Upon such request, a transportation network company driver shall also disclose to directly interested parties, motor vehicle insurers, and investigating law enforcement officers, whether the driver was logged on to the transportation network company's digital network or on a prearranged ride at the time of an accident.

Section 15. That the code be amended by adding a NEW SECTION to read:

The transportation network company shall disclose in writing to each transportation network company driver the following before the driver is allowed to accept a request for a prearranged ride on the transportation network company's digital network:

Any insurer that writes motor vehicle insurance in this state may exclude any coverage afforded under the policy issued to an owner or operator of a personal vehicle for any loss or injury that occurs while a driver is logged on to a transportation network company's digital network or while a driver provides a prearranged ride. This right to exclude all coverage may apply to any coverage included in a motor vehicle insurance policy including:

Section 18. That the code be amended by adding a NEW SECTION to read:

Nothing in this Act requires an insurer to use any particular policy language or reference to section 16 of this Act in order to exclude any and all coverage for any loss or injury that occurs while a driver is logged on to a transportation network company's digital network or while a driver provides a prearranged ride.

Section 19. That the code be amended by adding a NEW SECTION to read:

Nothing in this Act precludes an insurer from providing primary or excess coverage for the transportation network company driver's vehicle, if it so chose to do so by contract or endorsement.

Section 20. That the code be amended by adding a NEW SECTION to read:

Any motor vehicle insurer that excludes the coverage described in section 8 or 9 of this Act has no duty to defend or indemnify any claim expressly excluded by the policy. Nothing in this Act invalidates or limits an exclusion contained in a policy including any policy in use or approved for use in this state prior to the enactment of this Act that excludes coverage for vehicles used to carry persons or property for a charge or available for hire by the public.

Section 21. That the code be amended by adding a NEW SECTION to read:

A motor vehicle insurer that defends or indemnifies a claim against a driver that is excluded under the terms of the insurer's policy, shall have a right of contribution against other insurers that provide motor vehicle insurance to the same driver in satisfaction of the coverage requirements of sections 8 or 9 of this Act at the time of loss.

Section 22. That the code be amended by adding a NEW SECTION to read:

In a claims coverage investigation, transportation network companies shall immediately provide upon request by directly involved parties or any insurer of the transportation network company driver if applicable, the precise times that a transportation network company driver logged on and off of the transportation network company's digital network in the twelve-hour period immediately preceding and in the twelve-hour period immediately following the accident. Any insurer providing coverage as set forth in sections 8 and 9 of this Act shall disclose upon request by any other such insurer involved in the particular claim, the applicable coverages, exclusions, and limits provided under any motor vehicle insurance maintained in order to satisfy the requirements of sections 8 and 9 of this Act.
