AMEND Senate Bill No. 2923

House Bill No. 2882*

by adding the following as a new subsection (e) in the amendatory language of Section 1:

The departments of education and safety, in consultation with the Tennessee fish and wildlife commission, shall provide LEAs and public charter schools with information that school leaders can use to engage with parents and families about the importance of safe firearm storage and to encourage more people to take preventive action by safely storing firearms. LEAs and public charter schools shall annually provide the parents and guardians of students enrolled in the LEA or public charter school with such information.
