3 thousand dollars (\$65,900,000) from time to time under its corporate name and seal; provided  
4 however, that bonds shall not be issued unless the conditions of section 2 hereof as to the level of

8 of term bonds, in installments of principal, the first installment to be not later than five (5) years  
9 and the last installment not later than thirty (30) years after the date the bonds are issued.

10           SECTION 2. The town may be eligible for school housing aid reimbursement on debt  
11 service pursuant to chapter 7 of title 16, or for a grant, loan or other "financial assistance" as defined  
12 in §45-38.2-1(6), from the School Building Authority Capital Fund under chapter 38.2 of title 45.  
13 The amount of borrowing authorized pursuant to this act shall be reduced by the amount of any  
14 grant received by the town from the School Building Authority Capital Fund. Bonds, notes or other  
15 evidences of indebtedness shall not be issued under this act unless the town has received a letter

1 from the Rhode Island Department of Education ("RIDE") confirming that the then-current school  
2 housing aid reimbursement rate under chapter 7 of title 16, as amended from time to time, or  
3 financial assistance from the School Building Authority Capital Fund, or pursuant to any other law  
4 hereafter enacted providing for funds to municipalities for school housing purposes, is not less than  
5 thirty-five percent (35%) for those expenditures which are eligible for state aid. This act shall

10 SECTION 3. The bonds shall be signed by the president of the town council, the town  
11 administrator and the director of finance and shall be issued and sold in such amounts as the town  
12 council may authorize. The manner of sale, denominations, maturities, interest rates and other  
13 terms, conditions and details of any bonds or notes issued under this act may be fixed by the  
14 proceedings of the town council authorizing the issue or by separate resolution of the town council  
15 or, to the extent provisions for these matters are not so made, they may be fixed by the officers  
16 authorized to sign the bonds or notes. Notwithstanding anything contained in this act to the  
17 contrary, the town may enter into financing agreements with the Rhode Island Health and  
18 Educational Building Corporation pursuant to chapter 7 of title 16 and chapter 38.1 of title 45 and,  
19 with respect to bonds or notes issued in connection with such financing agreements, if any, the  
20 town may elect to have the provisions of chapter 38.1 of title 45 apply to the issuance of the bonds  
21 or notes issued hereunder to the extent the provisions of chapter 38.1 of title 45 are inconsistent  
22 herewith. In addition, the town may enter into financing agreements with the Rhode Island  
23 Infrastructure Bank pursuant to the provisions of chapter 12.2 of title 46 and, with respect to notes  
24 or bonds issued in connection with such financing agreements, if any, the town may elect to have  
25 the provisions of chapter 12.2 of title 46 apply to the issuance of the bonds or notes issued hereunder  
26 to the extent the provisions of chapter 12.2 of title 46 are inconsistent herewith. Such election may  
27 be fixed by the proceedings of the town council authorizing such issuance of by separate resolution  
28 of the town council, or, to the extent provisions for these matters are not so made, they may be  
29 fixed by the officers authorized to sign the bonds or notes. The proceeds derived from the sale of  
30 the bonds shall be delivered to the director of finance, and such proceeds exclusive of premiums  
31 and accrued interest shall be expended: (1) For the construction, additions, renovation,  
32 improvement, alteration, repair furnishing and equipping of schools and school facilities in the  
33 Town and all costs related thereto; (2) For payment of the principal or interest on temporary notes  
34 issued under section 4; (3) In payment of capitalized interest on bonds or notes; (4) In repayment

1 of advances under section 5; or (5) In payment of related costs of issuance of any bonds or notes.  
2 No purchaser of any bonds or notes under this act shall be in any way responsible for the proper  
3 application of the proceeds derived from the sales thereof. The project shall be carried out and all  
4 contracts made therefor on behalf of the town by the town administrator, subject to approval of the  
5 town council. The proceeds of bonds or notes issued under this act, any applicable federal or state  
6 assistance and other monies referred to in section 7 and 10, shall be deemed appropriated for the  
7 purposes of this act without further action than that required by this act. The bond issue authorized  
8 by this act may be consolidated for the purposes of issuance and sale with any other bond issue of  
9 the town heretofore or hereafter authorized; provided that, notwithstanding any such consolidation,  
10 the proceeds from the sale of the bonds authorized by this act shall be expended for the purposes  
11 set forth above.

