AMEND Senate Bill No. 1873

House Bill No. 1758*

by designating the amendatory language of Section 2 as subsection (a) and adding the following as new subsections:

(b)

(1) A training program offered by an EMT/AEMT training center may not offer training to more than two (2) classes of students per year, per type of class.

(2) A training program offered by an EMT/AEMT training center may not have more than ten (10) total students per class.

(3) An ambulance service located in a county with a population of less than fifty thousand (50,000), according to the 2010 federal census and any subsequent federal census, may send students to another county for training. The receiving training program may then have classes of no more than twenty (20) total students per class.

(c)

(1) Any ambulance service that operates an EMT/AEMT training center must document, for each student, the student name, the course the students take, the date the course begins and is completed, and the exam score for each time the students take the standard certification test.

(2) The documentation required by subdivision (c)(1) must be submitted to the emergency medical services board and to the Tennessee board of regents.

(3) The emergency medical services board shall compile an annual report based on the documentation received from ambulance services operating an EMT/AEMT
