## House engrossed no. SB 53 - 03/10/2015

Introduced by: The Committee on Appropriations at the request of the Bureau of Finance and Management

1	FOR AN ACT ENTITLED, An Act to revise certain provisions regarding the state aid to		
2	genera	al education formula and to revise the property tax levies for the general fund of school	
3	districts.		
4	BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF SOUTH DAKOTA:		
5	Section 1. That § 13-13-10.1 be amended to read as follows:		
6	13-13-10.1. Terms used in this chapter mean:		
7	(1)	"Average daily membership," the average number of resident and nonresident	
8		kindergarten through twelfth grade pupils enrolled in all schools operated by the	
9		school district during the previous regular school year, minus average number of	
10		pupils for whom the district receives tuition, except pupils described in subdivision	
11		(1A) and pupils for whom tuition is being paid pursuant to § 13-28-42.1 and plus the	
12		average number of pupils for whom the district pays tuition;	
13	(1A)	Nonresident students who are in the care and custody of the Department of Social	
14		Services, the Unified Judicial System, the Department of Corrections, or other state	
15		agencies and are attending a public school may be included in the average daily

membership of the receiving district when enrolled in the receiving district. When counting a student who meets these criteria in its general enrollment average daily membership, the receiving district may begin the enrollment on the first day of attendance. The district of residence prior to the custodial transfer may not include students who meet these criteria in its general enrollment average daily membership after the student ceases to attend school in the resident district;

(2) "Adjusted average daily membership," calculated as follows:

- (a) For districts with an average daily membership of two hundred or less, multiply 1.2 times the average daily membership;
- (b) For districts with an average daily membership of less than six hundred, but greater than two hundred, raise the average daily membership to the 0.8293 power and multiply the result times 2.98;
- (c) For districts with an average daily membership of six hundred or more, multiply 1.0 times their average daily membership;
- in all schools operated by the school district on the last Friday of September of the current school year minus the number of students for whom the district receives tuition, except nonresident students who are in the care and custody of a state agency and are attending a public school and students for whom tuition is being paid pursuant to § 13-28-42.1, plus the number of students for whom the district pays tuition. When computing state aid to education for a school district under the foundation program pursuant to § 13-13-73, the secretary of the Department of Education shall use either the school district's fall enrollment or the average of the school district's fall enrollment from the previous two years, whichever is higher;

- 3 - SB 53

1	(2B)	Repealed by SL 2010, cn 84, § 1.
2	(2C)	"Small school adjustment," calculated as follows:
3		(a) For districts with a fall enrollment of two hundred or less, multiply 0.2 times
4		\$4,237.72;
5		(b) For districts with a fall enrollment of greater than two hundred, but less than
6		six hundred, multiply the fall enrollment times negative $0.0005$ ; add $0.3$ to that
7		result; and multiply the sum obtained times \$4,237.72;
8		The determination of the small school adjustment for a school district may no
9		include any students residing in a residential treatment facility when the education
10		program is operated by the school district;
11	(2D)	"Limited English proficiency (LEP) adjustment," is calculated as follows:
12		(a) Multiply 0.25 times the per student allocation; and
13		(b) Multiply the product obtained in subsection (a) times the number of
14		kindergarten through twelfth grade students who, in the prior school year
15		scored below level four on the state-administered language proficiency
16		assessment as required in the state's consolidated state application pursuant to
17		20 USC 6311(b)(7) as of January 1, 2013;
18	(3)	"Index factor," is the annual percentage change in the consumer price index for urbar
19		wage earners and clerical workers as computed by the Bureau of Labor Statistics of
20		the United States Department of Labor for the year before the year immediately
21		preceding the year of adjustment or three percent, whichever is less;
22	(4)	"Per student allocation," for school fiscal year 2015 2016 is \$4,781.14 \$4,876.76
23		Each school fiscal year thereafter, the per student allocation is the previous fiscal
24		year's per student allocation increased by the index factor;

- 4 - SB 53

1	(3)	Local need, is the sum of.	
2		(a) The per student allocation multiplied by the fall enrollment;	
3		(b) The small school adjustment, if applicable, multiplied by the fall enrollment	
4		and	
5		(c) The limited English proficiency (LEP) adjustment, calculated pursuant to	
6		subdivision (2D), if applicable; and	
7		(d) When calculating local need at the statewide level, include the amounts see	
8		aside for costs related to technology in schools;	
9	(6)	"Local effort," the amount of ad valorem taxes generated in a school fiscal year by	
10		applying the levies established pursuant to § 10-12-42;	
11	(7)	"General fund balance percentage," is a school district's general fund equity divided	
12		by the school district's total general fund expenditures for the previous school fiscal	
13		year, the quotient expressed as a percent;	
14	(8)	"General fund reserves," the sum of a school district's nonspendable and restricted	
15		fund balances of the general fund;	
16	(9)	"Nonspendable fund balance," that amount of the fund balance that is not in	
17		spendable form;	
18	(10)	"Restricted fund balance," that amount of the fund balance that has constraints or	
19		how it may be used that are externally imposed or are imposed by law.	
20	Section	on 2. That chapter 13-13 be amended by adding thereto a NEW SECTION to read as	
21	follows:		
22	The a	mount of funding to be distributed to the school districts shall be the local need as	
23	determin	ed in § 13-13-10.1 less the technology and assessment costs and the sparse school	
24	district benefits. The amount for technology and assessment costs and sparse school district

1 benefits shall be retained by the Department of Education to fund technology in schools,

- 2 statewide assessment testing, and sparse school district payments.
- 3 Section 3. That § 10-12-42 be amended to read as follows:
- 4 10-12-42. For taxes payable in  $\frac{2015}{2016}$  and each year thereafter, the levy for the general
- 5 fund of a school district shall be as follows:

- (1) The maximum tax levy shall be nine eight dollars and ten and six sixty-eight and four tenths cents per thousand dollars of taxable valuation subject to the limitations on agricultural property as provided in subdivision (2) of this section, and owner-occupied property as provided in subdivision (3) of this section;
  - (2) The maximum tax levy on agricultural property for such school district shall be one dollar and seventy-eight and two tenths fifty-six and one tenth cents per thousand dollars of taxable valuation. If the district's levies are less than the maximum levies as stated in this section, the levies shall maintain the same proportion to each other as represented in the mathematical relationship at the maximum levies; and
  - (3) The maximum tax levy for an owner-occupied single-family dwelling as defined in § 10-13-40 for such school district shall be four dollars and twenty-five and two five and five tenths cents per thousand dollars of taxable valuation. If the district's levies are less than the maximum levies as stated in this section, the levies shall maintain the same proportion to each other as represented in the mathematical relationship at the maximum levies.
  - All levies in this section shall be imposed on valuations where the median level of assessment represents eighty-five percent of market value as determined by the Department of Revenue. These valuations shall be used for all school funding purposes. If the district has imposed an excess levy pursuant to § 10-12-43, the levies shall maintain the same proportion
