Introduced By: Senators Archambault, Lombardi, McCaffrey, Jabour, and Nesselbush

Date Introduced: March 18, 2015

It is enacted by the General Assembly as follows:

1 SECTION 1. Sections 31-27-2, 31-27-2.1, and 31-27-2.8 of the General Laws in Chapter
2 31-27 entitled "Motor Vehicle Offenses" are hereby amended to read as follows:

3 **31-27-2. Driving under influence of liquor or drugs. [Effective January 1, 2015]. –**

4 (a) Whoever drives or otherwise operates any vehicle in the state while under the influence of any
5 intoxicating liquor, drugs, toluene, or any controlled substance as defined in chapter 28 of title 21,
6 or any combination of these, shall be guilty of a misdemeanor except as provided in subdivision
7 (d)(3) and shall be punished as provided in subsection (d) of this section.

8 (b)(1) Any person charged under subsection (a) of this section whose blood alcohol
9 concentration is eight one-hundredths of one percent (.08%) or more by weight, as shown by a
10 chemical analysis of a blood, breath, or urine sample, shall be guilty of violating subsection (a) of
11 this section. This provision shall not preclude a conviction based on other admissible evidence.
12 Proof of guilt under this section may also be based on evidence that the person charged was under
13 the influence of intoxicating liquor, drugs, toluene, or any controlled substance defined in chapter
14 28 of title 21, or any combination of these, to a degree that rendered the person incapable of
15 safely operating a vehicle. The fact that any person charged with violating this section is, or has
16 been, legally entitled to use alcohol or a drug shall not constitute a defense against any charge of
17 violating this section.

18 (2) Whoever drives, or otherwise operates, any vehicle in the state with a blood presence
19 of any scheduled controlled substance as defined within chapter 28 of title 21, as shown by

1 analysis of a blood or urine sample, shall be guilty of a misdemeanor and shall be punished as
2 provided in subsection (d) of this section.

3 (c) In any criminal prosecution for a violation of subsection (a) of this section, evidence
4 as to the amount of intoxicating liquor, toluene, or any controlled substance as defined in chapter
5 28 of title 21, or any combination of these, in the defendant's blood at the time alleged as shown
6 by a chemical analysis of the defendant's breath, blood, or urine or other bodily substance, shall
7 be admissible and competent, provided that evidence is presented that the following conditions
8 have been complied with:

9 (1) The defendant has consented to the taking of the test upon which the analysis is made.
10 Evidence that the defendant had refused to submit to the test shall not be admissible unless the
11 defendant elects to testify.

12 (2) A true copy of the report of the test result was mailed within ~~seventy-two (72) hours~~
13 five (5) business days of the taking of the test, or hand-delivered at the police station
14 accompanied by a receipt by the arresting police department to the person submitting to a breath
15 test.

16 (3) Any person submitting to a chemical test of blood, urine, or other body fluids shall
17 have a true copy of the report of the test result mailed to him or her ~~within thirty (30) days~~
18 following the taking of the test and its receipt by the arresting police department.

19 (4) The test was performed according to methods and with equipment approved by the
20 director of the department of health of the state of Rhode Island and by an authorized individual.

21 (5) Equipment used for the conduct of the tests by means of breath analysis had been
22 tested for accuracy within thirty (30) days preceding the test by personnel qualified as
23 hereinbefore provided, and breathalyzer operators shall be qualified and certified by the
24 department of health within three hundred sixty-five (365) days of the test.

25 (6) The person arrested and charged with operating a motor vehicle while under the
26 influence of intoxicating liquor, toluene, or any controlled substance as defined in chapter 28 of
27 title 21, or, any combination of these in violation of subsection (a) of this section, was afforded
28 the opportunity to have an additional chemical test. The officer arresting or so charging the
29 person shall have informed the person of this right and afforded him or her a reasonable
30 opportunity to exercise this right, and a notation to this effect is made in the official records of the
31 case in the police department. Refusal to permit an additional chemical test shall render
32 incompetent and inadmissible in evidence the original report.

