SUMMARY OF BILL AS AMENDED (013907): Authorizes a court to partially restore a person's rights. Defines "citizenship rights" for purposes of restoration.

FISCAL IMPACT OF BILL AS AMENDED:

NOT SIGNIFICANT

Assumptions for the bill as amended:

- Pursuant to Tenn. Code Ann. § 40-29-105, a court may find and so order a person's full citizenship rights to be restored.
- The proposed legislation authorizes a court to restore one or more citizenship rights without restoring all citizenship rights.
- The proposed legislation requires the court to send a copy of the order to the State Coordinator of Elections.
- Under the current law, a court is already required to send a copy of an order restoring full citizenship rights to the coordinator of elections. Therefore, this will not significantly impact state expenditures or operations.
- The proposed legislation does not indicate any waiver or reduction of court costs or application fees in cases where a court partially restores a person's rights. Therefore, this will not significantly impact local government revenue or operations.
