At the expiration of a Board member's term, the member may continue to serve until a successor is appointed or until the member is reappointed.

(c) The terms for the initial Board members begin upon the later of the appointment of five (5) Board members by the Mayor or the appointment of two (2) Board members by the Metropolitan Council. The initial terms of members appointed by:

Any such bonds or notes shall be issued in the manner required by the LGPOA for the issuance of revenue bonds or revenue bond anticipation notes, as applicable, as contemplated by the LGPOA in Tennessee Code Annotated, title 9, chapter 21, parts 3, 5, and 10, and the Authority shall have all of the powers related to the issuance of such bonds provided to local governments by the LGPOA.

(b) No bonds, notes, or other debt obligations shall be issued by the Authority without the prior adoption of a resolution of the Metropolitan Council approving the issuance of such bonds, notes, or other debt obligations.

(c) The Authority is hereby also granted the authority and power to borrow money and issue bonds, notes, or other debt obligations consistent with the powers of the Authority as prescribed under this act.

(d) The Authority is further authorized to:

(1) Pledge to the payment of principal of and premium and interest on such bonds, notes, or other obligations, and use for the payment of the bonds, notes, or other obligations, all or any portion of its revenues; and

(g) The Metropolitan Government is not liable for the payment of the principal of or interest on any bonds of the Authority or for the performance of any pledge, mortgage, obligation, or agreement that may be undertaken by the Authority. The bonds, agreements, and obligations of the Authority must not be construed to constitute an indebtedness of the Metropolitan Government within the meaning of state law or local ordinance or resolution.

SECTION 6. The property within the East Bank is subject to the land use regulations of the Metropolitan Government.

SECTION 7.

(a) The Authority's property interest in the East Bank is not subject to a lien recorded pursuant to Tennessee Code Annotated, title 66, chapter 11.

(4) Making donations or conveyances of property, real or personal, or cash grants to the Authority, in such amount or amounts as the Metropolitan Government may deem proper and appropriate in aiding the Authority to accomplish its purpose.

(b) Notwithstanding this act to the contrary, the Authority may aid or otherwise provide assistance to the Metropolitan Government in connection with a development project located within the boundaries of the Metropolitan Government by:

(1) Assigning or loaning to the Metropolitan Government one (1) or more of its employees, including its procurement and other administrative staff and facilities; and

(2) Providing such property development and management services as the Metropolitan Government may request, as determined by the Board; provided, that

this subsection (b) does not empower the Authority to acquire an interest in property located outside of the East Bank.

SECTION 9.

(a) The Board shall conduct an annual audit of the books and records of the Authority. The comptroller of the treasury, through the department of audit, is responsible for determining that such audits are prepared in accordance with generally accepted governmental auditing standards and that such audits meet the minimum standards prescribed by the comptroller of the treasury. Such audits must be prepared by certified public accountants or by the department of audit. In the event that the Board fails or refuses to have the audit prepared, then the comptroller of the treasury shall appoint a certified public accountant or direct the department of audit to prepare the audit, and the cost of such audit must be paid by the Authority. The requirements of this subsection (a) are satisfied when the audit of the books and records of the Authority are included with, and incorporated into, the audited financial statements of the Metropolitan Government.

(b) The Authority shall prepare an annual report or briefing of the activities, plans, and conditions of the facilities of the Authority. A copy of such report must be filed with the Metropolitan Council.

SECTION 10. Whenever the Board shall by resolution determine that there has been substantial compliance with the purposes for which the Authority was formed and all bonds issued and all obligations theretofore incurred by the Authority have been fully paid, the members of the Board shall then execute and file for record in the office of the secretary of state a certificate of dissolution reciting such facts and declaring the Authority to be dissolved. Upon the filing of such certificate of dissolution, the Authority shall stand dissolved, the title to all funds and properties owned by it at the time of such dissolution shall vest in the Metropolitan Government, and possession of such funds and properties shall forthwith be delivered to the Metropolitan Government.

SECTION 11. The powers conferred on the Authority by this act are in addition and supplementary to the powers conferred on the Authority by other law. This act must be liberally construed to effectuate its purposes.

SECTION 12. Notwithstanding a provision of this act to the contrary, the Authority shall not condemn or exercise the power of eminent domain over any real property located within the East Bank or otherwise. This act must not be deemed to vest the Authority with the power to condemn or exercise eminent domain over real property located within the East Bank or otherwise.

SECTION 13. The provisions of this act shall in no way limit the powers of any industrial development board, parking authority, metropolitan port authority, or development and housing authority formed by the Metropolitan Government pursuant to Tennessee Code Annotated, title 7, chapter 53; title 7, chapter 65; title 7, chapter 5; or title 13, chapter 20, respectively.
