14 started their family; and

15 WHEREAS, In 2001, Mr. Bucci resolved to follow his heart and become a teacher. He
16 graduated from Rhode Island College in 2002, and began his teaching career at the New England
17 Laborers Construction and Career Academy. To the very good fortune of many Cranston
18 students, he subsequently joined the staff at Cranston High School East, where he remained for