33 (d)(1)(i) Every person found to have violated subdivision (b)(1) of this section shall be
34 sentenced as follows: for a first violation whose blood alcohol concentration is eight one-

1 hundredths of one percent (.08%), but less than one-tenth of one percent (.1%), by weight, or who
2 has a blood presence of any scheduled controlled substance as defined in subdivision (b)(2), shall
3 be subject to a fine of not less than one hundred dollars (\$100) nor more than three hundred

5 Administration. The sentencing judge or magistrate shall prohibit that person from operating a
6 motor vehicle that is not equipped with an ignition interlock system as provided in § 31-27-2.8.

14 require alcohol or drug treatment for the individual; provided, however, that the court may permit

18 (ii) Every person convicted of a third or subsequent violation within a five-year (5) period
19 whose blood alcohol concentration is fifteen hundredths of one percent (.15%) above by weight
20 as shown by a chemical analysis of a blood, breath, or urine sample, or who is under the influence

28 provided in § 31-27-2.8.

29 (iii) In addition to the foregoing penalties, every person convicted of a third or
30 subsequent violation within a five-year (5) period, regardless of whether any prior violation and
31 subsequent conviction was a violation and subsequent conviction under this statute or under the

15 constitute any charge brought and sustained under the provisions of this section or § 31-27-2.1.

16 (ii) Any person over the age of eighteen (18) who is convicted under this section for
17 operating a motor vehicle while under the influence of alcohol, other drugs, or a combination of

22 superior court are not required to be scheduled within thirty (30) days of the arraignment date.

23 (i) No fines, suspensions, assessments, alcohol or drug treatment programs, course on
24 driving while intoxicated or under the influence of a controlled substance, public community
25 restitution, or jail provided for under this section can be suspended.

26 (j) An order to attend a special course on driving while intoxicated that shall be
27 administered in cooperation with a college or university accredited by the state, shall include a
28 provision to pay a reasonable tuition for the course in an amount not less than twenty-five dollars
29 (\$25.00), and a fee of one hundred seventy-five dollars (\$175), which fee shall be deposited into
30 the general fund.

33 considered a chemical test.

34 (l) If any provision of this section, or the application of any provision, shall for any

1 reason be judged invalid, such a judgment shall not affect, impair, or invalidate the remainder of

10 person who operates a motor vehicle within this state shall be deemed to have given his or her
11 consent to chemical tests of his or her breath, blood, and/or urine for the purpose of determining

13 for the presence of intoxicating liquor and one for the presence of toluene or any controlled
14 substance, as defined in § 21-28-1.02(7), shall be administered at the direction of a law
15 enforcement officer having reasonable grounds to believe the person to have been driving a motor
16 vehicle within this state while under the influence of intoxicating liquor, toluene, or any
17 controlled substance, as defined in chapter 28 of title 21, or any combination of these. The
18 director of the department of health is empowered to make and file, with the secretary of state,
19 regulations that prescribe the techniques and methods of chemical analysis of the person's body
20 fluids or breath and the qualifications and certification of individuals authorized to administer the

23 person may file an affidavit with the division of motor vehicles stating the reasons why he or she
24 cannot be required to take blood tests and a notation to this effect shall be made on his or her
25 license. If that person is asked to submit to chemical tests as provided under this chapter, the
26 person shall only be required to submit to chemical tests of his or her breath or urine. When a
27 person is requested to submit to blood tests, only a physician or registered nurse, or a medical
28 technician certified under regulations promulgated by the director of the department of health,
29 may withdraw blood for the purpose of determining the alcoholic content in it. This limitation
30 shall not apply to the taking of breath or urine specimens. The person tested shall be permitted to
31 have a physician of his or her own choosing, and at his or her own expense, administer chemical
32 tests of his or her breath, blood, and/or urine in addition to the tests administered at the direction
33 of a law enforcement officer. If a person, having been placed under arrest, refuses upon the
34 request of a law enforcement officer to submit to the tests, as provided in § 31-27-2, none shall be

1 given, but a judge or magistrate of the traffic tribunal or district court judge or magistrate, upon
2 receipt of a report of a law enforcement officer: that he or she had reasonable grounds to believe

5 any combination of these; that the person had been informed of his or her rights in accordance
6 with § 31-27-3; that the person had been informed of the penalties incurred as a result of
7 noncompliance with this section; and that the person had refused to submit to the tests upon the
8 request of a law enforcement officer; shall promptly order that the person's operator's license or

17 period of six (6) months to one year. The traffic tribunal judge or magistrate shall require
18 attendance at a special course on driving while intoxicated or under the influence of a controlled

6 person's driving record, his or her employment history, family background, and any other
7 pertinent factors that would indicate that the person has demonstrated behavior that warrants the

10 constitute any charge brought and sustained under the provisions of this section or § 31-27-2.

