EXPLANATION
BY THE LEGISLATIVE COUNCIL
OF
A N A C T
RELATING TO EDUCATION - HEALTH AND SAFETY OF PUPILS

1 This act would permit students in grades nine (9) through twelve (12) to possess and use
2 over-the-counter medication and products during school activities without a doctor's or parent's
3 note. It would authorize the school district to encourage schools to educate pupils on the safe use
4 of such products, but would not hold the school district or its personnel liable for any damages.

5 This act would take effect upon passage.
