11 (v) Assistance with transferring, ambulation, and use of special mobility devices assisting
12 the participant by directly providing or arranging transportation; and

13 (vi) Other similar, in-home, non-medical long-term services and supports provided to an
14 elderly person or individual with a disability by an individual provider to meet such person's daily
15 living needs and ensure that such person may adequately function in the person's home and have

32 control commensurate with agency employee status or an individual providing services to a
33 participant electing the personal choice option in any program.

34 (7) "Instrumental activities of daily living" means the skills a person needs to live safely

1 and successfully in a residential setting of choice without outside supports. Such skills include,

18 applicable federal and state laws and rules and regulations allow.

19 **40-8.14-3. Use of employee workforce.**

20 The requirement under § 40-8.14-2 shall not restrict the state's ability to afford
21 participants and participants' representatives who choose not to employ an individual provider, or
22 are unable to do so, the option of receiving direct support services through a personal choice
23 option or through the employees of provider agencies, rather than through an individual provider.

24 Nothing in this chapter shall restrict the state's ability to afford Medicaid LTSS
25 beneficiaries authorized to receive HCBS covered services with the freedom of choice guaranteed
26 under Title XIX to enter into service delivery agreements with any authorized Medicaid provider.

27 **40-8.14-4. Duties of the executive office for health and human services.**

7 reimbursement rates shall be required to be approved by the general assembly.

8 (2) Ensure delivery of required orientation programs for individual providers;

9 (3) Implement training and educational opportunities negotiated in accordance with
10 chapter 8.15 of title 40 for individual providers, as well as for participants and participants'
11 representatives who receive services from individual providers, including opportunities for
12 individual providers to obtain certification documenting additional training and experience in
13 areas of specialization;

14 (4) In collaboration with the provider representative, provide for the maintenance of a
15 public registry of individuals who have consented to be included to:

17 who have consented to be included in the registry to participants and participants' representatives;

18 (ii) Enable participants and participants' representatives to gain improved access to, and

20 individual providers' training, educational background, work experience, and availability for hire;

21 (5) Establish provider qualification standards for individual providers, including
22 undergoing a background check and behavior that would disqualify someone as an individual
23 provider;

24 (6) Establish other appropriate terms and conditions for the workforce of individual
25 providers without infringing on participants' or their responsible parties' rights and responsibilities
26 to hire, direct, supervise, and/or terminate the employment of their individual providers;

28 communicate directly with the secretary about the provision of quality direct support services.

29 (i) The board shall consist of thirteen (13) members:

16 law, the secretary shall not undertake activities in subsections (c)(3) and (c)(4) of this section,
17 prior to October 1, 2019, unless included in a negotiated agreement and an appropriation has been
18 provided by the legislature to the secretary.

19 (e) The secretary shall cooperate in the implementation of chapter 8.15 of title 40 with all
20 other relevant state departments and agencies. Any entity providing relevant services, including,
21 but not limited to, providers of fiscal support, fiscal intermediary, financial management, or
22 similar services to provide support to participants and participants' representatives with regard to
23 employing individual providers shall assist and cooperate with the secretary in the operations of

28 maintain a list of the names and addresses of all individual providers who have been paid for
29 providing direct support services to participants within the previous six (6) months. The list shall
