FISCAL NOTE

HB 1511 – SB 1677

February 28, 2018

SUMMARY OF BILL: Expands the teacher's bill of rights to include planning time prior to the first day of class each semester.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- No impact on the operations of the Department of Education. The State Board of Education will be able to amend its policies in accordance with the provisions of this legislation during the normal course of business; therefore, any fiscal impact is estimated to be not significant.
- Local education agencies (LEAs) may need an extra work day at the beginning of each semester to add the planning time in. However, for the purpose of this fiscal note, it is assumed that LEAs will be able to adjust their practices to include the planning time within the normal course of business and that teachers will receive no additional compensation as a result of this legislation; therefore any fiscal impact is estimated to be not significant.
