29 reasonable and appropriate administrative, physical, and technical safeguards to protect the
30 confidentiality, integrity, and availability of any non-public personal information or currency
31 transmission it receives, maintains, or transmits.

32 (c) A licensee is not required to file with the department a copy of a report it makes to a
33 federal authority unless the department specifically requires filing.

6 (2) With the department's approval, outsource functions, other than compliance, required
7 under this section.
