHIP advisory committee that may permit additional medically necessary goods and services  
27 beyond that provided by federal laws cited herein and within the areas set forth in § 23-95-5, if  
28 the coverage is for services and goods deemed medically necessary based on credible scientific  
29 evidence published in peer-reviewed medical literature generally recognized by the relevant  
30 medical community, physician specialty society recommendations, and the views of physicians  
31 practicing in relevant clinical areas and any other relevant factors. The director shall create  
32 procedures for handling complaints and appeals concerning the benefits package.  
33          (c) Restrictions shall not apply. In order for RICHIP participants to be able to receive  
34 medically necessary goods and services, this chapter shall override any state law that restricts the

1 provision or use of state funds for any medically necessary goods or services, including those  
2 related to family planning and reproductive health care.

3 (d) Medically necessary goods:

4 (1) Prescription drug formulary:

5 (i) In general. The director shall work with the executive office of health and human  
6 services (EOHHS) Rhode Island pharmacy & therapeutics committee to establish a prescription  
7 drug formulary system, which shall comply with §§ 23-95-6(a)(4)(i) through (a)(4)(xvii) and  
8 encourage best-practices in prescribing and discourage the use of ineffective, dangerous, or  
9 excessively costly medications when better alternatives are available.

10 (ii) Promotion of generics. The formulary under this subsection shall promote the use of  
11 generic medications to the greatest extent possible.

12 (iii) Formulary updates and petition rights. The formulary under this subsection shall be  
13 updated frequently and the director shall create a procedure for patients and providers to make  
14 requests and appeal denials to add new pharmaceuticals or to remove ineffective or dangerous  
15 medications from the formulary.

16 (iv) Use of off-formulary medications. The director shall promulgate rules regarding the  
17 use of off-formulary medications which allow for patient access but do not compromise the  
18 formulary.

19 (v) Approved devices and equipment. The director shall work with the executive office of  
20 health and human services (EOHHS) Rhode Island pharmacy & therapeutics committee to  
21 promulgate a list of medically necessary goods that shall be covered by RICHIP and comply with  
22 §§ 23-95-6(a)(4)(i) through (a)(4)(xvii).

23 (vi) Bulk purchasing. The director shall seek and implement ways to obtain goods at the  
24 lowest possible cost, including bulk purchasing agreements.

25 **23-95-7. Providers.**

26 (a) Rhode Island providers.

27 (1) Licensing. Participating providers must meet state licensing requirements in order to  
28 participate in RICHIP. No provider whose license is under suspension or has been revoked may  
29 participate in the program.

30 (2) Participation. All providers may participate in RICHIP by providing items on the  
31 RICHIP benefits list for which they are licensed. Providers may elect either to participate fully, or  
32 not at all, in the program.

33 (3) For-profit providers. For-profit providers may continue to offer services and goods in  
34 Rhode Island, but are prohibited from charging patients more than RICHIP reimbursement rates

1 for covered services and goods and must notify qualified Rhode Island residents when the  
2 services and goods they offer will not be reimbursed fully under RICHIP.

3 (b) Out-of-state providers. Except for emergency and urgently needed service, as set forth  
4 in § 23-95-7(d), RICHIP shall not pay for health care services obtained outside of Rhode Island  
5 unless the following requirements are met:

6 (1) The patient secures a written referral from a qualified Rhode Island physician prior to  
7 seeking such services; and

8 (2) The referring physician determines that the services are not available in the state or  
9 cannot be performed within the state at the level of expertise that would provide medically  
10 necessary care.

11 (c) Out-of-state provider reimbursement. The program shall pay out-of-state health care  
12 providers an amount not to exceed RICHIP rates as set forth in § 23-95-9(a). RICHIP participants  
13 are responsible for paying out-of-state providers for costs in excess of RICHIP reimbursements.  
14 The RICHIP participant is responsible for paying all costs of out-of-state services that fail to meet  
15 the requirements of §§ 23-95-7(b)(1) and (b)(2).

16 (d) Out-of-state emergency provider reimbursement. The program shall pay for  
17 emergency and urgently needed services and goods that are obtained by the RICHIP participant  
18 anywhere outside of Rhode Island to the same extent allowed if such services or goods were  
19 provided in Rhode Island in accordance with § 23-95-9. RICHIP participants are responsible for  
20 paying out-of-state emergency providers for costs in excess of RICHIP reimbursements.

21 (e) Out-of-state residents.

22 (1) In general. Rhode Island providers who provide any services to individuals who are  
23 not RICHIP participants shall not be reimbursed by RICHIP and must seek reimbursement from  
24 those individuals or other sources.

