27 reviewed in a manner consistent with the rules and regulations of the commission. The value of
28 the development rights for all of the purposes of this section shall be the difference between the

17 petition must be accompanied by a certificate from the municipalities in which the land lies
18 stating that two-thirds (2/3) of the city or town council has approved the proposed development.
19 The petition shall set forth the facts and circumstances upon which the commission shall consider
20 approval, and the commission shall deny approval unless at least seven (7) of its members

22 rights. The commission shall hold at least one public hearing in a city or town from which a
23 certificate has been received, prior to its consideration of the petition, which shall be announced
24 in one newspaper of local circulation. The expenses, if any, of the hearing shall be borne by the
