

State of South Dakota

EIGHTY-NINTH SESSION
LEGISLATIVE ASSEMBLY, 2014

363V0736

SENATE BILL NO. 153

Introduced by: Senator Frerichs and Representative Gibson

1 FOR AN ACT ENTITLED, An Act to establish an educational program relating to hazardous
2 fuel emissions and the use of no-idle zones.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF SOUTH DAKOTA:

4 Section 1. The Department of Health, in conjunction with the Department of Education,
5 shall develop and implement an educational program for elementary and secondary students in
6 South Dakota to provide information about the hazardous nature of gasoline and diesel fuel
7 emissions and dangers to health associated with such emissions. The program shall include
8 information about the establishment of no-idle zones adjacent to schools to reduce the exposure
9 of the public, particularly school students, to emission hazards.
