

SENATE BILL 261

By Harper

AN ACT to amend Tennessee Code Annotated, Title 43,
Chapter 1 and Title 53, Chapter 8, relative to
health and sanitation.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Section 53-8-216(e), is amended by deleting the subsection in its entirety and by substituting instead the following language:

(e)

(1) The most current inspection report furnished to the operator or person in charge of the retail food store shall be posted in a conspicuous manner. If any violation noted on the report is required to be corrected within ten (10) days of the issuance of the report and a routine follow-up inspection shows that the violation has been corrected within the period of time, then a final report without notation of the violation shall be furnished to the operator or person in charge of the retail food store and the report shall be posted in lieu of the original report.

(2) For purposes of this subsection (e), "conspicuous manner" means that, at a minimum, the inspection report is posted in a manner likely to be seen at the main public entrances of a retail food store.

SECTION 2. This act shall take effect upon becoming law, the public welfare requiring it.