12 SECTION 4. The town council may by resolution authorize the issue from time to time of  
13 interest bearing or discounted notes in anticipation of the issue of bonds or in anticipation of the  
14 receipt of federal or state aid for the purposes of this act. The amount of original notes issued in  
15 anticipation of bonds may not exceed the amount of bonds which may be issued under this act  
16 (without any reduction for any grant to be received from the School Building Authority Capital  
17 Fund), and the amount of original notes issued in anticipation of federal or state aid may not exceed  
18 the amount of available federal or state aid as estimated by the director of finance. Temporary  
19 notes issued hereunder shall be signed by the manual or facsimile signatures of the director of  
20 finance, the town administrator and the president of the town council shall be payable within five  
21 (5) years from their respective dates, but the principal of and interest on notes issued for a shorter  
22 period may be renewed or paid from time to time by the issue of other notes thereunder; provided  
23 the period from the date of an original note to the maturity or any note issued to renew or pay the  
24 same debt or the interest thereon shall not exceed five (5) years. Any temporary notes in anticipation  
25 of bonds issued under this section may be refunded prior to the maturity of the notes by the issuance  
26 of additional temporary notes; provided that, no such refunding shall result in any amount of such  
27 temporary notes outstanding at any one time in excess of two hundred percent (200%) of the amount  
28 of bonds which may be issued under this act; and provided, further that, if the issuance of any such  
29 refunding notes results in any amount of such temporary notes outstanding at any one time in excess  
30 of the amount of bonds which may be issued under this act, the proceeds of such refunding notes  
31 shall be deposited in a separate fund established with the bank which is paying agent for the notes  
32 being refunded. Pending their use to pay the notes being refunded, monies in the fund shall be  
33 invested for the benefit of the town by the paying agent at the direction of the director of finance in  
34 any investment permitted under section 5. The monies in the fund and any investments held as a

1 part of the fund shall be held in trust and shall be applied by the paying agent solely to the payment  
2 or prepayment of the principal of and interest on the notes being refunded. Upon payment of all  
3 principal of and interest on the notes, any excess monies in the fund shall be distributed to the town.  
4 The town may pay the principal of and interest on notes in full from other than the issuance of  
5 refunding notes prior to the issuance of bonds pursuant to Section 1 hereof. In such case, the town's  
6 authority to issue bonds or notes in anticipation of bonds under this act shall continue provided  
7 that: (1) The town council passes a resolution evidencing the town's intent to pay off the notes  
8 without extinguishing the authority to issue bonds or notes; and (2) That the period from the date  
9 of an original note to the maturity date of any other note shall not exceed five (5) years.

10 SECTION 5. Pending any authorization or issue of bonds hereunder or pending or in lieu  
11 of any authorization or issue of notes hereunder, the director of finance, with the approval of the  
12 town council, may, to the extent that bonds or notes may be issued hereunder, apply funds in the  
13 treasury of the town to the purposes specified in section 2, such advances to be repaid without  
14 interest from the proceeds of bonds or notes subsequently issued or from the proceeds of applicable  
15 federal or state assistance or from other available funds.

16 SECTION 6. Any proceeds of bonds or notes issued hereunder or of any applicable federal  
17 or state assistance, pending their expenditure, may be deposited or invested by the director of  
18 finance in demand deposits, time deposits or savings deposits in banks which are members of the  
19 Federal Deposit Insurance Corporation or in obligations issued or guaranteed by the United States  
20 of America or by any agency or instrumentality thereof or as may be provided in any other  
21 applicable law of the state of Rhode Island or resolution of the town council or pursuant to an  
22 investment policy of the town.