25 (2) Emergency care exception. Nothing in this chapter shall prevent any individual from  
26 receiving or any provider from providing emergency health care services and goods in Rhode  
27 Island. The director shall adopt rules to provide reimbursement; however, the rules shall  
28 reasonably limit reimbursement to protect the fiscal integrity of RICHIP. The director shall  
29 implement procedures to secure reimbursement from any appropriate third-party funding source  
30 or from the individual to whom the emergency services were rendered.

31 **23-95-8. Cross-border employees.**

32 (a) State residents employed out-of-state. If an individual is employed out-of-state by an  
33 employer that is subject to Rhode Island state law, the employer and employee shall be required  
34 to pay the payroll taxes as to that employee as if the employment were in the state. If an

1 individual is employed out-of-state by an employer that is not subject to Rhode Island state law,  
2 the employee health coverage provided by the out-of-state employer to a resident working out-of-  
3 state shall serve as the employee's primary plan of health coverage, and RICHIP shall serve as the  
4 employee's secondary plan of health coverage. The director shall establish procedures for  
5 determining amounts owed by residents employed out-of-state for such supplemental secondary  
6 RICHIP coverage and the extent of such coverage.

7 (b) Out-of-state residents employed in the state. The payroll tax set forth in § 23-95-12(i)  
8 shall apply to any out-of-state resident who is employed or self-employed in the state. However,  
9 such out-of-state residents shall be able to take a credit for amounts they spend on health benefits  
10 for themselves that would otherwise be covered by RICHIP if the individual were a RICHIP  
11 participant. The out-of-state resident's employer shall be able to take a credit against such payroll  
12 taxes regardless of the form of the health benefit (e.g., health insurance, a self-insured plan, direct  
13 services, or reimbursement for services), to ensure that the revenue proposal does not relate to  
14 employment benefits in violation of the federal Employee Retirement Income Security Act  
15 ("ERISA") law. For non-employment-based spending by individuals, the credit shall be available  
16 for and limited to spending for health coverage (not out-of-pocket health spending). The credit  
17 shall be available without regard to how little is spent or how sparse the benefit. The credit may  
18 only be taken against the payroll taxes set forth in § 23-95-12(i). Any excess amount may not be  
19 applied to other tax liability. For employment-based health benefits, the credit shall be distributed  
20 between the employer and employee in the same proportion as the spending by each for the  
21 benefit. The employer and employee may each apply their respective portion of the credit to their  
22 respective portion of the payroll taxes set forth in § 23-95-12(i). If any provision of this clause or  
23 any application of it shall be ruled to violate ERISA, the provision or the application of it shall be  
24 null and void and the ruling shall not affect any other provision or application of this section or  
25 this chapter.

26 **23-95-9. Provider reimbursement.**

27 (a) Rates for services. RICHIP reimbursements to providers shall match the highest  
28 reimbursement rates offered by Medicare or Medicaid to Rhode Island qualified residents that are  
29 in effect at the time services and goods are provided. If the director determines that there are no  
30 such federal reimbursement rates or that such rates are significantly different from those in  
31 neighboring states, the director shall set additional or alternative rates in consultation with the  
32 RICHIP advisory committee such that rates of reimbursement are fair and reasonable. The  
33 director in consultation with the RICHIP advisory committee shall review the rates at least  
34 annually and shall establish procedures by which complaints about reimbursement rates may be

1 reviewed and appealed.

2 (b) Rates for goods. The prices to be paid to providers for medically necessary goods  
3 (e.g., prescription drugs, approved devices and equipment) shall be established annually by the  
4 director in consultation with the advisory committee.

5 (c) Billing and payments. Providers shall submit billing for services to RICHIP  
6 participants in the form of electronic invoices entered into RIFANS, the state's computerized  
7 financial system. The director shall coordinate the manner of processing and payment with the  
8 office of accounts and control and the RIFANS support team within the division of information  
9 technology. Payments shall be made by check or electronic funds transfer in accordance with  
10 terms and procedures coordinated by the director and the office of accounts and control and  
11 consistent with the fiduciary management of the RICHIP trust fund.

12 (d) Provider restrictions. Providers who accept any payment from RICHIP may not bill  
13 any patient for any covered benefit. Providers cannot use any of their operating budgets for  
14 expansion, profit, excessive executive income, marketing, or major capital purchases or leases.

15 **23-95-10. Private insurance companies.**

16 (a) Non-duplication. It is unlawful for a private health insurer to sell health insurance  
17 coverage to qualified Rhode Island residents that duplicates the benefits provided under this  
18 chapter. Nothing in this chapter shall be construed as prohibiting the sale of health insurance  
19 coverage for any additional benefits not covered by this chapter, including additional benefits that  
20 an employer may provide to employees or their dependents, or to former employees or their  
21 dependents (e.g., multiemployer plans can continue to provide wrap-around coverage for any  
22 benefits not provided by RICHIP).

