(2) The commissioner is authorized to require each tobacco product manufacturer, as defined in § 47-31-102, whose cigarettes are sold in this state, whether directly or through a distributor, retailer, or similar intermediary or intermediaries, to file an information report related to tobacco buydown payments, as defined in § 67-6-357, received by retailers from the tobacco product manufacturer.

SECTION 3. Tennessee Code Annotated, Section 67-6-410(e), is amended by deleting the second sentence and substituting instead the following:

Any seller who fails to provide the information report by the due date or who negligently or knowingly includes inaccurate information on the information report is subject to a penalty, not to exceed one thousand dollars (\$1,000), for each inaccurate report, or for every month the report, or part thereof, is not provided, up to a maximum amount of ten thousand dollars (\$10,000).

SECTION 4. Tennessee Code Annotated, Title 67, Chapter 6, Part 4, is amended by adding the following language as a new, appropriately designated section:

(a) The commissioner is authorized to require that every payment settlement entity, third party settlement organization, electronic payment facilitator, or other third party acting on behalf of a payment settlement entity, all as defined in Section 6050W of the Internal Revenue Code and referred to herein as a "reporting entity," required to file information returns pursuant to that section shall, within thirty (30) days of the filing due date, file with the department in such form and manner as prescribed by the commissioner either (i) a duplicate of all such information returns or (ii) a duplicate of such information returns related to taxpayers or participating payees, as defined in Section 6050W of the Internal Revenue Code, with a Tennessee address. The commissioner may require that such duplicate information returns be filed electronically.

(c) Any reporting entity failing to file a duplicate information return required pursuant to this section within the time prescribed shall be subject to a penalty of one thousand dollars (\$1,000) for each failure, if the failure is for not more than one (1) month, with an additional one thousand dollars (\$1,000) for each month or fraction of a month during which each failure continues. The total amount of penalty imposed on a reporting entity may not exceed ten thousand dollars (\$10,000) annually. Any person who receives such tax information under this subsection is prohibited from disclosing such information and shall be subject to the confidentiality provisions, including penalties, set out in this part. The commissioner is authorized to take such actions as deemed necessary to ensure that any persons receiving such tax information shall maintain the confidentiality provisions set out in this part.