11 (5) In addition to any other fines, a highway safety assessment of five hundred dollars
12 (\$500) shall be paid by any person found in violation of this section, the assessment to be

21 restitution provided for under this section; can be suspended.

22 (c) Upon suspending or refusing to issue a license or permit as provided in subsection (a)
23 of this section, the traffic tribunal or district court shall immediately notify the person involved in
24 writing, and upon his or her request, within fifteen (15) days, shall afford the person an
25 opportunity for a hearing as early as practical upon receipt of a request in writing. Upon a
26 hearing, the judge may administer oaths and may issue subpoenas for the attendance of witnesses
27 and the production of relevant books and papers. If the judge finds after the hearing that: (1) The
28 law enforcement officer making the sworn report had reasonable grounds to believe that the
29 arrested person had been driving a motor vehicle within this state while under the influence of
30 intoxicating liquor, toluene, or any controlled substance, as defined in chapter 28 of title 21, or
31 any combination of these; (2) The person, while under arrest, refused to submit to the tests upon

6 is considered a chemical test.

7 (e) If any provision of this section, or the application of any provision, shall, for any
8 reason, be judged invalid, the judgment shall not affect, impair, or invalidate the remainder of the
9 section, but shall be confined in this effect to the provisions or application directly involved in the
10 controversy giving rise to the judgment.

11 **31-27-2.8. Ignition interlock system imposed as part of sentence -- Requirements.**

12 **[Effective January 1, 2015.]** -- (a) Any person convicted under the provisions of § 31-27-2(d)1,
13 2 or 3 (1)(i) or (ii), or whose violation is sustained under the provisions of § 31-27-2.1(b)(1), may
14 be prohibited by the sentencing judge or magistrate from operating a motor vehicle that is not
15 equipped with an ignition interlock system.

16 (b) Notwithstanding any other provisions contained in this chapter, after a finding of
17 eligibility, any mandatory period of license suspension ~~may~~ shall be reduced by the imposition of
18 an ignition interlock system ordered by the court or traffic tribunal as follows:

19 (1) For a violation of § 31-27-2(d)(1), a person shall be subject to a minimum thirty-day
20 (30) license suspension and an imposition of an ignition interlock system for three (3) months to
21 one year.

22 (2) For a violation of § 31-27-2.1(b)(1), a person shall be subject to a minimum thirty-
23 day (30) license suspension and an imposition of an ignition interlock system for a period of six
24 (6) months to two (2) years.

25 (3) For a violation of § 31-27-2(d)(2), a person shall be subject to a minimum forty-five-
26 day (45) license suspension and an imposition of an ignition interlock system for a period of six
27 (6) months to two (2) years.

28 (4) For a violation of § 31-27-2.1(b)(2), a person shall be subject to a minimum sixty-day
29 (60) license suspension and an imposition of an ignition interlock system for a period of one to
30 four (4) years.

31 (5) For a violation of § 31-27-2(d)(3), a person shall be subject to a minimum sixty-day
32 (60) license suspension and imposition of an ignition interlock system for a period of one to four
33 (4) years.

34 (6) For a violation of § 31-27-2.1(b)(3), a person shall be subject to a minimum ninety-

1 day (90) license suspension and imposition of an ignition interlock system for a period of two (2)
2 to ten (10) years.

