7 23 of title 5; or

8 (viii) Any individual employed as part of a telephonic delivery of customer service, sales  
9 operations, and ancillary services related to those services and operations, except for specific  
10 employment positions in the telecommunications industry that are part of any collective bargaining  
11 agreement or employment contract in effect on July 2, 1998.

12 (4) “Employer” means any natural person, partnership, firm, corporation, or other