23 (b) Displaced employees. Re-education and job placement of persons employed in Rhode  
24 Island-located enterprises who have lost their jobs as a result of this chapter shall be managed by  
25 the Rhode Island department of labor and training or an appropriate federal retraining program.  
26 The director may provide funds from RICHIP or funds otherwise appropriated for this purpose  
27 for retraining and assisting job transition for individuals employed or previously employed in the  
28 fields of health insurance, health care service plans, and other third-party payments for health care  
29 or those individuals providing services to health care providers to deal with third-party payers for  
30 health care, whose jobs may be or have been ended as a result of the implementation of the  
31 program, consistent with applicable laws.

32 **23-95-11. Budgeting.**

33 (a) Operating budget. Annually, the director shall create an operating budget for the  
34 program that includes the costs for all benefits set forth in § 23-95-5 and the costs for RICHIP

1 administration. The director shall determine appropriate reimbursement rates for benefits  
2 pursuant to § 23-95-9(a). The operating budget shall be reviewed by the advisory committee and  
3 approved by the executive board prior to submission to the governor and general assembly.

4 (b) Capital expenditures. The director shall work with the advisory committee,  
5 representatives from state entities involved with provider capital expenditures (e.g., the Rhode  
6 Island department of administration office of capital projects, the Rhode Island Health and  
7 Educational Building Corporation, etc.), and providers to help ensure that capital expenditures  
8 proposed by providers, including amounts to be spent on construction and renovation of health  
9 facilities and major equipment purchases, will address health care needs of RICHIP participants.  
10 To the extent that providers are seeking to use RICHIP funds for capital expenditures, the director  
11 shall have the authority to approve or deny such expenditures.

12 (c) Prohibition against co-mingling operations and capital improvement funds. It is  
13 prohibited to use funds under this chapter that are earmarked:

14 (1) For operations for capital expenditures; or

15 (2) For capital expenditures for operations.

16 **23-95-12. Financing.**

17 (a) RICHIP trust fund. There shall be established a RICHIP trust fund into which funds  
18 collected pursuant to this chapter are deposited and from which funds are distributed. All money  
19 collected and received shall be used exclusively to finance RICHIP. The governor or general  
20 assembly may provide funds to the RICHIP trust fund, but may not remove or borrow funds from  
21 the RICHIP trust fund.

22 (b) Revenue proposal. After consulting with the RICHIP advisory committee and gaining  
23 approval of the RICHIP executive board, the director shall submit to the governor and the general  
24 assembly a revenue plan and, if required, legislation (referred to collectively in this section as the  
25 "revenue proposal") to provide the revenue necessary to finance RICHIP. The initial revenue  
26 proposal shall be submitted for the fiscal year commencing the year after this this chapter is  
27 enacted and annually, thereafter. The basic structure of the initial revenue proposal will be based  
28 on a consideration of:

29 (1) Anticipated savings from a single payer program;

30 (2) Government funds available for health care;

31 (3) Private funds available for health care; and

32 (4) Replacing current regressive health insurance payments made to multiple health  
33 insurance carriers with progressive contributions to a single payer (RICHIP) in order to make  
34 health care insurance affordable and remove unnecessary barriers to health care access.

1 Subsequent proposals shall adjust the RICHIP contributions, based on projections from the total  
2 RICHIP costs in the previous year, and shall include a five (5) year plan for adjusting RICHIP  
3 contributions to best meet the goals set forth in this section and § 23-95-2.

4 (c) Anticipated savings. It is anticipated that RICHIP will lower health care costs by:

5 (1) Eliminating payments to private health insurance carriers;

6 (2) Reducing paperwork and administrative expenses for both providers and payers  
7 created by the marketing, sales, eligibility checks, network contract management, issues  
8 associated multiple benefit packages, and other administrative waste associated with the current  
9 multi-payer private health insurance system;

10 (3) Allowing the planning and delivery of a public health strategy for the entire  
11 population of Rhode Island;

12 (4) Improving access to preventive health care; and

13 (5) Negotiating on behalf of the state for bulk purchasing of medical supplies and  
14 pharmaceuticals.

15 (d) Federal funds. The director shall seek and obtain waivers and other approvals relating  
16 to Medicaid, the Children's Health Insurance Program, Medicare, the ACA, and any other  
17 relevant federal programs so that:

18 (1) Federal funds and other subsidies for health care that would otherwise be paid to the  
19 state and its residents and health care providers, would be paid by the federal government to the  
20 state and deposited into the RICHIP trust fund.

