It is enacted by the General Assembly as follows:

1 SECTION 1. Section 31-3-117 of the General Laws in Chapter 31-3 entitled "Registration

4 (a) As to any special motor vehicle registration plates that have been authorized pursuant
5 to this chapter but that have not been issued or printed as of July 2, 2018, because the minimum
6 number of prepaid orders for the plates has not been reached, the minimum number of plates that
7 must be prepaid and ordered prior to the plates being made and issued shall be deemed to be six
8 hundred (600) sets of plates per plate type. If the minimum number of prepaid plates provided
9 pursuant to any other section of this chapter is a higher number, that number shall be deemed
10 reduced to six hundred (600) sets of plates per plate type.

11 (b) As to any special plates that are authorized pursuant to this chapter after July 2, 2018,
12 the minimum number of plates that must be prepaid and ordered prior to the plates being made and
13 issued shall be six hundred (600) sets of plates per plate type.

14 (c)(1) Notwithstanding subsections (a) and (b) of this section, the minimum number of
15 prepaid orders for special motor vehicle registration plates that either have been authorized pursuant
16 to this chapter, but have not been issued or printed as of the effective date of this act, because the
17 minimum number of prepaid orders for the plates has not been reached or are authorized pursuant
18 to this chapter after the effective date of this act, may be reduced to one hundred fifty (150) sets of
19 plates per plate type if the applicable sponsoring nonprofit entity delivers to the division of motor

2 (i) Orders for a minimum of one hundred fifty (150) sets of plates per plate type; and

3 (ii) A nonrefundable payment of thirteen thousand five hundred dollars (\$13,500) for each
4 plate type that has met the one hundred fifty (150) sets of plates threshold.

5 (2) The portion of the applicable sponsoring nonprofit entity's issuance surcharge that is to
6 be allocated to the general fund shall be deemed paid for the first six hundred (600) sets of plates
7 per plate type issued by the payment of the thirteen thousand five hundred dollar (\$13,500)
8 nonrefundable payment.

9 (3) The division of motor vehicles shall make available plates eligible for issuance pursuant
10 to subsection (c)(1) of this section, no later than six (6) months after receipt of the orders and the
11 thirteen thousand five hundred dollar (\$13,500) nonrefundable payment; provided, however, that
12 if multiple orders and thirteen thousand five hundred dollar (\$13,500) nonrefundable payments are
13 received from different sponsoring nonprofit entities, the division of motor vehicles shall be
14 afforded no more than six (6) months for each separate plate that becomes eligible for issuance and
15 may complete the work necessary for the issuance of one order at a time in the order of receipt.

16 (4) The ability of applicable sponsoring nonprofit entities to reduce the minimum number
17 of prepaid orders to one hundred fifty (150) sets of plates per plate type pursuant to subsection
18 (c)(1) of this section shall expire on December 31, 2025. The division of motor vehicles shall
19 complete the work necessary for issuance of all plates for which it receives the required orders and
20 thirteen thousand five hundred dollars (\$13,500.00) nonrefundable payments on or before
21 December 31, 2025, in accordance with subsection (c)(3) of this section.
