SENATE BILL NO. 163

Introduced by: Senators Heinert, Frerichs, Kennedy, Killer, Maher, Nesiba, and Sutton and
Representatives Bordeaux, Ahlers, Bartling, Lesmeister, McCleerey, Ring,
Schaefer, Smith, and Wismer

1 FOR AN ACT ENTITLED, An Act to require certain reports in the event of an oil spill.

2 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF SOUTH DAKOTA:

3 Section 1. That chapter 34A-18 be amended by adding a NEW SECTION to read:

4 In the event of any oil spill, the department shall immediately conduct a chemical analysis
5 on the contents of the spill, the ground surrounding the spill, and the water source closest to the
6 spill location. Within thirty days of the oil spill the department shall issue a report detailing the
7 chemical analysis of the spill. The report shall contain an elemental analysis and a
8 contamination analysis. The department shall make the report available to the public on the
9 department's website.
