EXPLANATION  
BY THE LEGISLATIVE COUNCIL  
OF

A N A C T

RELATING TO BUSINESSES AND PROFESSIONS - BOARD OF MEDICAL LICENSURE  
AND DISCIPLINE

\*\*\*

1           This act would clarify when a physician who has a license in good standing to practice  
2 medicine in another state may practice in Rhode Island, address issues such as one time  
3 consultations over telemedicine, organ transplant teams, air ambulance teams, academic scenarios  
4 where a visiting physician is needed for a short time, humanitarian efforts, and team physicians  
5 for sports events. This act would additionally streamline hospital access to training on new  
6 technologies that require highly technical assistance as well as highly technical one-time  
7 consultations, high profile sporting events, and humanitarian activities.

8           This act would take effect upon passage.
