13 (a) As to any special motor vehicle registration plates that have been authorized pursuant
14 to this chapter but that have not been issued or printed as of July 2, 2018, because the minimum
15 number of prepaid orders for the plates has not been reached, the minimum number of plates that
16 must be prepaid and ordered prior to the plates being made and issued shall be deemed to be six
17 hundred (600) sets of plates per plate type. If the minimum number of prepaid plates provided

16 be allocated to the general fund shall be deemed paid for the first six hundred (600) sets of plates
17 per plate type issued by the payment in an amount as determined by subsection (c)(1)(ii) of this
18 section.

19 (3) The division of motor vehicles shall make available plates eligible for issuance pursuant

EXPLANATION
BY THE LEGISLATIVE COUNCIL
OF
A N A C T
RELATING TO MOTOR AND OTHER VEHICLES -- REGISTRATION OF VEHICLES

1 This act would provide that a prepaid special motor vehicle registration plate order will be
2 processed if the plate sponsoring nonprofit entity makes a nonrefundable payment calculated and
3 determined by § 31-3-7 to the state which would enable the issuance of their proposal specialty
4 plate, when the minimum statutorily required orders for the plates, have not been met. The
5 minimum number of specialty registration plate sets would be reduced to one hundred fifty (150)
6 and the nonrefundable fee paid by the sponsoring nonprofit entity would be calculated by
7 subtracting the actual number of plate sets ordered from six hundred (600) and then multiplying
8 the remainder by the sum of twenty-two dollars and fifty cents (\$22.50).

9 This act would take effect upon passage.
