EDUCATION COMMISSION

Introduced By: Senators Goldin, Miller, and Gallo

Date Introduced: April 23, 2021

Referred To: Senate Education

It is enacted by the General Assembly as follows:

1 SECTION 1. Legislative Findings.

2 The general assembly finds and declares that:

3 (1) In 2000, the Rhode Island general assembly passed, and the governor signed into law,
4 00 H 7397 "Genocide and human rights education," requiring the Rhode Island department of
5 education to "develop curricular material on genocide and human rights issues and guidelines for
6 the teaching of that material".

7 (2) In 2011, the state of Rhode Island passed into law "Genocide Education in Secondary
8 Schools" (P.L. 2011, ch. 45, § 1; P.L. 2011, ch. 70, § 1) which emphasized a need to adhere to
9 making genocide curriculum materials available including, but not limited to, the Holocaust,
10 Armenia, Cambodia, and Darfur.

11 (3) In 2016, the Rhode Island general assembly passed, and the governor signed into law,
12 16 H 7488 SUBSTITUTE A and 16 S 2396 SUBSTITUTE A to require that the Holocaust and
13 genocide be taught in public middle and high schools.

14 (4) Throughout the years, the general assembly has consistently passed resolutions
15 condemning the Holocaust and genocides. Since the passage of the legislation into law, to require
16 Holocaust and genocide education in its schools, the general assembly has recognized its
17 importance by honoring its passage with continued resolutions of its observance.

18 (5) The governor, legislators, and community leaders have always made it a priority to

1 attend and participate in Holocaust and genocide memorial and other related events to emphasize
2 the continued need to recognize the horrible tragedies and atrocities committed to ancestors of the
3 Rhode Island state community members.
