

AN ACT

ENTITLED, An Act to revise the General Appropriations Act for fiscal year 2012 and to declare an emergency.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF SOUTH DAKOTA:

Section 1. The funds in section 8 of this Act are provided for the purpose of making a one-time payment to active, permanent employees hired before March 24, 2011, not including the Governor, lieutenant governor, attorney general, secretary of state, state auditor, state treasurer, commissioner of school and public lands, or public utilities commissioners, for the purpose of encouraging public service and for continued service in the state government workforce. This payment will be made on March 30, 2012, and will be calculated as a percentage of the employees' annualized salary effective as of March 23, 2012. This percentage shall be five percent for an employee hired before March 24, 2009; three and four-tenths percent for an employee hired March 24, 2009 to March 23, 2010, inclusive; and one and seven-tenths percent for an employee hired March 24, 2010 to March 23, 2011, inclusive.

Section 2. For the purposes of this Act, annualized salary means an employee's hourly wage times the number of hours in the fiscal year in which the payment is made times the percent of time the employee is regularly scheduled to work, or the employee's annual salary times the percent of time the employee is regularly scheduled to work. If a full-time employee's annual salary is less than forty-six thousand dollars, the calculation shall be based on forty-six thousand dollars times the percent of time the employee is regularly scheduled to work. If a full-time employee's annual salary is more than one hundred fifty thousand dollars, the calculation shall be based on one hundred fifty thousand dollars times the percent of time the employee is regularly scheduled to work.

Section 3. Any payment pursuant to this Act is not to be considered as part of the employee's base compensation or regular rate of pay, nor is the payment compensation for any past performance

or future action.

Section 4. The amount necessary to fund the one-time payment to employees may be transferred to the appropriate budget units by the Bureau of Finance and Management. If there is not enough funding to provide the required payments to the workforce in place at the time of calculation, the bureau may reduce and prorate the amount of the one-time payments.

Section 5. The funds in section 7 of this Act are provided to enhance the military value of Ellsworth Air Force Base, gain efficiencies for Ellsworth Air Force Base, mitigate encroachment issues, and other actions as necessary to promote and facilitate the retention and possible expansion of Ellsworth Air Force Base.
