

HOUSE JOINT RESOLUTION 525

By Hardaway

A RESOLUTION to encourage the inclusion of energy conservation curricula in public schools.

WHEREAS, energy conservation is of the utmost importance to our nation and, indeed, to all nations of the world; now, therefore,

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED SEVENTH GENERAL ASSEMBLY OF THE STATE OF TENNESSEE, THE SENATE CONCURRING, that local education agencies are encouraged to include in the course of instruction in public schools, at appropriate grade levels, courses and content designed to educate children on energy conservation methods, including, but not limited to, home energy conservation methods that can be implemented as the result of conducting home energy audits. The goal of such curricula shall be education of students on the importance of energy conservation.

BE IT FURTHER RESOLVED, that the state board of education is encouraged to include energy conservation when developing frameworks and curricula to be taught at appropriate grade levels kindergarten through grade twelve (K-12).

BE IT FURTHER RESOLVED, that an appropriate copy of this resolution be prepared for presentation with this final clause omitted from such copy.