21 (2) Programs would be waived and such funding from federal programs in Rhode Island  
22 would be replaced or merged into RICHIP so it can operate as a single payer program;

23 (3) Maximum federal funding for health care is sought even if any necessary waivers or  
24 approvals are not obtained and multiple sources of funding with RICHIP trust fund monies are  
25 pooled, so that RICHIP can act as much as possible like a single payer program to maximize  
26 benefits to Rhode Islanders; and

27 (4) Federal financial participation in the programs that are incorporated into RICHIP are  
28 not jeopardized.

29 (e) State funds. State funds that would otherwise be appropriated to any governmental  
30 agency, office, program, instrumentality, or institution for services and benefits covered under  
31 RICHIP shall be directed into the RICHIP trust fund. Payments to the fund pursuant to this  
32 section shall be in an amount equal to the money appropriated for those purposes in the fiscal  
33 year beginning immediately preceding the effective date of this chapter.

34 (f) Private funds. Private grants (e.g., from nonprofit corporations) and other funds

1 specifically ear-marked for health care (e.g., from litigation against tobacco companies, opioid  
2 manufacturers, etc.), shall also be put into the RICHIP trust fund.

3 (g) Assignments from RICHIP participants. Receipt of health care services under the plan  
4 shall be deemed an assignment by the RICHIP participant of any right to payment for services  
5 from a policy of insurance, a health benefit plan or other source. The other source of health care  
6 benefits shall pay to the fund all amounts it is obligated to pay to, or on behalf of, the RICHIP  
7 participant for covered health care services. The director may commence any action necessary to  
8 recover the amounts due.

9 (h) Replacing current health insurance payments with progressive contributions. Instead  
10 of making health insurance payments to multiple carriers (i.e., for premiums, co-pays,  
11 deductibles, and costs in excess of caps) for limited coverage, individuals and entities subject to  
12 Rhode Island taxation pursuant to § 44-30-1 shall pay progressive contributions to the RICHIP  
13 trust fund (referred to collectively in this section as the "RICHIP contributions") for  
14 comprehensive coverage. These RICHIP contributions shall be set and adjusted over time to an  
15 appropriate level to:

16 (1) Cover the actual cost of the program;

17 (2) Ensure that higher brackets of income subject to specified taxes shall be assessed at a  
18 higher marginal rate than lower brackets; and

19 (3) Protect the economic welfare of small businesses, low-income earners and working  
20 families through tax credits or exemptions.

21 (i) Contributions based on earned income. The amounts currently paid by employers and  
22 employees for health insurance shall initially be replaced by a ten percent (10%) payroll tax,  
23 based on the projected average payroll of employees over three (3) previous calendar years. The  
24 employer shall pay eighty percent (80%) and the employee shall pay twenty percent (20%) of this  
25 payroll tax, except that an employer may agree to pay all or part of the employee's share. Self-  
26 employed individuals shall initially pay one-hundred percent (100%) of the payroll tax. The ten  
27 percent (10%) initial rate will be adjusted by the director so that higher brackets of income  
28 subject to these taxes shall be assessed at a higher marginal rate than lower brackets and so that  
29 small businesses and lower income earners receive a credit or exemption.

30 (j) Contributions based on unearned income. There shall be a progressive contribution  
31 based on unearned income (i.e., capital gains, dividends, interest, profits, and rents). Initially, the  
32 unearned income RICHIP contributions shall be equal to ten percent (10%) of such unearned  
33 income. The ten percent (10%) initial rate may be adjusted by the director to allow for a  
34 graduated progressive exemption or credit for individuals with lower unearned income levels.

EXPLANATION  
BY THE LEGISLATIVE COUNCIL  
OF

A N A C T

RELATING TO HEALTH AND SAFETY -- COMPREHENSIVE HEALTH INSURANCE  
PROGRAM

\*\*\*

1           This act would repeal the "Rhode Island Health Care Reform Act of 2004 – Health  
2 Insurance Oversight" as well as the "Rhode Island Health Benefit Exchange." The act would  
3 establish a universal, comprehensive, affordable single-payer health care insurance program and  
4 help control health care costs, which shall be referred to as, "the Rhode Island Comprehensive  
5 Health Insurance Program" (RICHIP). The program will be paid for by consolidating government  
6 and private payments to multiple insurance carriers into a more economical and efficient  
7 improved Medicare-for-all style single payer program and substituting lower progressive taxes  
8 for higher health insurance premiums, co-pays, deductibles and costs due to caps. This program  
9 will save Rhode Islanders from the current overly expensive, inefficient and unsustainable multi-  
10 payer health insurance system that unnecessarily prevents access to medically necessary health  
11 care.

12           This act would take effect upon passage.
