7 legislators to be the guardians of liberty against future abuses of power by the federal  
8 government; and

9 **Section 2.** WHEREAS, the federal government, through improper and imprudent spending,  
10 has created a crushing national debt which now exceeds the national gross domestic product;  
11 and

12 **Section 3.** WHEREAS, the federal government has overstepped the limits imposed by the  
13 Constitution of the United States and has invaded the legitimate roles of each state through  
14 the manipulative process of federal mandates, many of which are unfunded; and

15 **Section 4.** WHEREAS, the federal government has ceased to operate under a proper  
16 interpretation of the Constitution of the United States; and

17 **Section 5.** WHEREAS, it is the solemn duty of the states to protect the liberty of our people,  
18 particularly for the generations to come, by proposing amendments to the Constitution of the

20 these and related abuses of power;

21 **Section 6.** NOW, THEREFORE, BE IT RESOLVED, by the Senate of the Ninety-Ninth  
22 Legislature of the State of South Dakota, the House of Representatives concurring therein,  
23 that the Legislature of the State of South Dakota hereby applies to Congress, under the  
24 provisions of Article V of the Constitution of the United States, for the calling of a convention

1 of the states limited to proposing amendments to the Constitution of the United States that  
2 impose fiscal restraints on the federal government, limit the power and jurisdiction of the  
3 federal government, and limit the terms of office for members of Congress and other federal

7 the speaker and clerk of the United States House of Representatives; the members of the  
8 United States Senate and House of Representatives from this state; and the presiding officers  
9 of each of the legislative houses in the several states to request their cooperation; and

10 **Section 8.** BE IT FURTHER RESOLVED, that this application constitutes a continuing  
11 application in accordance with Article V of the Constitution of the United States until the  
12 legislatures of at least two-thirds of the several states have made applications on the same  
13 subject; and

14 **Section 9.** BE IT FURTHER RESOLVED, that the Legislature adopts this application expressly  
15 subject to the following reservations, understandings, and declarations:

16 (1) An application to the Congress of the United States to call a convention of the  
17 states for the purpose of proposing amendments to the Constitution of the United  
18 States pursuant to Article V of the Constitution of the United States confers no  
19 power to Congress other than the power to call the convention. The power of  
20 Congress to exercise this ministerial duty consists solely of the authority to name  
21 a reasonable time and place for the initial meeting of a convention;

22 (2) Congress shall perform its ministerial duty of calling a convention of the states only  
23 upon the receipt of applications for a convention for the substantially same purpose  
24 as this application from two-thirds of the legislatures of the several states;

25 (3) Congress does not have the power or authority to determine any rules for the  
26 governing of a convention for proposing amendments called pursuant to Article V  
27 of the Constitution of the United States. Congress does not have the power to set  
28 the number of delegates to be sent by any state to the convention, nor does it  
29 have the power to name delegates to the convention. The power to name delegates  
30 remains exclusively within the authority of the legislatures of the several states;

31 (4) By definition, a convention of the states called for the purpose of proposing  
32 amendments to the Constitution of the United States pursuant to Article V means  
33 that states shall vote on the basis of one state, one vote;

- 1       (5) A convention for the purpose of proposing amendments convened pursuant to this  
2       application must be limited to consideration of the topics specified herein and no  
3       other. This application is made with the express understanding that an amendment  
4       that in any way seeks to amend, modify, or repeal any provision of the Bill of Rights  
5       is not authorized for consideration at this convention. This application is void ab  
6       initio if ever used to consider any change to any provision of the Bill of Rights;  
7       (6) Pursuant to Article V of the Constitution of the United States, Congress may  
8       determine whether proposed amendments must be ratified by the legislatures of  
9       the several states or by special state ratification conventions. The Legislature  
10       recommends Congress select ratification by the legislatures of the several states;  
11       and  
12       (7) The Legislature may provide further instructions to the state's delegates and may  
13       recall its delegates at any time for a breach of a duty or a violation of the  
14       instructions provided.