23 SECTION 7. Any accrued interest received upon the sale of bonds or notes hereunder shall  
24 be applied to the payment of the first interest due thereon. Any premiums arising from the sale of  
25 bonds or notes hereunder and any earnings or net profit realized from the deposit or investment of  
26 funds hereunder shall, in the discretion of the director of finance, be applied to the cost of preparing,  
27 issuing, and marketing bonds or notes hereunder to the extent not otherwise provided, to the  
28 payment of the cost of the project, to the payment of the principal of or interest on bonds or notes  
29 issued hereunder or to any one or more of the foregoing. The cost of preparing, issuing and  
30 marketing bonds or notes hereunder may also, in the discretion of the director of finance, be met  
31 from bond or note proceeds exclusive of accrued interest or from other monies available therefor.  
32 Any balance of bond or note proceeds remaining after payment of the cost of the projects and the  
33 cost of preparing, issuing and marketing bonds or notes hereunder shall be applied to the payment  
34 of the principal of or interest on bonds or notes issued hereunder. To the extent permitted by

1 applicable federal laws, any earnings or net profit realized from the deposit or investment of funds  
2 hereunder may, upon receipt, be added to and dealt with as part of the revenues of the town from  
3 property taxes. In exercising any discretion under this section, the director of finance shall be  
4 governed by any instructions adopted by resolution of the town council.

5 SECTION 8. All bonds and notes issued under this act and the debts evidenced thereby  
6 shall be obligatory on the town in the same manner and to the same extent as other debts lawfully  
7 contracted by it and shall be excepted from the operation of § 45-12-2. No such obligation shall at  
8 any time be included in the debt of the town for the purpose of ascertaining its borrowing capacity.  
9 The town shall annually appropriate a sum sufficient to pay the principal and interest coming due  
10 within the year on bonds and notes issued hereunder to the extent that monies therefor are not  
11 otherwise provided. If such sum is not appropriated, it shall nevertheless be added to the annual tax  
12 levy. In order to provide such sum in each year and notwithstanding any provision of law to the  
13 contrary, all taxable property in the town shall be subject to ad valorem taxation by the town without  
14 limitation as to rate or amount.

15 SECTION 9. Any bonds or notes issued under the provisions of this act, if properly  
16 executed by officers of the town in office on the date of execution, shall be valid and binding  
17 according to their terms notwithstanding that before the delivery thereof and payment therefor any  
18 or all of such officers shall for any reason have ceased to hold office.

19 SECTION 10. The town, acting by resolution of its town council is authorized to apply for,  
20 contract for and expend any federal or state advances or other grants or assistance which may be  
21 available for the purposes of this act, and any such expenditures may be in addition to other monies  
22 provided in this act. To the extent of any inconsistency between any law of this state and any  
23 applicable federal law or regulation, the latter shall prevail. Federal and state advances, with  
24 interest where applicable, whether contracted for prior to or after the effective date of this act, may  
25 be repaid as project costs under section 2.

26 SECTION 11. Bonds and notes may be issued under this act without obtaining the approval  
27 of any governmental agency or the taking of any proceedings or the happening of any conditions  
28 except as specifically required by this act for such issue. In carrying out any project financed in  
29 whole or in part under this act, including where applicable the condemnation of any land or interest  
30 in land, and in the levy and collection of assessments or other charges permitted by law on account  
31 of any such project, all action shall be taken which is necessary to meet constitutional requirements  
32 whether or not such action is otherwise required by statute; but the validity of bonds and notes  
33 issued hereunder shall in no way depend upon the validity or occurrence of such action.

34 SECTION 12. All or any portion of the authority to issue bonds and notes under this act

1 may be extinguished by resolution of the town council, without further action by the general  
2 assembly seven (7) years after the effective date of this act.

3 SECTION 13. The director of finance, the town administrator and the president of the town  
4 council, on behalf of the town, are hereby authorized to execute such documents or other papers as  
5 either of them deem necessary or desirable to carry out the intent of this act and are also authorized  
6 to take all actions and execute all documents or agreements necessary to comply with federal tax  
7 and securities laws, which documents or agreements may have a term coextensive with the maturity  
8 of the bonds authorized hereby, including Rule 15c2-12 of the Securities and Exchange  
9 Commission (the Rule) and to execute and deliver a continuing disclosure agreement or certificate  
10 in connection with the bonds or notes in the form as shall be deemed advisable by such officers in  
11 order to comply with the Rule.

12 SECTION 14. The question of the approval of this act shall be submitted to the electors of  
13 the town at the next general election on November 3, 2020 or at a special election (other than a  
14 primary), on a date as shall be designated by the town council. The question shall be submitted in  
15 substantially the following form: "Shall an Act, passed at the 2020 session of the General
