Section 2. There is hereby appropriated from the general fund the sum of \$500,000, and the sum of \$15,000,000 in federal fund expenditure authority to the Department of the Military, for purposes of design and construction of a National Guard Readiness Center in Sioux Falls.

In addition to the amounts appropriated in section 2 of this Act, the Department of the Military may accept and expend for the purpose of this Act any funds obtained from gifts, contributions, or any other source if the acceptance and expenditure is approved in accordance with § 4-8B-10.

Section 5. The design and construction of this project shall be under the general charge and supervision of the Department of the Military. The adjutant general of the Department of the Military or the state engineer shall approve vouchers and the state auditor shall draw warrants to pay expenditures authorized by this Act.

Section 6. Any amounts appropriated in this Act not lawfully expended or obligated shall revert in accordance with the procedures prescribed in chapter 4-8.

Section 7. Whereas, this Act is necessary for the support of the state government and its existing public institutions, an emergency is hereby declared to exist, and this Act shall be in full force and effect from and after its passage and approval.