3 (7) In any case where a person is convicted of a first offense under the provisions of §
4 31-27-2(d)(1), ~~or a second offense under the provisions of § 31-27-2(d)(2)~~, or under § 31-27-
5 2.1(b)(1), the sentencing judge or magistrate ~~may~~ shall grant the person a conditional hardship
6 license ~~during the period of license suspension~~ immediately upon a plea or admission of guilt, and
7 after a finding of need under this section. However, in any case where a motorist has a prior
8 alcohol related offense within the prior ten (10) years of the instant case, or when the instant case
9 involves a motor vehicle accident, the judge or magistrate may exercise his or her discretion in
10 the granting of the hardship license by imposing up to a ninety (90) day loss of license prior to
11 any imposition of the hardship license. Said hardship license shall be valid only for twelve (12)
12 hours per day to get to and from employment, necessary medical appointments, job training,
13 schooling, or any other valid reason approved in advance by the sentencing judge or magistrate.
14 A hardship license shall only be granted in conjunction with the installation of an ignition
15 interlock device. Any conditional driving privileges must be set by the sentencing judge or
16 magistrate after a hearing in which the motorist must provide proof of employment status and
17 hours of employment, or any other legitimate reasons justifying a hardship license. These shall
18 include, but not be limited to, any unemployment training, schooling, medical appointments,
19 therapy treatments, or any other valid requests set forth by sworn affidavit. Once said hardship
20 period has concluded, the motorist must still be subject to the conditions of the ignition interlock
21 system as set forth under this section for the period of time as directed by the court. Nothing in
22 this section shall be construed to require a mandatory period of suspension prior to the issuance of
23 a hardship license. Any individual who violates the requirements of this subsection shall be
24 subject to the penalties enumerated in § ~~31-27-18.1~~ 31-11-18.1.

27 bodily injury, § 31-27-2.6; driving to endanger resulting in death, § 31-27-1; or driving to
28 endanger resulting in serious bodily injury, § 31-27-1.1; may, in addition to any other penalties
29 provided by law, be prohibited from operating a motor vehicle that is not equipped with an
30 approved ignition interlock system for one to five (5) years.

31 (d) Any person who operates a motor vehicle with a suspended license during the period
32 of suspension and the reason for the suspension was due to a conviction of driving under the
33 influence of drugs or alcohol or a sustained violation or conviction of refusal to submit to a
34 chemical test, shall be subject ~~to the imposition of an ignition interlock system for six (6) months~~

1 ~~to be ordered by the court or the traffic tribunal~~ to the further use of the ignition interlock system
2 for a period of six (6) months subsequent to the penalties enumerated in § 31-11-18.1.

3 (e) When the court orders the use of an ignition interlock system, the judge or magistrate
4 shall cause an appropriate notation to be made on the person's record that clearly sets forth the
5 requirement for and the period of the use of the ignition interlock system.

6 (f) In addition to the requirements of subsection (e) of this section, the court or traffic
7 tribunal shall:

8 (1) Require proof of the installation of the ignition interlock system and periodic
9 reporting by the person for the purpose of verification of the proper operation of the ignition
10 interlock system;

11 (2) Require the person to have the ignition interlock system monitored for the proper use
12 and accuracy by a person, firm, corporation, or other association to be approved by the division of
13 motor vehicles at least once every six (6) months, or more frequently as the circumstances may
14 require; and

15 (3) Require the person to pay the reasonable cost of leasing or buying, monitoring, and
16 maintenance of the ignition interlock system.

17 (4) The reporting requirements under this subsection shall be the responsibility of the
18 probation department or Justice Assistance, if the individual is under their control, or the DMV if
19 they are not monitored as a condition of their plea or finding of guilt.

20 (g) If a person is required, in the course of the person's employment, to operate a motor
21 vehicle owned or provided by the person's employer, the person may operate that motor vehicle
22 in the course of the person's employment without installation of an ignition interlock system if the
23 court makes specific findings expressly permitting the person to operate, in the course of the
24 person's employment, a motor vehicle that is not equipped with an ignition interlock system.

25 (h) Any person subject to an ignition interlock order who violates such order shall be
26 guilty of a misdemeanor punishable by up to one year imprisonment, or a fine of up to one
27 thousand dollars (\$1,000), or both. For the purposes of this subsection, a violation of the interlock
28 order, includes, but is not limited to:

4 interlock system, tampers with, or in any way attempts to circumvent, the operation of an ignition
5 interlock system that has been installed in the motor vehicle for the purpose of providing an
6 operable motor vehicle to a person who is prohibited from operating a motor vehicle that is not
7 equipped with an ignition interlock system, shall be guilty of a misdemeanor punishable by up to
8 one year imprisonment or a fine of up to one thousand dollars (\$1,000), or both.
